Re: Business Records Affidavits for DUP0902784 and DUP0902776.

Dear Scott:

As requested, I am enclosing copies of executed Business Records Affidavits with respect to DuPont documents DUP0902784 (July 13, 1972 memorandum entitled "Auto Body Solder") and DUP0902776 (July 5, 1972 letter from The Caster Oil Company to Mr. J. Gallagher). Please call me if you have any questions.

Very truly yours,

KIRKLEY SCHMIDT & COTTEN, L.L.P.

# AFFIDAVIT OF FACT

State of Delaware §
§
County of NEW CASTLE §

Before me, the undersigned authority, personally appeared WALTER A. CONNOR III, who being by me duly sworn, deposed as follows:

My name is WALTER A. CONNOR III, I am of sound mind, capable of making this affidavit, and personally acquainted with the facts herein stated:

Attached hereto is a document labeled DUP0902784 from the records of E. I. du Pont de Nemours and Company ("DuPont"). This said document is kept by DuPont in the regular course of business, and it was the regular course of business of DuPont for an employee or representative of DuPont, with knowledge of the act, event, condition, opinion, or diagnosis, recorded to make the record or transmit information thereof to be included in such record; and the record was made at or near the time or reasonably soon thereafter. The document is attached hereto is an exact copy of the original document.

Further affiant sayeth not.

Walter A Connor III

Subscribed and sworn to before me this 23rd day of August, 2002, which witness my hand and official seal.

AUTO BODY SOLDER

One of McClure's substitutes for asbestos was Thixseal A purchased from Baker Castor Oil Co. As can be seen from the attached, this product contains Calidria RG-144 which is the asbestos that McClure used in the original product!

We are puzzled by their claim that Calidria RG-144 is non-carcinogenic. Have you ever heard of an asbestos that was non-carcinogenic?
