PERSONS INTERVIEWED: Steve Riecke

CALL OBJECTIVE: Routine

RESULTS OF CALL: Steve Confirmed rumors that the GAF plant in Long Beach may be closing and stated that his resin & pigment supplier are making similar statements. At this point only the Long Beach plant will close and Vail Gate will continue to operate. Only 50 ton SC 103 will be ordered for Sept delivery. This is due to recent strike & shutdown that has caused them to build heavy inventory & raw materials. Delivered 2 Doz. Calidria Golf Balls that will be used in recent Flintkote Golf Tourney.
