Answering letter date

Subject

We have received corporate approval for the following increases in carload pricing for "Calidria" asbestos:

Product	C/L price, $/T
~~SG-103~~	~~110~~
~~-104~~	~~100~~
-130	158
-144	150
-200	150
-210	200
HPP	186
HPO	200
~~CG-135-P~~	~~750~~
RG-100	500
-110	220
-144	500
-244	2200
~~VISB~~	~~140~~
~~CSV~~	~~144~~
~~SHUR~~	~~144~~

The effective date of the price change will be January 2, 1979. Present prices will apply to orders received for shipment before January 2, 1979.

We have enclosed interim price schedules for RG-144 and RG-244, but, because of extensive changes in the format, we will not be able to do all of them and will need to wait for J. Crane's version. If you need any details for other products before then, let me know. We probably will not have the new schedules by January 2.

Please begin informing your customers of these changes.
