VOL. XI WASHINGTON, D. C., JANUARY, 1940 No. 10

REPORT OF THE GENERAL PRESIDENT

Elmhurst, L. I., December 31, 1939.

To the Officers and Membership, Affiliated Locals,

Greetings:

The activities of your President during the past quarter began with a trip to Albany, N. Y., where the Executive Council of the New York State Federation of Labor selected Thomas J. Lyons, of the Teamsters', as the successor to George Meany as President of the New York State Federation of Labor. Later he was one of the guests invited to the annual banquet of the Albany Board of Business Agents of the Building Trades, where Business Agent Fallon looked both wise and well from his seat on the dais.

Then to Washington and work at the General Office.

Next with Secretary Sickles came attendance at a meeting of Local No. 24.

Later with Secretary Sickles came a visit to the Bricklayers' headquarters, where a conference was held with President Bates and Secretary Gray on questions of jurisdiction.

Then to Baltimore with Secretary Sickles and a meeting of Local No. 11.

Then back to Washington, where with Secretary Sickles a conference was held with Mr. Ray Kirkpatrick, Assistant on Labor Relations, in the interest of our craft.

Next came a jump to Chicago and a conference with Vice President Mulligan on an issue of craft interest.

Washington came next and a conference at General Office with Mr. A. E. Kincaid, Jr., representing the Alfol Insulation Company; Robert Byron, President, and William O'Brien, Secretary, of the Sheet Metal Workers' International Association; your President and Secretary Sickles representing our International Association. This conference reached the understanding as found printed elsewhere in this Journal issue.

Then to Albany, where your President represented our craft at the gathering of the representatives of A. F. of L. labor in New York State, called to consider a legislative program for 1940.

Published by AsbestosClaims.Law
asbestosclaims.law/library/21442/3

The next stop was Detroit and a conference with Business Agent Detlefs. Later followed a meeting of the Joint Trade Board.

Next came Cleveland and a conference with Vice President Dalton and later with him to the office of the Ric-wiL Company, where a meeting with the Company's officials, in the opinion of your President, paved the way for the placing of our membership in the Ric-wiL Company's Cleveland, Ohio, shop, as well as its shop soon to be operated in the East.

The quarter just finished has been the best since boom times and with work for all our membership who wished to go get it on the many operations, mostly refineries.

Wishing a Happy New Year to the members of the General Executive Board, without whose support and cooperation your President would not go very far, and also the officers and membership of our affiliated Locals, I remain,

Fraternally,

Joseph A. Mullaney

President

NOTICE OF GENERAL EXECUTIVE BOARD MEETING

This is to officially notify the officers and membership of our International Association that the next regular meeting of the General Executive Board will be held at General Headquarters, 211 Machinists' Building, Washington, D. C., beginning the Second Monday in March, 1940.

The session will open at 10 A. M. Monday morning, March 11, and will continue until such time as all official business has been considered and acted upon.

All communications in re: Charges, Appeals, Decisions, etc., should be in the hands of Secretary Sickles at the General Office not later than Friday, March 8, 1940, to insure consideration at this session of the Board.

C. W. Sickles

Were There No Labor Movement?

Labor has always had to struggle for its existence. The difference in the struggle between then and now lies in the development of the mode of production. The latter's modern inception dates from the introduction of steam-power—the rise of capitalism.

Quite naturally, as the mode of production changes, labor must change its immediate aims accordingly. New inventions, and advanced technique would prove ruinous even to capitalism, were labor conditions to remain unchanged.

Had the fundamental trend of capitalism been properly understood, right from the start, the struggle between capital and labor would have been less of a pain than the pages of history record. As a matter of record, the labor movement, even at this stage of enlightenment is badly understood.

Everything organized labor undertakes, towards achieving improved conditions, is, by its adversaries, construed as a blow against capitalism.

The fact of the matter is, were it not for organized labor, the unbusiness-like conduct of those called "money lords," would have run business to its ruin long ago.

Long hours of employment, at inadequate compensation, is a curse, not a blessing. Stabilized conditions alone warrant prosperity. Security of one's existence is the true basis of happiness.

The people who produce, unless they receive in return the equivalent for their labor, create a surplus that gradually chokes the market; a trend always leading to an economic crisis.

Thus, the presence and activities of bonafide unions become, and are, a safety valve within our economic structure. Political economists, unless in the pay of unscrupulous groups, well understand this economic trend and become evermore inclined to deal with organized labor accordingly.

The economic life of a nation is similar to that of a family. If all the members of a family are healthy and economically well situated, their life and existence is likely to be a pleasant one. Thus, a nation that has no ear, nor understanding, regarding the needs and rights of its subjects, cannot and should not expect clear sailing.

Whether there is any truism in that statement may be easily ascertained. Wherever labor is well organized one finds economic conditions at a higher level. Not alone that in whatever trade or industry labor amounts to something, that trade or industry, too profits from a co-ordinated working order.

In order that we may obtain a clearer vision of the picture, let us look back, say 50 years. Notwithstanding all our legitimate shortcomings, labor, thanks to its unselfish activities during the past, enjoys a higher living rating. That has not come as a blessing from heaven. It has come through the spirit of solidarity, preached and practiced by labor—through devotion and sacrifices brought to the altar of unionism.

To maintain and carry forward the good work of the past, demands of the younger generation to take a live interest in the work of the labor movement.

Where would labor be today had there been no labor movement in the past? Where would the other side be, had there been no one combating the vicious trend to capitalism? The answer is self-evident. Look at the economic chaotic conditions in China and elsewhere—and you have the true answer.

Up-to-date employers versed in the science of business fully realize its meaning. Hence, employers bestowed with a vision of the tomorrow, do also organize—for a co-ordinated industry. Yes, and that in the long run, will lead to a true system of co-operation.—The Elevator Constructor.

REPORT OF THE SECRETARY-TREASURER

Washington, D. C.,
December 31, 1939.

To the Officers and Membership, Affiliated Locals,
Greetings:

The activities of your Secretary-Treasurer away from the General Office during the past quarter, in accordance with instructions of President Mullaney, began with a trip to New Haven, Conn., and several conferences with Employers, Labor representatives and our Local No. 33 Business Agent, John A. Gaspic. At this time Business Agent Gaspic made report on his activities as supervisor over the Home Insulator Local Union No. 500.

Your Secretary-Treasurer on this trip had the satisfaction of again voting for John W. Murphy and witnessing his re-election as Mayor of New Haven for the fifth consecutive term. Labor of New Haven is proud of the record of "Mayor Murphy," one of their own, who at the time of his original election to the Mayoralty was President of the New Haven Trades Council, Vice-President of the Connecticut State Federation of Labor and Business Agent for the New Haven Cigarmakers' Local Union.

Next, together with President Mullaney, attended regular meeting of our Baltimore Local Union No. 11.

Then to Springfield, Mass., and together with Vice-President Hoff attended the regular monthly meeting of our Springfield Local Union No. 43. Several issues were thoroughly discussed and Vice-President Hoff instructed to take action at the State Department of Labor and with certain New England insulation contractors (home office) in Boston in order to effect the desired results.

Regular quarterly meeting of the New England States Conference of Asbestos Workers came next, minutes of which will be found elsewhere in this Journal issue.

Stop off at Hartford, Conn., and New Haven, Conn., where conferences were held with several of our membership on issues of a local nature and then back to the General Office.

With every best wish to the Officers and Membership for a most Happy and Prosperous 1940, I remain,

Fraternally yours,

C. W. Sickles

Secretary-Treasurer

The Chairman's Job

A good chairman is like an orchestra leader, familiar with the music, able to draw out one person here and another there, until everyone is playing his part. The more the chairman knows about the business on hand, the more quickly he can grasp what a speaker is driving at and can recognize new angles to the problem.

Even though the chairman is thoroughly familiar with the subject and with his organization, he has to plan each meeting. To guide in planning the meeting your union has a regular order of business which has grown out of experiences. This order of business subordinates the mechanical details and allows the meeting to attend to the important work on hand. But the order of business does not take the place of the chairman's preparation for each meeting. If the chairman is unprepared, the meetings are likely to become stereotyped and dull; or, if important business comes up, he may not be ready for it.

The chairman plans the meetings so as to cover the facts or the new business that he or others should bring to the attention of the members. His plan takes into account the questions to be discussed and perhaps to be voted upon. It provides for his own reports and for those of other officers, and of committees.—The Lather.

U. S. Construction in '40 Estimated at Over 6 Billion

New construction expenditures in the United States during 1940 will reach a 10-year high of $6,558,000,000, according to a forecast issued January 6 by the Architectural Forum magazine.

The predicted volume was based on a nation-wide survey conducted by the publication among economists and building industry leaders and would top by 4 per cent the $6,310,000,000 estimated for 1939 which, in turn, was the best construction year since 1930.

The survey estimated that public building this year would show a decline of 6 per cent from the 1939 level at $2,632,000,000, but said this decrease is offset by an anticipated rise of 12 per cent in private work which, by the end of the year, should total $3,926,000,000.—U. P.

Judge Orders Overtime Pay

The Wage-Hour Administration of the U. S. Department of Labor announced that an order had been issued by Federal Judge Wayne G. Borah in New Orleans requiring three corporations in Louisiana to pay their employees $7,000 for overtime pay worked since October 24, 1938, when the Fair Labor Standards Act went into effect.

The order involved the Douglas Public Service Corporation, Inc., and two affiliates, the New Orleans Storage and Terminal Co., Inc., and the Douglas Shipside Storage Corporation, all of New Orleans.

The following understanding has been reached by and between the Alfol Insulation Company, Inc., the Sheet Metal Workers' International Association and the International Association of Heat and Frost Insulators and Asbestos Workers:

That, the erection and installation of Alfol Pre-fabricated Heat Insulating Panels with Metal Jackets is hereby recognized as coming within the jurisdiction of the Sheet Metal Workers' International Association and said work shall be performed by good standing members of the Sheet Metal Workers' International Association. The application of any and all other insulating materials in connection with or incidental to said Alfol Prefabricated Heat Insulating Panels is hereby recognized as coming within the jurisdiction of the International Association of Heat and Frost Insulators and Asbestos Workers and said work shall be performed by good standing members of the International Association of Heat and Frost Insulators and Asbestos Workers.

The application and installation of all other insulating materials over which a sheet metal jacket is later applied is hereby recognized as coming within the jurisdiction of the International Association of Heat and Frost Insulators and Asbestos Workers and said work shall be performed by good standing members of said International Association of Heat and Frost Insulators and Asbestos Workers. The application and installation of all sheet metal jackets or covering over the above mentioned insulating materials is hereby recognized as coming within the jurisdiction of the Sheet Metal Workers' International Association and said work shall be performed by good standing members of the Sheet Metal Workers' International Association.

During periods when the employment of both Sheet Metal Workers' and Asbestos Workers' are necessary in accordance with the above specified provisions of this agreement it is hereby understood and agreed that members of both Organizations, parties to this agreement, while so employed shall render full time service by assisting members of the other craft during said periods when necessary.

Signed and effective this Fourth day of December, 1939.

Chicago, Ill.,
December 22, 1939.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

I hope you can find space in our Journal for this little story which might be called "Mr. Mulligan Goes To St. Louis." As you probably know, work in Chicago has been very slow for some time and a large number of Local No. 17 membership have been taken care of by Local No. 1, of St. Louis.

These men requested Brother Mulligan to visit St. Louis, but "Hughie" put them off on one pretense or another. His real reason was to attend the last scheduled meeting for 1939 of Local No. 1, the week before Christmas.

When he decided to go to St. Louis he suggested that Local No. 17 show its appreciation to Local No. 1 in a more substantial way than mere words of thanks. So, accordingly, on Tuesday, December 19, "Hughie," accompanied by Brothers Nolan, Prescott, Schaeffer and myself representing Local No. 17, attended the meeting of Local No. 1 that was packed to the doors with the regular membership and floaters from all over the country from New York to Frisco, with Texas well represented. At this meeting "Hughie" gave a long, instructive talk on the progress of our International Association, its abolishing of the "paid permit" and its insistence that its idle membership be given work by any of our sister Locals that have it. He also expressed his loyalty and support of President Mullaney, whom he referred to in the highest terms.

He then sprang the surprise of the evening when he, on behalf of Local No. 17 presented beautiful watches to the Officers of Local No. 1 and job foremen in charge of work on which Local No. 17 members were employed. All who know "Hughie," who never does anything half-way, were not surprised when they learned these watches bore the trademark of a nationally-known make and wholesale at $75.00 each. Those who received watches were International Organizer and Business Agent Gus Schmitter, President Jerry O'Conner, Recording Secretary Russell Slater, Financial Secretary Edwin Bennett, Frank Feldhaus, Joseph Kestranek, Arthur Hurtt, Joseph Agostini, William Milligan, Sid Hanlon, James Durham, William Matthews, Dan Daley, Richard Stadelman, Albert Ulsas, Jr., Loney Neels, John Fitzgerald and Maurice Whalen.

No one in our craft in or about St. Louis has sung or whistled "I Didn't Know What Time It Was" since the night "Mr. Mulligan Went To St. Louis." Happy New Year to everybody.

Fraternally,
ARTHUR G. ANDERSON,
Fin. Sec., Local No. 17.

Detroit, Mich.,
December 10, 1939.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

Our International President Joseph A. Mullaney, upon request, attended our Joint Trade Board meeting of December 7, 1939. At this meeting he was called upon to make decisions on some very controversial issues that had come up between our Local and the bosses. His decisions on these matters were very satisfactory and insured the maintenance of the standard of workmanship as sponsored by our craft.

asbestosclaims.law/library/21442/14

His further advice and counsel as to the proper function of, and the manner in which a Trade Board should operate will be of great help in eliminating future misunderstandings.

The Officers and Membership of Local No. 25 appreciate the value of President Mullaney's advice and help and wish to take this opportunity to thank him for his past favors and to extend to him an invitation to visit us again in the very near future.

At this time we wish to extend to all the Officers and Members of our International Association a very Merry Christmas and a Happy and Prosperous New Year.

Fraternally,
MALCOLM DETLEFS,
Business Agent, Local No. 25.

Buffalo, N. Y.,
October 30, 1939.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

Am forwarding under separate cover a photograph of Local No. 4 picnic which we request you publish in the January issue of the Journal.

The picnic was held on September 24, 1939, which affair the Traveler membership of Local No. 12 and No. 26 attended, as also all Employers of Local No. 4.

A full course chicken dinner was enjoyed, after which games were played. In the softball game the men employed on the Standard Oil job defeated the men employed on the General Plastic Operation.

Fraternally yours,
CHARLES C. RICE,
Secretary.

Springfield, Mass.,
January 3, 1940.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

Local No. 43 was honored at the last regular meeting with the presence of International Secretary-Treasurer Sickles and Vice President Hoff.

Their counsel and advice was very helpful in disposing of a couple of perplexing questions under consideration.

Brother Sickles gave some sound advice on matters appertaining to the trade, which was very much appreciated by the Local.

Local No. 43 extends a hearty invitation to Brothers Sickles and Hoff to be with us again at their earliest convenience.

Fraternally,
JAMES J. DUNN,
Business Agent, Local No. 43.

St. Louis, Mo.,
January 3, 1940.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

On December 16th, the Travelers working on the Badger job and the Wood River job were hosts at a party given to the members of Local No. 1.

Twenty-six Locals attended this party and all had a good time. Alabama Mac was delegated to have a photographer take a picture, so that is the reason we do not have a picture for the Journal.

On December 19th, Local No. 1 held their annual election of officers. All officers were re-elected for the coming year. At this meeting we were honored by a visit of our International Vice President Hugh Mulligan, and the officers of Local No. 17. They came laden with Christmas gifts for the officers of Local No. 1. Eighteen handsome watches was the pleasant surprise. I know each of us who received one will always value it as one of our most treasured possessions.

Local No. 1 had the pleasure of hearing Vice President Hugh Mulligan for the second time this year. It was the first opportunity a lot of the travelers had of meeeting Brother Mulligan.

Brother Mulligan spoke of our International Association, advising us to be loyal to our International President, Jos. A. Mullaney, and support our Local officers.

The Badger job wound up on

Published by AsbestosClaims.Law
asbestosclaims.law/library/21442/15

Christmas Eve. I want to take this opportunity to thank them for their co-operation on this job. I hope to have them back again some day. Also wish to thank the International officers and Business Agents for their assistance in helping me supply mechanics for this job.

Trusting Vice President Mulligan will drop down to see us early and often in 1940, and wishing all a Happy and Prosperous New Year, I am,

Fraternally yours,
GUS SCHMITTER,
Business Agent, Local No. 1.

Augusta, Kansas,
November 14, 1939.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

It was indeed a privilege and an honor to speak to you on the telephone. Our wire to Brother Mullaney was just our way to try and locate, if possible, where they were in need of men, if there was such a Local Union.

We members on the west coast have had the pleasure of meeting our General President and really look upon him as one who is always willing to go out of his way to help us—that he has proven to us in this instance.

We have never had the pleasure of a visit from you, Brother Sickles, but you can rest assured that we shall do our utmost to enjoy that privilege.

Brother Sickles, words cannot express our appreciation for the effort that you and Brother Mullaney extended in our behalf.

We are quite some distance from our home Locals but these Locals and all others that we contact shall hear of your interest in us. Also that our International President and Secretary are never too busy to assist their membership if it is in any way possible. That we are fortunate indeed to have such men at the head of our organization—men who really are at all times ready to assist and have our interest at heart.

Thanks to you, Brother Sickles, we are on our way to a nice job.

If at any time we may be of assistance to you or Brother Mullaney please do not fail to call upon us, for we are indebted to you, and any request that you may care to make is a command.

Some of our membership may doubt, or perhaps be led to believe, that our International Officers do not really have a personal interest in their membership. To dispel these doubts we would consider it an honor if you publish this letter of thanks to you in "The Asbestos Worker" for all to read, so that they may know how we members who have never met you feel toward yourself and Brother Mullaney.

Again thanking you for your most kind interest, we beg to remain,

Yours Fraternally,

MINUTES OF MEETING OF CALIFORNIA STATE CONFERENCE OF ASBESTOS WORKERS

Los Angeles, Calif., December 30, 1939.

The quarterly meeting of the California State Conference of Asbestos Workers was called to order by President J. D. Brown at 10 A. M. on Saturday, December 9, in the Clunie Hotel, at Sacramento, Calif., with the following delegates responding:

J. J. Christian and W. R. Michener, Local No. 5, Los Angeles.

J. D. Brown and Don McIntosh, Local No. 16, San Francisco.

Wm. Belyea and Perry Games, Local No. 23, Sacramento.

Warren Hackett and Oran Lieb, Local No. 70, Vallejo.

Minutes of the previous meeting were approved and concurred in as printed in "The Asbestos Worker."

All bills read, were upon motion, ordered paid.

Communications read, being in reply form, were noted with particular attention and ordered filed for reference.

Delegate Michener of Local No. 5, Los Angeles, reported only sufficient work for two-thirds of their membership, with future prospects not any too good. He pointed to the necessity of properly guarding all jobs, both present and contemplated, as recent experiences had proved that the C. I. O. would attempt to take over our refinery work as a prime move of Lewis' United Construction Workers and that it had been necessary, recently, to remove C. I. O. Asbestos Workers from jobs. Delegate Brown of Local No. 16, San Francisco, reported that the majority of their membership was out of work and that the future looked only fair.

Delegate Games of Local No. 23, Sacramento, reported 50 per cent of their membership as out of work and the future loomed rather dark.

Delegate Hackett of Local No. 70, Vallejo, reported work in the Navy Yard as normal and that the future prospects were beyond conjecture.

Brother Mike Kunz, Secretary of the Sacramento Building and Construction Trades Council, having been previously invited, was then received and devoted some time toward determining ways and means to co-operate with our members working in his Council's jurisdiction and expressed a very sincere desire to do all within his power to aid.

The general lack of work in the trade in this State was discussed with the delegates resolved to take advantage of any possibility which may result in employment for their members until such a time as work picked up.

There being no further business, the meeting was adjourned, with the next meeting scheduled to take place at the Fresno Hotel on March 9, 1940.

Respectfully submitted,

J. J. CHRISTIAN,
Secretary.

MINUTES OF MEETING OF NEW YORK STATE CONFERENCE OF ASBESTOS WORKERS

West Albany, N. Y., December 23, 1939.

The quarterly meeting of the New York State Conference of Asbestos Workers was held in the Onondaga Hotel, Syracuse, New York, December 9, 1939.

The meeting was called to order by President Charles C. Rice at 10 a. m. and the following delegates responded to the roll call:

Charles C. Rice, Local No. 4, Buffalo, New York.
August Gebhardt, Local No. 4, Buffalo, New York.
George Rider, Local No. 12, New York City.
Edward Redmond, Local No. 12, New York City.
B. F. Beikirch, Local No. 26, Rochester, New York.
P. J. McCormick, Local No. 30, Syracuse, New York.
C. J. Callahan, Local No. 30, Syracuse, New York.
J. C. Fallon, Local No. 40, Albany, New York.

International President Joseph A. Mullaney also attended.

All bills were read and upon motion were ordered paid.

The minutes of the last regular meeting were read and ordered approved.

Delegate Rice of Local No. 4, Buffalo, New York, reported that conditions in the Buffalo area are in a very healthy condition. He stated that the work on the Standard Oil Company plant is proceeding in an orderly fashion; the men are completing all of the work and are also taking care of whatever maintenance work there is to be done. There are prospects of much more additional work at this plant and a possibility of another complete plant to be erected within the near future.

Delegate Rice also stated that the Buffalo Housing job is going along slowly and it will be some time before it is completed. Delegate Rice reported 26 men still employed by the "Alfol" Company at the General Plastic job at Tonawanda, N. Y., which operation is expected to continue for the next four months, after which President Mullaney outlined the understanding reached by our International Association with the "Alfol" Company.

The Laco Company of Jamestown, New York, has signed an International Form of Agreement with Local No. 4 of Buffalo, New York.

Delegate Redmond of Local No. 12, New York City, reported that 50 per cent of the Local's membership are at work, in the New York City area, on the Metropolitan Housing and other jobs. The remainder of the Local membership are at work in other localities throughout the country.

Delegate Redmond wished to thank all the Locals of the New York State Conference which have used men from Local No. 12, New York City.

Practically all of the men are at work and prospects for the future look very good for some time to come.

Delegate Beikirch of Local No. 26, Rochester, New York, reported that conditions in Rochester are fair and that about 50 per cent of the men are at work in the Rochester area and the remainder of the Local membership are at work in other territories in the State. Prospects for future work in Rochester are good and it is expected that there will be a fair amount of work in the near future.

Published by AsbestosClaims.Law
asbestosclaims.law/library/21442/20

Delegate McCormick of Local No. 30, Syracuse, New York, reported that all men are at work and prospects look very good for the coming months.

The new power house at Oswego is progressing slowly but the Power Company has approved an addition to the original plant. This addition is to cost $6,000,000, bringing the total cost to $14,000,000. This will mean considerably more work for the Asbestos Workers.

Delegate McCormick also stated that work on the new Housing job is progressing slowly and it probably will be some time this spring before it is finished.

Delegate Fallon of Local No. 40, of Albany, New York, reported that conditions are very good at the present time, with all men at work. Prospects for the coming months are good and there is sufficient work to keep all members at work for some months to come.

International President Mullaney addressed the Conference and spoke on conditions affecting our Craft in the State and throughout the country.

President Mullaney also spoke on the new types of underground piping manufactured by both the "Ric-wiL" and the "Ehret" Companies, and stated that this underground piping is being insulated by our membership.

The business of the meeting having been completed, motion was made and seconded to adjourn at 2:30 p. m.

Respectfully submitted,
JOHN C. FALLON,
Secretary.

MINUTES OF MEETING OF PACIFIC NORTHWEST CONFERENCE OF ASBESTOS WORKERS

Tacoma, Wash., October 30, 1939.

The regular meeting of the Pacific Northwest Conference of Asbestos Workers was called to order at 1:30 P. M., Saturday, October 28th, 1939, with President Oliver Gagner in the chair.

Minutes of the last meeting read and approved.

The financial report was read and accepted.

Delegates Present: Local No. 7, Seattle, Wash., Brothers A. Harigel, Oliver Gagner, Gus Selander and S. Johnson; Local No. 36, Brother Al Little; Local No. 50, Brothers R. H. Culbertson and G. E. Carr.

Reports of Delegates: All three Locals reported work as being very good since the last meeting. Although work has tapered off considerably it is still fair. It was reported that men working in other Locals' jurisdiction had failed to report.

Unfinished Business: The matter of uniform working agreements was laid over to some future meeting because of the great amount of work still to be done.

New Business: There was considerable discussion on the matter of men not reporting to the Local in whose jurisdiction they are working. Each delegate was asked to impress on his Local the necessity of this rule being observed in the future. A motion was made and seconded that the

Published by AsbestosClaims.Law
asbestosclaims.law/library/21442/21

Conference adopt the International Code of Workmanship. Also that a copy be sent to all Contractors and Architectural Engineers in the three cities. Carried. Secretary to order five hundred from General Office.

It was regularly moved and seconded that a letter be sent to President Joe Mullaney asking him to do everything possible to bring the two groups of Labor together again. Carried.

Under good and welfare the delegates engaged in a discussion of wages, conditions and certain jobs.

The meeting was adjourned at 5:30 P. M. Local No. 7 took the delegates to dinner.

Respectfully submitted,

G. E. CARR,
Secretary.

MINUTES OF MEETING OF NEW ENGLAND STATES CONFERENCE OF ASBESTOS WORKERS

Hartford, Conn., January 2, 1940.

The quarterly meeting of the New England States Conference of Asbestos Workers was held Saturday, December 16, 1939, at the Highland Hotel, Springfield, Mass.

Delegates present were: Anton Sevelius and James Dunn, Local No. 43, Springfield, Mass.; Ernest Carlson, Edwin Olson and Oscar Nelson, Local No. 31, Providence, R. I.; International Vice-President John W. Hoff, Local No. 6, Boston, Mass.; Charles Soelch, John Murphy, Joseph Yagle, Frank Amellin, Sr., John Bannon and John Gaspic, Local No. 33, Connecticut.

International Secretary-Treasurer C. W. Sickles also was present, representing the General Office.

Meeting called to order by President Anton Sevelius, at 10 A. M.

Minutes of previous meeting held at the Biltmore Hotel, Providence, R. I., approved as read.

Communications read and ordered placed on file.

Delegates Carlson, Olson and Nelson, Local No. 31, report working conditions during the past quarter as fair and will continue so through the Spring. Outlook for the coming year very good, with a good amount of work on the books and more being figured. Some of the membership still out on Traveler.

Delegates also report the signing of a new Agreement by the shops, as of November 1st, with but minor changes.

Delegates Soelch and Gaspic reporting for all delegates of Local No. 33 advise that everybody is working at the moment and still have four Travelers, from sister Locals, in the territory. Work has been very good and should continue so throughout the Winter, unless the cold weather sets in and stops progress on the various jobs. All jobs sponsored by the State advancing rapidly, with some buildings completed.

Delegates also report on two walkouts staged by the Hartford Building Trades Council on the Pratt and Whitney division of the Niles-Bement-Pond, West Hartford, and the Pratt and Whitney division of the United Aircraft Corp., East Hartford. The West Hartford job was straightened

Published by AsbestosClaims.Law
asbestosclaims.law/library/21442/22

out in about 10 days and all Tradesmen returned to work. The Tradesmen are still out at the East Hartford job and pickets are being maintained at that job.

Delegates report too, that men have been taken away from the Lotz Insulation Co, of Hartford, and shop put on the unfair list. An effort is now being made to straighten out this shop.

Delegate Hoff, Local No. 6, reports business for the past quarter as spotty, but fair, and with a fair portion of the membership out on Traveler, it relieved the situation at home somewhat. Year 1940 should be a good one with the volume of work now on the books. Four Housing Projects now under way in Boston and vicinity and Housing Authority seeking sites for five more projects, for which some 20 millions of dollars has already been earmarked.

Delegate also reported on a dispute with the New England Insulation Co., of Boston, and a signed shop, and matter brought before the Joint Trade Board. At a meeting of this Board the Employer was advised to co-operate with the Business Agent in all matters pertaining to the Local membership.

Delegates Sevelius and Dunn, Local No. 43, report membership working 100 per cent, although business was only fair during the past quarter. Have a fair percentage of the membership out on Traveler and thereby relieving the situation at home.

Two good sized jobs, a new Airport at Chicopee, Mass., and a Housing Project at Holyoke, Mass., both P. W. A. projects, are still in the offing.

Delegates further report that membership is still working under the terms of the old Agreement, which expired October 31st, and a meeting of the Joint Trade Board contemplated soon, to consider the minor changes requested by the Local in the new Agreement.

A general discussion followed relative to Improvers ratio and wage scale in Locals throughout New England and motion made and carried to incorporate this wage scale in these minutes. The rates of Improvers are as follows:

	1st year	2nd year	3rd year	4th year
Local No. 6, Boston	$0.75	$0.90	$1.05	$1.20
Local No. 31, Providence	.60	.90	.90	1.00
Local No. 33, Connecticut	.65	.90	.90	.90
Local No. 43, Springfield	.65	.90	.90	.90

A territorial dispute between Locals Nos. 31 and 33 and the International Code of Workmanship was discussed at length with Secretary-Treasurer Sickles advising delegates of both Locals on same.

As always, the presence of Secretary-Treasurer Sickles was most valuable and necessary, and his advice on all subjects pertaining to our membership is fair and sound.

Before adjournment, a voluntary donation by all delegates present, for the Finnish Relief Fund, was given Chairman Sevelius, who is a member of a Relief Committee for Finland in his home town.

With no further business and upon motion, the meeting was adjourned at 12:55 P. M.

Respectfully submitted,

JOHN A. GASPIC,
Secretary.

_____ 1939

Editor, "ASBESTOS WORKER," 211 Machinists Bldg., Washington, D. C.

Please change my address on Journal file.

From _____ Street

City _____ State _____

To _____ Street

City _____ State _____

and oblige.

Name in full _____

Local Union No. _____ Membership No. _____

Any member not receiving Journal regularly, please fill out the above blank and forward to the above address, also fill out and send in the blank if you change your address. Issued Quarterly—50c Per Year.

IMPORTANT

The Federal Postoffice Department now requires extra postal charges when they notify International Headquarters of any change in address of members on the Journal mailing list.

These changes are literally coming in by the hundreds and the expense is a considerable item. This expense can be avoided if all members use the form above, to notify us of change of address. Just fill out the form and drop it in the mail addressed to Editor "Asbestos Worker," 211 Machinists Building, Washington, D. C.

This is an important matter and it is requested that all members notify International Headquarters of change of address immediately.
