September 24, 1971

Mr. W.H. Hunt, President
Georgia-Pacific Corporation
900 S.W. Fifth Street
Portland, Oregon 97204

Dear Bill:

We were indeed sorry that you were unable to attend our Seminar.

Of course, I cannot be certain, but I would guess that you do use asbestos fiber in joint treatment products and in finishes for wallboard.

Our tests indicate that sanding of joint treatment products and particularly the spraying of wall finishes offers some substantial potential hazards.

You may feel it advisable to check into this.

Sincerely,

AHF:les
