Thursday Morning—March 12, 1942

The session was called to order by President Mullaney at 10:00 a. m.

Present and answering roll call were: Mullaney, Mulligan, Dalton, Hennig, Hoff, Hunter and Sickles.

The following business was transacted:

The Board acted upon the appeal of Local No. 12, New York City, by confining the charter rights of Local No. 93 to the Marine work inside the Navy Yard, granted the Marine work in New York City waters to Local No. 12 and the Marine work in New Jersey waters to Local No. 32. This decision guaranteed the membership now comprising Local No. 93 the right of transferring to Local No. 12 without money payment or ballot and the recognition and continuance of our present Marine wage rate of $1.50 per hour.

The Board further considered that portion of the General President's report referring to the appeal of General Brehon Somervell, representing the Government, wherein the latter requested the waiving of rules and regulations in order to permit Improvers of exceptional ability to procure Mechanics classification before their allotted training period, which in our craft is four years. The Board then instructed the Secretary to grant Mechanic classification when so petitioned by any Local Union for any of its membership possessing a minimum of three years trade experience who, in their opinion, possess the exceptional ability to meet the standards of Mechanic rating.

The Board then furthered the request of General Somervell by extending the maximum age limit for Improver membership from twenty-five to thirty years of age.

The decision of the Board in both these instances applies only for the "Duration" of the present emergency.

Locals No. 1, St. Louis, Mo., No. 3, Cleveland, Ohio, and No. 24, Washington, D. C., made bids for the Sixteenth International Convention. Local No. 3 received the unanimous vote of the Board membership and the city of Cleveland was officially declared the "1942" Convention City for the SIXTEENTH Convention of the International Association of Heat and Frost Insulators and Asbestos Workers.

Board instructed the Secretary-Treasurer to prepare September, 1942, Convention Delegate Credentials and have them in possession of all affiliated Locals prior to their first scheduled (June, 1942) meeting.

Final adjournment 1:45 p. m.

Respectfully submitted,

C. W. Sickles

Secretary-Treasurer

Dear Sir and Brother:

February 3, 1942, was "Navy Night" with Local No. 17 at Chicago. The entire membership, many of whom were on jobs hundreds of miles from our city, responded to the special call, all of them receiving traveling time and transportation from our employers in order that they could make the meeting.

This special meeting was arranged by International Vice-President Hugh E. Mulligan, our Business Agent, for the purpose of having the membership listen to Lieutenant Commander Robert Twyman, of the Great Lakes Naval Training Station, situated at Waukegan, Ill., outline the need for skilled workmen under Naval supervision at Pearl Harbor.

This occasion found the main hall of the Engineering Building lavishly decorated with our National colors and the dais massed with flags. Over the speaker's chair spread a twelve-foot bronze American Eagle.

Professor Mullaney (who played at our last two Convention dances) and his orchestra furnished the music to which our membership opened the meeting by standing and singing the National Anthem and during the evening with other patriotic songs befitting the occasion.

As International Vice-President Mulligan entered the hall followed by Lieutenant Commander Twyman, President Mullaney and Mr. Biddle, a representative of the United States Civil Service Commission, they were greeted by the strains of "Anchors Aweigh," after which International Vice-President Mulligan took the chair and introduced Lieutenant Commander Twyman. The latter stressed the urgent need for skilled Mechanics in general and twenty-five Asbestos Workers in particular at the Naval Base at Pearl Harbor.

The Civil Service requirements necessary for those wishing to go were outlined by Mr. Biddle.

President Mullaney then re-told the story of Pearl Harbor as he heard it from the lips of Admiral Ben Moreell who addressed a gathering of the Presidents of all Labor organizations affiliated with the Building and Construction Trades Department at Washington, D. C.

Then International Vice-President Mulligan, who yields to no one in his devotion to his country, its institutions and traditions and who proved it by volunteering and serving overseas in the World War to the end being mustered out as a Sergeant, made a stirring appeal for volunteers for work at Pearl Harbor to which thirty-six immediately responded.

After the meeting in commenting to reporters whose papers, one of them being the Chicago Examiner, carried the story the next day, Lieutenant Commander Twyman said, "Never have I witnessed such a display of patriotic enthusiasm as evidenced by the membership of this Union. These lads felt it a privilege and honor to be selected. International President Mullaney came from Washington for the special meeting. This display of genuine Americanism was inspiring."

I am mailing you under separate cover a photograph which I trust will be in our next Journal issue along with this communication.

Our membership going to Pearl Harbor, after meeting the requirements of the United States Civil Service Commission, will be notified from

which port they will embark. They will receive a wage rate of $1.18 per hour commencing on the day they sail, which is in strong contrast with our wage rate of $1.70 per hour to say nothing of the "overtime" which they leave behind them with their homes in order to give a helping hand to Uncle Sam.

The Local starts them off with its best wishes and $100 apiece. While away they will be exempt from dues and their per capita will be paid by the Local. Local No. 17 has several of its members now in the Service, each of whom received $25 from the Local when leaving and in addition will receive $10 monthly for the duration.

Local No. 17 has also pensioned "Bob" Stevenson, the beloved Dean of its membership, at $50 per month.

Our membership for some time has been steadily employed and work for the future looks bright.

Dear Sir and Brother:

Our International President Mr. Joseph A. Mullaney honored us with a visit last week and fortunately was able to attend one of our regular meetings and aid us immeasurably from his vast store of knowledge. We here have been able to take some direct action on many things pertaining to the business which heretofore have been a source of constant irritation.

We in Buffalo, Local No. 4, wish to take this opportunity to publicly thank Brother Mullaney and to extend a cordial invitation to return at an early date.

Fraternally,

REPORT OF THE
SECRETARY-TREASURER

Washington, D. C., March 31, 1942

To the Officers and Membership, Affiliated Locals,
Greetings:

The activities of your Secretary-Treasurer away from the General Office during the past quarter, in accordance with instructions of President Mullaney, began at Connecticut and attendance at a special meeting of Local No. 33 at which time the Local was advised as to policy and procedure recommended by the General Office, as affected the Local's problems which justified the calling of this special meeting.

The activities of your Secretary-Treasurer away from the General Office, in addition to the above, are thoroughly covered in the report of President Mullaney and any further reference to same in this report would only constitute repetition.

Your General Office finds itself confronted with more than its share of activities these days in cooperating with the many Defense Agencies of our Government, whose headquarters are located in the Nation's Capital, including the War and Navy Departments, Maritime Commission, War Production Board, etc., and our affiliated Local Unions can greatly assist both their Government and the General Office by keeping the General Office up to date on any and all trade activities within the Local territory which would warrant being called to our attention.

Fraternally yours,

C. W. Sickles

Secretary-Treasurer

MINUTES OF MEETING OF CALIFORNIA STATE CONFERENCE OF ASBESTOS WORKERS

Fresno, Calif., March 8, 1942.

The regular quarterly meeting of the California Conference was held on March 8, 1942, at the Fresno Hotel, Fresno, Calif.

The meeting was called to order by Vice-Chairman Don MacIntosh, in the absence of Chairman W. R. Michener, and the following members were present: Don MacIntosh and L. M. Russell of Local No. 16 at San Francisco, Henry Lee and Henry Thompson of Local No. 5 at Los Angeles.

Minutes of the last regular meeting, held at Hotel Clark, San Francisco, were approved as read.

In the absence of our Secretary, Oran Lieb of Local No. 70, no correspondence or financial statement was given.

Nominations for office was the next order of business, and the following members were elected: Don MacIntosh, President, Local No. 16; L. M. Russell, Vice-President, Local No. 16, and Henry Thompson, Secretary-Treasurer, Local No. 5.

Delegate MacIntosh suggested that the Secretary write a letter of invitation to Local No. 73, at Phoenix, Ariz. for delegates to attend our next regular meeting to be held June 7, 1942 with designation of meeting place determined by their compliance.

Delegate Lee suggested that the Secretary write to Brother Jack Tuttle of Local No. 28, Denver, and Brother A. M. Bullough of Local No. 69 of Salt Lake City, expressing our desire to cooperate with these neighboring states in every way possible, thereby insuring our Brothers the most possible working hours during this critical time.

It was the general opinion of the Delegates present, that there was a definite need for a closer cooperation among the Locals west of the Rockies, which can only be made possible by having a Vice-President on the Pacific Coast.

To carry out the duties of this office would not take a great deal of a member's time during the course of a year, and the International could set a maximum amount to be expended for such duties.

It was reported by Delegate Thompson that Local No. 5 at Los Angeles had completed their wage increase, and were receiving $1.50 per hour for Journeymen with proportionate increases for Improvers.

It was the consensus of opinion among the delegates present that California would really welcome some active, experienced Asbestos Workers.

This year, of all years why not do your duty by combining business with pleasure, take a restful train ride, work a few weeks, eat some of our Florida grapefruit, and oranges, and go back feeling like "Superman." Anyone interested in coming out please write the Secretary of the California State Conference.

Respectfully submitted,

HENRY THOMPSON,
Secretary.

MINUTES OF MEETING OF NEW YORK STATE CONFERENCE OF ASBESTOS WORKERS

Syracuse, N. Y., March 25, 1942.

The regular quarterly meeting of the New York State Conference of Asbestos Workers was held in the Onondaga Hotel, Syracuse, N. Y., March 14, 1942.

The Meeting was called to order at 10:00 A. M. by Vice-President, B. F. Beikirch, and the following delegates reponded to the roll call:

J. Farrell, Local No. 4, Buffalo, N. Y.
George Rider and P. O'Connor, Local No. 12, New York, N. Y.
B. F. Beikirch, Local No. 26, Rochester, N. Y.
P. J. McCormick and Wm. Moonan, Local No. 30, Syracuse, N. Y.
J. C. Fallon, Local No. 40, Albany, N. Y.

Bills were read and upon motion were ordered paid.

The minutes of the last meeting were read and upon motion were ordered approved.

Delegate Farrell, newly elected Business Agent of Local No. 4, Buffalo, N. Y., reported that conditions are very good in the Buffalo area. All men are working and have an additional six Plasterers helping out during this rush period.

There is a considerable number of jobs coming along, among them being a large T.N.T. Plant, a huge addition to the Bell Aircraft, and a large job at the Buffalo General Electric Co. to come along soon.

Delegate Farrell also stated that Local No. 4, has requested its employers for an increase in wages and board and asked the State Conference for its support during these negotiations. This support was granted.

Delegate O'Connor of Local No. 12, New York City, stated that one-third of the Local membership were employed on Building Trades work, one-third one Marine work, and the remaining one-third are at work in other localities throughout the country. He also stated that by June 1, 1942 all general construction work will be at a standstill in New York City and for the past three months work in the shipyards has improved considerably.

The prospects for future work are very poor and there is very little Defense work in the New York City area.

Delegate Beikirch, of Local No. 26, stated that 40 per cent of the Local is working in Rochester and the remainder working in other localities

Published by AsbestosClaims.Law
asbestosclaims.law/library/21451/25

throughout the country. He stated that the picture in Rochester is decidedly different than in other localities because there is no Defense work whatever with the exception of the Kandaia job which is being done by Syracuse men.

The prospects for future work are good with the possibility that 50 per cent of the Local will be kept busy for about six months.

He also stated that Local No. 26 has requested their employers for an increase in wages and board and asked for the support of the conference. This support was granted.

Delegate Beikirch remarked that to date he heard nothing from the Corning Glass Company regarding the settlement of the $4,200 wage loss sustained by the membership of Local No. 26 when the Corning Glass Company removed them and had them replaced by non-Union men on a new piping job in its plant.

Delegate McCormick, of Local No. 30, Syracuse, N. Y., stated that 60 per cent of its members are working in Syracuse and the remainder are working in Rochester and Albany, N. Y. The prospects for the future are excellent and in a few weeks Local No. 30 will be very busy. The Rome Airport job is expected to start soon, but at present there is a controversy with the contractor regarding the execution of the insulation work.

He stated there are several new projects contemplated in the Syracuse area including a new $10,000,000 plant by the General Electric Co.

Delegate McCormick stated that Local No. 30 has requested its employers for an increase in wages and board and asked the support of the Conference. This request was granted.

Delegate Fallon reported that conditions are excellent in the Albany area and prospects for future work are good. There is a considerable number of men at work in Albany from other Locals in the State and it looks as though these men will have work for some time to come.

International President Mullaney gave the delegates a short talk on trade conditions.

Delegate McCormick complained of certain conditions existing on the Kandaia Munitions Dump. President Mullaney advised on same.

Vice-President Beikirch declared nominations for Conference Officers were in order. He vacated the Chair in favor of International President Mullaney, after which the following officers, without opposition, were unanimously elected:

B. F. Beikirch, President; P. J. McCormick, Vice-President; John C. Fallon, Secretary-Treasurer.

President Mullaney vacated the Chair in favor of Brother Beikirch, the newly elected President who, finding no further business before the Conference declared adjournment at 3 p. m.

Respectfully submitted,

Delegate James Dunn, Local No. 43, reported all members working with a few out on Traveler. Some overtime was enjoyed by the membership during the quarter. The immediate future looks very good with a number of industrial plant expansions and housing projects due to break soon.

Delegate then reported on question of Local wage rates by various State and Federal Agencies, and of immediate filing of copies of Agreement with them.

Delegate John W. Hoff, Local No. 6, reported membership very busy during the past quarter and had used numerous Plasterers to augment our own organization. A large volume of work is yet to be completed in shipyards, industrial plants and housing projects with more contemplated for the future. Members are enjoying quite a bit of overtime with the bulk of it going to those employed in shipyards.

Delegate reported further on successfully negotiating a new Agreement as outlined in minutes of last Conference meeting with same going into effect May 1, 1942. Copies are promised Conference Delegates for their files.

Delegate reported also on Local No. 6 assisting Home Insulation Local No. 6-B in signing another shop to an agreement.

Delegate closed his report by enumerating the large Defense Projects now under construction and several contemplated which bodes ill-will to the Axis.

Delegates Andrews and Gaspic, Local No. 33, reported whole membership working since last Conference meeting, with Travelers from Locals No. 12 and 91 still on with some fifteen Plasterers and Permit men. Local now has eight members out on Traveler in various parts of the country.

Delegates reported further on jobs under construction and enumerated the Power Plant additions, Industrial expansions and Housing Projects the membership has to look forward to. School additions are now under construction in conjunction with Housing and more are contemplated.

A general discussion on members leaving Home Locals, where work is plentiful, for other territories was brought forward by Delegate Hoff. All delegates reported having like trouble, with Employers complaining of

the injustice in having to replace these men with unqualified workers. Delegates unanimously agreed members should be urged to stay with Home Local and are of the opinion the intent of the Traveler Card is to give a member a chance at employment elsewhere when he is unemployed at home.

Delegates also discussed the problems of this great nation and urgently request all members to do their part by buying Defense Bonds and Stamps.

International Vice-President John W. Hoff was called upon for comment and proceeded to give the delegates the high lights of the General Executive Board annual session and delegates concurred with suggestions of the Board.

With no further business and upon motion meeting was adjourned at 1:45 P. M. with delegates unanimously acclaiming that New England is 100 per cent all out for Defense.

Respectfully submitted,

JOHN A. GASPIC,
Secretary.

MINUTES OF MEETING OF PACIFIC NORTHWEST CONFERENCE OF ASBESTOS WORKERS

Chehalis, Wash., March 16. 1942.

The regular semi-annual meeting of the Pacific Northwest Conference was held Saturday, March 14, 1942, in Chehalis, Wash.

Delegates present were: Bros. C. H. Roland and J. W. Geisler, Local No. 36, Portland, Oregon; Bros. L. P. Thompson and M. C. Dodds, Local No. 7, Seattle, Wash.; Bro. G. E. Carr, Local No. 50, Tacoma, Wash.

In the absence of the President the meeting was called to order at 1:00 P. M. by the Secretary. Bro. J. W. Geisler was regularly elected as President and proceeded to take charge of the meeting.

The minutes of the last meeting were read and approved.

Delegate Geisler, Local No. 36, reported that shipyard in Portland was progressing at a good clip. Everything now going smoothly at the Oregon-Washington Yards. The new Kaiser yard at Vancouver, Washington, is progressing nicely. May have a little trouble there, but think things will work out all right. The wage scale is now $1.51½ per hour.

Delegate M. C. Dodds, Local No. 7, reported the Destroyers being built by the Tacoma-Seattle yard in Seattle were moving right along. The first one to be launched on March 17. He reported that a man by the name of Grover C. Wick had been trying to force his way into Local No. 7. The wage scale is $1.51½ per hour.

Delegate G. E. Carr, Local No. 50, reported work a little slow at the present time. The Tacoma-Seattle yard in Tacoma is slow in getting started. Wage scale $1.50 per hour.

Published by AsbestosClaims.Law
asbestosclaims.law/library/21451/29

The labor supply in the three cities was discussed. It seems that there is now a good supply of fairly trained men and there should be no trouble in supplying the demand. There have been a few instances where the Plasterers have disregarded the working rules as laid down by the Asbestos Workers. It has been necessary to penalize them by not allowing them to work. It was decided that each Local would keep the others informed on this matter.

Because of Mr. Grover Wick's notorious non-Union activities over a period of twenty-five years it was decided that he should be given all possible publicity in the minutes of this Conference. We feel that he would be a detriment to any Local. He is at the present time on the unfair list of the Tacoma and Aberdeen Building Trades Councils, placed there by Local No. 50. There is ample record of his activities.

There was considerable discussion on glass insulation. Locals No. 7, Seattle, Wash., and No. 36, Portland, Oreg., reported they were not doing glass insulation. Local No. 50, Tacoma, Wash., reported that since it comes under the heading of insulation they were going to control the work with the shops furnishing proper equipment to guard the health.

There being no further business to come before the meeting the President declared the meeting adjourned at 5:00 P. M. The next meeting to be held in Chehalis, Wash., on Saturday, September 12, 1942.

Respectfully submitted,

G. E. CARR,
Secretary.

Also asked about paying Improvers Mechanic's wages, which was explained by our International President Mullaney and Secretary-Treasurer Sickles that Improvers cannot be classified as Mechanics until they qualify for such classification in accordance with the rules and regulations of our International Association.

Brothers H. J. Branton and H. M. Hoffman, Local No. 48, Atlanta, Ga., report all members working and some Plasterers, with the future looking good. One large Bomber Plant near Atlanta, that will be ready to start work on about May or June, will need a lot of Travelers.

Brother F. S. Finley, Local No. 90, Memphis, Tenn., reports plenty of work and wage rate $1.50 per hour.

Brothers R. W. Quattlebaum and A. T. Butler, Local No. 92, Columbia, S. C., report plenty of work, but having a lot of trouble with Poe Piping and Heating Co. on the Camp Gordan job, Augusta, Ga.

Brother J. W. Sparks, Local No. 96, Savannah, Ga., reports that they have two shipyards and plenty of work.

It was voted by the Delegates of the Conference that the next meeting be held at the Henry Grady Hotel, Atlanta, Ga., the first Saturday of June, 1942, at 10 A. M.
