Announcement

If you would like to know the amount of wages credited to your Social Security Account, the Social Security Board will send you a statement if you ask for it.

As your old-age insurance benefits, and benefits for your family also, depend upon the amount of your wage credits, the Social Security Board provides opportunity for **a check-up every year.**

It is a chance to make sure all your wages on covered jobs have been reported to the Government and duly credited to you. **If there has been a mistake anywhere, NOW IS THE TIME to find out and ask for correction.**

For your convenience in making the request, the Board furnishes postcards which you can get from any Social Security Board field office. If there is no such office in your locality, ask your post office for the address of the nearest one.

The card is already addressed and needs only a one-cent stamp; but if you prefer, you can put it in a sealed envelope, under a three-cent stamp. In any case, the reply will come to you in a sealed envelope.

REPORT OF THE
GENERAL PRESIDENT

Elmhurst, L. I., September 30, 1940.

To the Officers and Membership, Affiliated Locals:

Greetings:

The activities of your President during the past quarter began with a trip to Chicago and a conference with Vice-President Mulligan.

The next stop was Cleveland, where I missed connections with Vice-President Dalton.

Then to Pittsburgh and a conference with Vice-President Hennig.

The next jump was to Wilkes-Barre and a meeting of Local No. 38.

Next came a meeting with Business Agent Williams and a Committee of Local No. 32-B, Essex and Hudson County, N. J.

Cleveland came next and a conference with Vice-President Dalton and with him to Cedar Point, Ohio, to the session of the Central States Conference, at which Vice-President Dalton presided.

The next stop was Niagara Falls, N. Y., where your President represented his home Local No. 12 as a delegate to the New York State Federation of Labor Convention. This was the largest convention the State body ever held. Its delegates numbered 878 and it might be recorded that the resolution endorsing President Roosevelt for a third term was unanimously adopted.

Next came the meeting of Local No. 91, White Plains, N. Y.

Then to Newark with President Rider of Local No. 12 and a meeting of Local No. 32.

The conditions in our craft have greatly improved and it is the opinion of your President that the very near future will find our entire membership at work in connection with the Defense Program.

Fraternally,

Joseph A. Mullaney

President

LOCAL NO. 17, CHICAGO, FOUND ONE HUNDRED PER CENT AMERICAN

Inasmuch as the American Federation of Labor has always been opposed to subversive activities, not only in the Labor movement, but in the country at large, it was both fitting and proper for our International Vice-President, Hugh E. Mulligan, who volunteered and fought overseas in the World War, to satisfy himself as to just how many, if any, aliens, "fifth columnists" or "Bundists" held membership in Local No. 17.

With this in mind, he gave advance notice to the entire membership to present themselves at the meeting hall on July 2, the native born to bring birth certificates or baptismal papers and the foreign born to bring their naturalization papers. This meeting found a full membership in attendance, the hall completely decorated with American flags.

The meeting was called to order by Vice-President Mulligan who introduced Joseph Russo of the Chicago Civic Opera Company who sang the "Star Spangled Banner." Vice-President Mulligan then addressed the meeting declaring "There will be no 'fifth column' in this Local, that's why we have asked you to present your citizenship papers. I believe that any man who enjoys the privileges and the opportunities we have in America should be an American citizen."

Local No. 17 is truly an American organization, of which organized labor in general and our International Association in particular can be proud. This was proved by the fact that every member of the Local was found to be a native born or a naturalized citizen, not a single alien being recorded on the roster. The meeting concluded as the entire membership arose and sang "God Bless America."

THE CHIEF

We take it for granted you will recognize this gentleman. "We give you the President of the United States!"

It is his latest, and one of his best, photographs. For a man who has spent eight strenuous years in the White House he looks remarkably fit.

REPORT OF THE SECRETARY-TREASURER

Washington, D. C., September 30, 1940.

To the Officers and Membership, Affiliated Locals.

Greetings:

The activities of your Secretary-Treasurer away from the General Office during the past quarter, in accordance with instructions of President Mullaney, began with a trip to New Haven, Conn., and conferences in the interest of our Local No. 33 membership.

Next to Annapolis, Md., where your Secretary-Treasurer represented our International Association at the annual picnic of the Washington Building and Construction Trades Council.

Then, together with Business Agent McGann, of our Baltimore, Md., Local No. 11, came a conference with President Coyne, of the Building and Construction Trades Department, and a representative committee from the Baltimore Building and Construction Trades Council which had to do with our Trade conditions and policies in the city of Baltimore, Md.

Next to Bridgeport, Conn., and attendance at the annual Convention of the Connecticut State Federation of Labor.

Later to Leesville, Conn., and the annual Outing of our Connecticut Local No. 33 at which a good time was had by all.

Then to Providence, R. I., and regular meeting of Local No. 31 at which time the membership was advised of the arrangement by the General Office at Washington for the employment of their membership on the Quonset Point, R. I., Naval Base whereby our Providence membership will be employed by a recognized fair employer rather than employed direct by the general contractor as requested. This settlement further provided that our membership would be employed under the terms of the existing Joint Trade Agreement covering our Providence Local which includes mileage transportation allowance to and from the operation daily.

Next came a meeting of the New England States Conference of Asbestos Workers at the Biltmore Hotel, Providence, R. I., minutes of which appear elsewhere in this Journal issue.

Then to Wilmington, Del., where your Secretary was the guest of Local No. 42 at a banquet held at the Cafe Grande.

Mr. Waldret, representing the Poe Piping and Heating Company, with whom President Mullaney had an appointment within a few weeks to pay a visit and unionize this shop on his southern trip, paid a surprise visit to the General Office at which time he signed Joint Trade Agreement with our International Association and while in this city further signed up with the United Association of Journeymen Plumbers and Steam Fitters.

Fraternally yours,

C. W. Sickles

Secretary-Treasurer

"AMERICANISM"

In this day and age it might be well that all interested thoroughly understand the position of our International Association on this question of "Americanism" and would call your attention to our International Constitution and By-laws which specifically provides that all applicants for affiliation with our International Association must be citizens of the United States or Canada or those who bind themselves to become citizens immediately, in conformity with the naturalization laws, and those failing to do so shall forfeit their membership rights.

All applicants must answer, over their signature, the above questions as to their citizenship on the application for affiliation in our International Association.

Dear Sir and Brother:

Let me take this opportunity to thank you for the call for five men, to which only three would go. I want to assure you that Local No. 34 greatly appreciates this favor and we are sorry that we were not able to fill the quota.

So, again, Brother Sickles, we wish to thank you for your fine cooperation in this matter.

Wishing you the best of success, I remain,

Dear Sir and Brother:

At the regular meeting of Local No. 48 in June the members elected new officers, replacing Bro. H. M. Hoffman with Bro. E. J. Ridling as Business Agent.

This was not done with any prejudice toward Brother Hoffman but to give him a rest from the duties of Business Agent, which we feel he deserves.

Local No. 48 would like to take this opportunity through the Journal to show appreciation for the courageous and loyal work that Brother Hoffman did for Local No. 48 while he was Business Agent from 1933 to the present.

The Asbestos Workers and organized Labor have a fine member in Brother Hoffman, one who is fair and square with everyone and who will always uphold the highest standard of organized Labor.

Please print this in the next issue of the Journal so that the readers may know the love and high regard the members of Local No. 48 still hold for Brother Hoffman.

Dear Sir and Brother:

Local No. 14 on July 27 gave an outing at Lakeview Park, Montgomery County, Pa., an occasion which will be long remembered by all who attended to help make this, our first outing, the success that it turned out to be.

Local No. 14 wishes to convey their thanks to the live-wire committee conducting the outing; they sure out-did themselves when they sprung a surprise by presenting handsome souvenirs to all the ladies and children who graced the occasion with their presence.

In passing, the committee also wishes to compliment Brothers M. L. Mohsberg, R. J. Needham and W. E. Winslow of Local No. 24, Washington, D. C., for being among those present.

Another surprise the committee furnished was the wonderful way in which they saw that man, woman and child was furnished with the finest assortment of refreshments.

Local No. 14 is so grateful to its committee for their wonderful work; they are asking that they come back again in the winter and give us an entertainment that will go down as their best.

Dear Sir and Brother:

On September 26 the members of Local No. 42 and their friends were entertained at a banquet held at the Grande Hotel in Wilmington, Del., with dancing following the banquet. Refreshments were served during and after the dancing.

Our worthy International Secretary-Treasurer C. W. Sickles gave the principal talk of the evening. He spoke of the present boom in our trade, with a warning to keep your feet on the ground with an eye to the future.

Our able Financial Secretary, D. E. Mahan, led the grand march and also won the floor prize for the most interesting old-time dancer of the evening.

Walter Viohl's Old Timers furnished the music and wound up the festivities with "We Won't Be Home Until Morning" which was the case of all hands.

Fraternally yours,
A. J. McNIFF,
Local No. 42, Secretary Pro Tem.

Non-Union Man Helpless

From all over the nation come reports of new interest in organization of wage earners. Applications for union membership are coming in faster than usual. Men want to be inside instead of outside.

Perhaps this is merely an expression of the age-old instinct to join the pack when troubled times come. Perhaps it is something more than that. Perhaps it is realization that individuals, by themselves cannot cope with a situation in which everyone on the employers' side is organized.

The situation with which the wage earner is confronted is too big for him to meet alone. More and more this is being realized.

Unionism justifies itself at all times. It does so a hundredfold in these times. Tomorrow the non-unionist will be out of the picture because a lone individual, going his own way, in a world where everything is organization, teamwork, and negotiation simply will not fit.

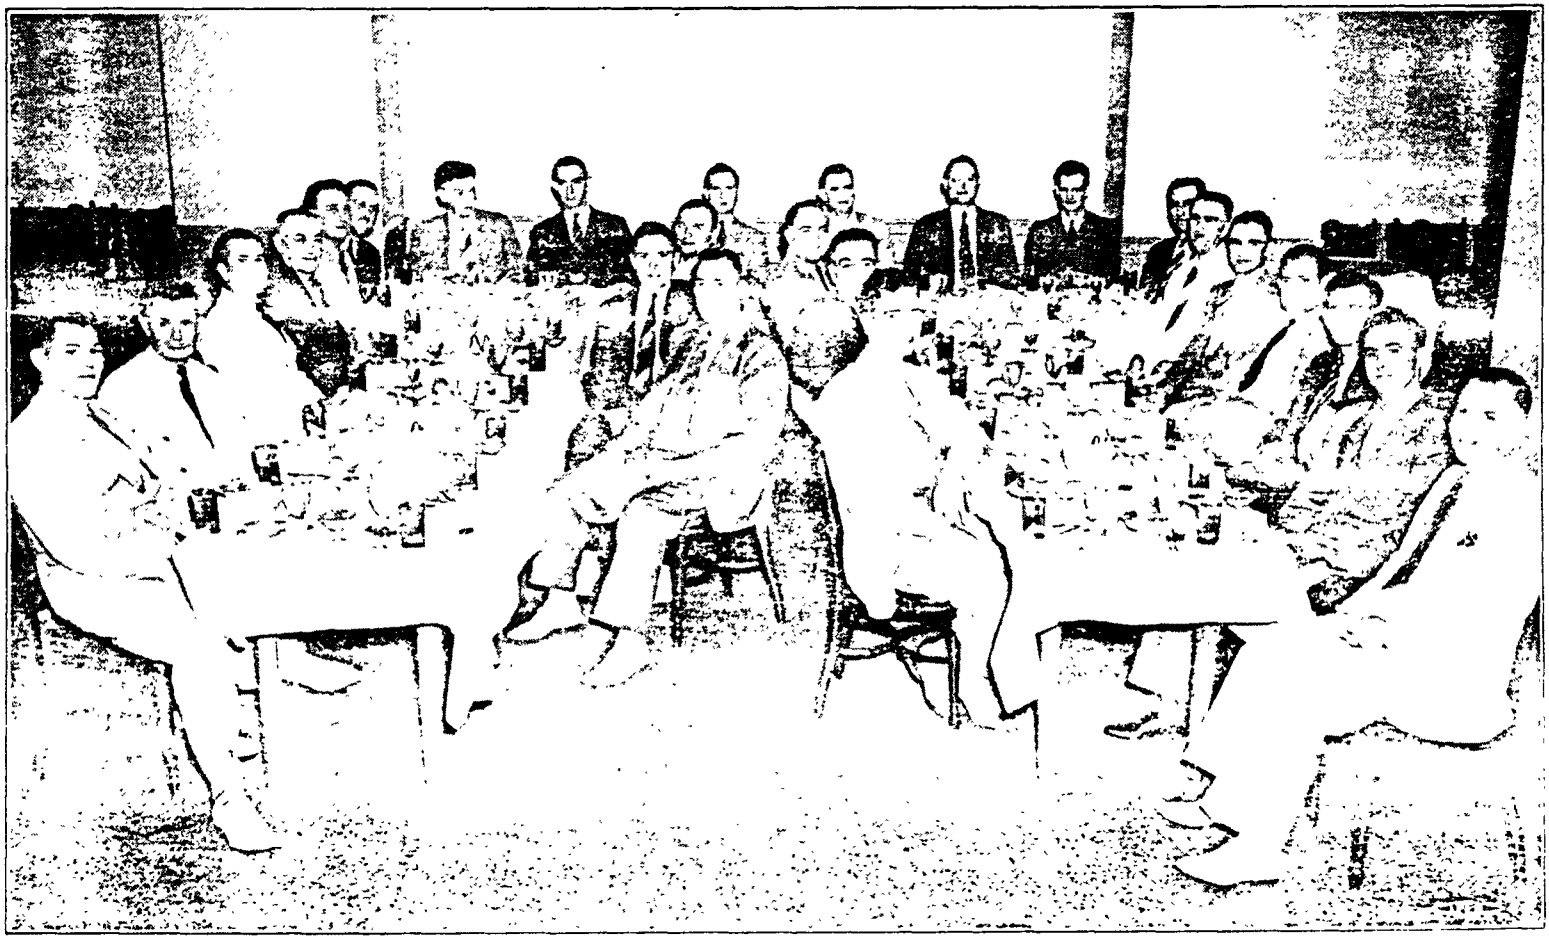

FINANCIAL EXEMPTION

Any of our affiliated membership who are either conscripted or volunteer for military service under the National Defense Program of our Nation, should apply to their Local Union for Honorable Withdrawal Card exempting them from payment of all dues or per capita tax for the duration of such service under the National Defense Program, regardless of the length of time involved.

Such members may, upon the completion of their service with the Government, return their Honorable Withdrawal Card to their Home Local and immediately resume all privileges of a good-standing member.

The meeting was called to order by President Dalton.

President Dalton read a communication from the regular Conference Secretary, Vernon Adkins, of Local No. 80, Charleston and Huntington, W. Va., who expressed his regret in not being able to attend this meeting.

President Dalton thereby appointed A. W. Gamble Acting Secretary for this meeting.

Minutes of the previous meeting held at the Neil House, Columbus, Ohio, March 30, 1940, were approved as read.

We were honored by the presence of our International President Joseph A. Mullaney and also by International Vice President George R. Hennig.

The following Locals were represented:

are not signed at present but are negotiating them now with an advance in wages, the old rate being $1.25 per hour.

Local No. 3, Cleveland, Ohio. Delegates Albert Dalton, J. Dalton and T. O'Neil report work very slow with most men on travelers and the future not too bright. Agreements are signed for $1.42½ and expire in 1941.

Local No. 51, Louisville, Ky., Local No. 80, Charleston and Huntington, W. Va., Local No. 75, South Bend, Ind., Local No. 37, Evansville, Ind., and Local No. 45, Toledo, Ohio, were not represented.

Mr. George Strain of the Department of Industrial Relations of Ohio was introduced and gave a very interesting talk and outlined the prevailing wage law. He asked that copies of all agreements be sent to the Industrial Relations or have a photostatic copy made of them and to be sure that the agreements are properly signed by both parties.

Mr. Thomas Donnelly, Secretary of the Ohio State Federation of Labor, was introduced by President Dalton, who also gave a short talk on Unionism.

International Vice President George R. Hennig gave a talk and expressed his appreciation to the Sister Locals who gave his Local support by giving the men work. He reports that work in Pittsburgh is slow and has been for quite some time.

International President Joseph A. Mullaney gave an inspiring and enlightening talk on the Asbestos Workers throughout the country. He told of work being spotty at present but predicted that our membership would probably fall short of the demand for skilled mechanics when the rush came. He also touched on the C. I. O. movement, of its inception and inevitable end. After his speech he answered questions raised by the different delegates.

Brother George Neil of Columbus asked advice on job in Columbus pertaining to the Borden Milk Co.

Brother A. W. Gamble of Akron reports of the trouble Local No. 84 had with Ric-wiL Co. of Barberton, Ohio. President Mullaney advised as to steps to be taken in future should any more trouble arise.

Brother Forrest Muncie of Local No. 47 raised a question on Transportation. President Mullaney stated that the members of a Local must accept transportation to and from a job in any conveyance provided by employers. Vice President Dalton further enlightened the delegates on the clarification of this part of the agreement in regards to this particular grievance.

Attention of the Conference Secretary was called to the fact that Fort Wayne, Ind., Local No. 41, was not listed in the Journal under Central States Conference and the Secretary was asked to notifiy Secretary Sickles and have this Local included. Also that Evansville, Ind., Local No. 37 be notified of the next regular Conference meeting.

Secretary of the Conference was instructed to notify all affiliated Locals that per capita tax was due.

With no further business, motion was made and seconded to adjourn at 4 p. m.

After adjournment all present were the guests of Local No. 3, Cleveland, Ohio, which provided refreshments and an enjoyable time was had by all.

Respectfully submitted,

A. W. GAMBLE,
Acting Secretary.

MINUTES OF MEETING OF NEW YORK STATE CONFERENCE OF ASBESTOS WORKERS

West Albany, N. Y., September 29, 1940.

The quarterly meeting of the New York State Conference of Asbestos Workers was held at the Onondaga Hotel, Syracuse, N. Y., September 14, 1940.

The meeting was called to order at 10 a. m., by President Charles C. Rice and the following delegates responded to the roll call: Charles C. Rice, Local No. 4, Buffalo, N. Y.; George Rider, Local No. 12, New York, N. Y.; P. O'Connor, Local No. 12, New York, N. Y.; B. Beikirch, Local No. 26, Rochester, N. Y.; George Sherbyn, Local No. 26, Rochester, N. Y.; Paul J. McCormick, Local No. 30, Syracuse, N. Y.; John C. Fallon, Local No. 40, Albany, N. Y.

International President Joseph A. Mullaney also attended.

All bills were read and upon motion ordered paid.

The minutes of the last meeting were read and upon motion were ordered approved.

The report of the Secretary was heard and ordered approved.

The credentials of Bro. George Sherbyn of Local No. 26, Rochester, N. Y., were received and the delegate was ordered seated.

Delegate Rice of Local No. 4, Buffalo, N. Y., reported that conditions in the Buffalo area have slowed up appreciably in the past week.

Work at the General Plastic Co. is expected to start again soon and the prospects are very good for future work.

New construction at the Bethlehem Steel Co. is progressing slowly but it is expected that this job will become active in a short time.

The housing job has been completed and there are two jobs in Buffalo showing activity at this time, namely: the Convention Hall and Kleinham's Memorial.

Delegate Rice also stated that the Insulation Co. employers in the Buffalo area have requested all men to produce their birth certificates.

This request became necessary when some of our membership were denied admittance to plants engaged in manufacturing war materials. This was interpreted as a measure to combat sabotage.

Delegate O'Connor of Local No. 12, New York City, reported that conditions in New York City are fair with but 50 per cent at work. Some of the larger jobs in the city, notably the Metropolitan Housing Project, are still unfinished but other large jobs such as the Court House and the Tombs Prison are rapidly nearing completion.

Delegate O'Connor stated that about 20 per cent of his membership are employed in other localities and he wished to thank other Locals in the State for using men from New York City. He remarked that conditions would be much different if he were unable to place his men in other Locals. He further stated that this assistance can be directly attributed to the New York State Conference.

Delegate Beikirch of Local No. 26, Rochester, N. Y., stated that conditions in the Rochester area are fair with but 60 per cent of the membership working and the remainder of the members are working in other Locals throughout the country.

The American Can Company job at Fairport, N. Y., has not been started and jobs at the Brockport Normal School and the Rochester Gas and Electric Co. are moving slowly.

He also stated that the Furgeson Construction Co. of Ohio, which is doing work at the Corning Glass Co. of Corning, N. Y., will be in a position to use eight or ten Asbestos Workers within a week. There has been a

Published by AsbestosClaims.Law
asbestosclaims.law/library/21445/22

misunderstanding relative to the Insulation work in this plant, but it is expected to be settled to the satisfaction of Local No. 26.

Delegate McCormick of Local No. 30, of Syracuse, N. Y., stated that conditions in Syracuse are excellent at this time with all men at work and a few travelers at work also.

The new Power House, at Oswego, N. Y., is now employing most of the Local's membership as there is very little other work available at this time.

The Savage Arms Company, in Utica, N. Y., expects to do considerable building. This is in connection with its large expansion program on which it expects to expend, approximately, seventeen million dollars.

Delegate Fallon of Local No. 40, Albany, N. Y., stated that conditions in Albany are very good with about 90 per cent of the Local employed at the present time. There is very little new work coming along at this time and prospects for the fall and winter are poor. There are a few small jobs coming along later among them being a new Power House at the Training School for Girls, in Hudson, N. Y., and the New Buckingham Garden Apartment, in Albany, N. Y.

Delegate Rice reported on the Proceedings of the 77th Annual Convention of the New York State Federation of Labor, held at Niagara Falls, N. Y. He stated that on Monday evening there was a huge parade in which thousands of labor men and delegates marched, and in which there were many bands and beautiful floats.

Many prominent men in the labor movement were present, among them being President William Green and Secretary-Treasurer George Meany, of the American Federation of Labor, and also a long list of persons who are prominent political figures. These included Governor Herbert H. Lehman, U. S. Senator James M. Mead, Mayor LaGuardia, Industrial Commissioner Frieda S. Miller, and many others.

Delegate Rice stated that President Mullaney as Chairman of the Important Resolutions Committee deserves a lot of credit for his fine handling of 432 separate resolutions. This constitutes a record when you consider that this committee had only a few days in which to give these resolutions their due consideration. Delegate Rice stated that harmony and good feeling emanated from this committee and it probably foreshadowed the harmonious feeling which prevailed during the convention.

International President Mullaney addressed the Conference and spoke on the practice employed by some Locals of using laborers in place of Improvers. He strongly advised the Business Agents against this practice and enumerated many instances where a policy of this sort would prove detrimental to the Local.

President Mullaney also spoke of the various investigations of Labor unions conducted by the Department of Justice and stated that the Asbestos Workers have been particularly free from investigations of this sort. He further stated that the reason for this could be attributed to our International Agreement, which is fair and liberal to employer and employee alike.

He mentioned the necessity of securing a birth certificate or naturalization papers today in order to secure work in certain plants. He emphasized the fact that our By-laws are very specific regarding citizenship. He related that a short time ago Local No. 17, in Chicago, Ill., had what they called an "American Night," and all members were given a 60-day notice in which to secure their proof of citizenship.

He strongly advised other Locals to take a page from Hugh Mulligan's book and conduct a modified version of Local No. 17's "American Night."

The Conference then rose as a body and with bowed heads stood in reverent silence for one minute in respect to our late Bro. Edward Redmond, former Business Agent of Local No. 12, New York, N. Y.

MINUTES OF MEETING OF NEW ENGLAND STATES CONFERENCE OF ASBESTOS WORKERS

Wethersfield, Conn., September 30, 1940.

The quarterly meeting of the New England States Conference of Asbestos Workers was held Saturday, September 21, 1940, at the Biltmore Hotel, Providence, R. I.

Delegates present were: Anton Sevelius and James Dunn, Local No. 13, Springfield, Mass.; Richard Lindstrom and International Vice President John W. Hoff, Local No. 6, Boston, Mass.; Edwin Olson, Oscar Nelson and Ernest Carlson, Local No. 31, Providence, R. I., and Charles Soelch and John A. Gaspic, Local No. 33, Connecticut.

Also present were International Secretary-Treasurer C. W. Sickles and Business Agent George L. Harwood, Home Insulators Local No. 6-B, Boston, Mass.

Meeting was called to order by President Anton Sevelius at 11 A. M.

Minutes of the last Conference meeting held at the Garde Hotel, Hartford, Conn., May 25, 1940, were approved as read.

Communications were read and placed on file and the communication from Edgar Anderson, a former member of the International Association, was turned over to the proper authorities.

Delegates Carlson, Olson and Nelson, Local No. 31, report business as very good and the near future bright for their membership. A large Navy Department project has already started at Quonset, R. I., on which the General Contractor had sought the use of the Asbestos Worker direct, along with the other sub-trades, but now report that the work of our trade will be done by a recognized Union employer of our membership.

Delegates also report on the contemplated changes in their new Agreement, and now in the hands of a committee drawing up same. Old Agreement expires October 31, 1940.

Delegates Soelch and Gaspic, Local No. 33, report business during the past quarter had been very good. Coming quarter looks good with a slight letup expected of a short duration. Had a dozen Travelers in from Sister Locals during the past quarter, for short periods, but with the exception of one man, have all left. The State Building Program is about completed which had been in progress about 2½ years.

Delegates also report having eight Housing Projects to look forward to, throughout the State, of which only two are being manned at the moment.

Delegates report, too, of a Navy Department project at the Submarine Base, New London, Conn., where the General Contractor had solicited all Business Agents of the sub-trades for men direct. The final decision is still unknown at this time but assume that this job, too, will be given out to Sub-Contractors.

Delegates Lindstrom and Hoff, Local No. 6, report that work in general has been pretty good and at the moment have but three members loafing. Business for the future looks good and enumerated several good sized jobs in the offing.

Delegates report, too, of being approached by the General Contractor

Published by AsbestosClaims.Law
asbestosclaims.law/library/21445/24

on a Navy Department project in their vicinity, for the supplying of men direct, but since their last meeting with this Contractor, all sub-contracts have been let out.

Delegates also report the successful organizing of Home Insulators Local No. 6-B, and are now negotiating an Agreement with the Employers of that membership.

Delegates report progress in the organizing of non-union built Apartment Houses on which pickets were maintained.

Delegates report further on the successful negotiation of the International form of Joint Trade Agreement, with the Employers of Local No. 6 membership, beginning October 1, 1940, to October 1, 1942. Rate of wages of the Mechanics to stay at $1.50 per hour, while the rate of Improvers start at $.75 per hour for the first year, $.90 per hour for the second year, $1.05 per hour for the third year and the fourth year at $1.20 per hour. A satisfactory Board allowance was also negotiated. Strict adherence to the International Code of Workmanship was stressed at this meeting of the Joint Trade Board and all parties agreeing to same.

Delegates Sevelius and Dunn, Local No. 43, report conditions as pretty good during the last quarter with every one in the Local working. At the moment has four Travelers in to help out in the rush.

Delegates report that their Joint Trade Agreement expires October 31, 1940, but their membership has taken no action on same as they are awaiting the reports of the other New England Locals at this Conference meeting as regards their contemplated changes before negotiating their own. Delegates are of the opinion that the Local will pattern their conditions along the lines of the other Locals.

An open discussion, brought forward by Local No. 43 delegates, was gone into at great length, relative to the burying in of the Tees with the covering, on sweat joint jobs. Secretary Sickles advised all delegates that the Code of Workmanship provides for this type of work, stating that "sectional covering shall be applied on pipe, only between the fittings, and in no instance over fittings", and to abide by such ruling.

A general discussion followed on various subjects vital to our membership, with all delegates partaking of the discussion.

Secretary-Treasurer C. W. Sickles was called upon by President Anton Sevelius who first congratulated International Vice President John W. Hoff on the successful negotiation of the Local No. 6 Agreement and upon his stand for the strict adherence to the International Code of Workmanship in Boston.

Secretary Sickles advised that the country in general, insofar as the Asbestos Worker was concerned, was busy and only a small average losing any time. Also advised that the Defense Program is progressing rapidly with more and more work coming up for our membership and predicts that supplying the demand for men will be our greatest problem for some time to come.

With no further business upon motion meeting was adjourned at 2 p. m. and all delegates to dinner as guests of Local No. 31.

Respectfully submitted,

JOHN A. GASPIC,
Secretary.
