REPORT OF THE GENERAL PRESIDENT

Columbus, Ohio, January 3, 1943.

To the Officers and Membership, Affiliated Locals

Greetings:

The activities of your President during the past quarter began October 5th at Toronto, Canada, where he and your Secretary Sickles represented our International Association as delegates to the American Federation of Labor Convention which opened at the Royal York Hotel. The proceedings were carried on in a heavy war atmosphere with all-out support pledged to the Allied program. The speakers on our side of "the line" included Robert Patterson, Assistant Secretary of War; Clark H. Woodward, U. S. Navy; Roane Waring of the American Legion; U. S. Senator James J. Davis; Wendell Lund and Lessing Rosenwald of the War Production Board; and the speakers from Canada included Lord Barnby, British House of Lords; W. L. Mackenzie King, Prime Minister of Canada; Humphrey Mitchell, Minister of Labor for Canada. Fraternal delegates representing British and Canadian Labor were: Jack Tanner, Arthur B. Roberts and Donovan Swailes.

President Green and his official family were re-elected and the city of Boston chosen for the 1943 convention.

While at Toronto your President attended a meeting of Local No. 95 and a conference with our Toronto employers, who agreed to adopt the Collective or "Joint Trade Board" form of agreement.

After the adjournment of the convention your President visited Buffalo and with Business Agent Farrell held conference with the officials of the Laco shop of Jamestown. This conference, held in the office of Mr. Sapp, representing the Carey Company, adjourned with the understanding that the Laco shop would later make answer to certain charges of Joint Trade Agreement violation. Then came a meeting of Local No. 4, where your President heard and passed judgment upon charges of Rochester Local No. 26 vs. Fred Pask and Fred J. Pask of Local No. 4, Buffalo, N. Y. Decision elsewhere in this Journal.

The next trip was to Dayton, with Secretary Sickles, where the books of Supervisor Yount were audited and its charter rights restored as of January 1, 1943, when an election of officers will take place.

Then, with Secretary Sickles, represented our International at the funeral services and interment of Mrs. Annie Meany, the mother of George

Meany, Secretary-Treasurer of the American Federation of Labor, and whose husband as a Business Agent for the United Association worked together with your President in the olden days when he represented our New York Local No. 12 as their Business Agent.

Next came Albany, and the annual gathering of New York State Federation of Labor affiliates, whose delegates voiced their sentiments in re: the Labor program to be presented to the State Legislature for 1943.

Then came Wilmington, and regular session of the Middle Atlantic States Conference of Asbestos Workers. This session was followed by a dinner at which Local No. 42 played host and later entertained the delegates with a showing of film shots taken in war zones of the Pacific. Secretary Sickles attended this Conference with me.

Washington next and work for several days at the General Office.

Syracuse was next in line and attendance at the regular quarterly session of the New York State Conference of Asbestos Workers.

Back to Washington and further attention to the ever increasing activities in the General Office.

Next came Columbus and with Secretary Sickles a session of the Central States Conference of Asbestos Workers at which time your President advised the delegates on matters pertaining to the general betterment of our craft life. Later came a conference with President Rooney and Secretary McDonough of the Plasterers' International.

Work continues to pile up.

Season's Greetings to all, with wishes for a victorious war ending in 1943.

Fraternally,

Joseph A. Mullaney

President

Dear Sir and Brother:

I have just finished reading my copy of the October Journal and, having read it thoroughly, I wish to state that it is truly warming to the heart to read of the "all-out" effort the Asbestos Workers are making and the splendid way in which all are entering into the purchase of War Bonds and Stamps.

We men in the Service greatly appreciate this effort and feel much more confident in knowing we are so well backed by organized labor.

We must all give our utmost in order that we may defeat the Axis powers.

May I borrow six words from history? "United we stand; divided we fall."

Brothers, you do your part and we will do ours—together, we can't fail.

Fraternally yours,

Dear Sir and Brother:

I recently had the pleasure of making a long trip with my family to Sioux Falls, S. Dak., to visit my son, who is connected with the U. S. Air Corps. We spent a month in the city.

While there, I made myself useful by working at the trade through the fine cooperation of President Merlin Tobey, of Local No. 57, Sioux City, Iowa, who as steward on the job "Army Camp" saw that I was placed.

Words alone could never express my true appreciation to him and Pete Morgan, who later became steward on the job, for making my short stay in Sioux Falls pleasant in more than one way.

I'm only hoping for the time to repay these boys if they ever come to the good old Eastern Coast of New England.

Fraternally yours,

ABE GOLDBERG,

Dear Sir:

Local No. 4, Buffalo, N. Y., on November 28th participated in one of the greatest demonstrations of a patriotic nature ever held for and by a group of Building Tradesmen.

On the Saturday night of November 28th, the Building and Construction Trades Council of Buffalo and Vicinity sponsored a "VICTORY DANCE, FLOOR SHOW AND BOND AND STAMP SALE" with the purpose in mind to obtain enough purchases for cash to purchase and donate to the Government a bombing plane.

The writer, as chairman of the Bond Committee, would like very much to

report the sale of Bonds and Stamps was far in excess of this amount. WE PURCHASED $700,000 IN BONDS AND STAMPS IN ONE NIGHT. The Asbestos Workers and their friends purchased over FORTY THOUSAND DOLLARS WORTH. Our Asbestos Contractors made very sizable buys in excess of $10,000 on that night.

Every Asbestos Worker of Local No. 4 attended with his family and all made purchases. These buys were all in addition to the regular amount set aside by the individuals for weekly investment as asked by our Government.

Local No. 4 is very proud of its record in connection with this work and awaits only another opportunity to again go all out for our boys in the service.

We will certainly appreciate your using this in our next Journal edition; probably some of the sister locals can start something in their Councils.

Yours for bigger and better Bond Rallies.

Fraternally,

JACK FARRELL,

To the Officers and Membership, Affiliated Locals
Greetings:

The activities of your Secretary-Treasurer away from the General Office during the past quarter, in accordance with instructions of President Mullaney, began at Toronto, Canada, where together with President Mullaney represented our International Association at the annual convention of the American Federation of Labor.

On the return to the General Office came stop-off and day spent with Business Agent Farrell of Local No. 4, Buffalo, N. Y.

Then to Newark, N. J., and represented our International Association at the funeral services and interment of Brother Fred Scholl, Business Agent for the United Association and President of the New Jersey State Building and Construction Trades Council. Local No. 32 was represented by President Reese and Business Agent Roche.

Next to Richmond, Va., and conference with Business Agent Brooks and Brother John Joinville of Local No. 88. Then together with Business Agent Brooks to Norfolk, Va., and conference with officers of Locals No. 9, Norfolk, and Portsmouth, Va., and No. 52, Newport News, Va., as an outcome of which, by action of the General Executive Board, the charter of Local No. 52 has been officially revoked and the territories formerly covered by Locals No. 9 and No. 52 are being reorganized in two separate Locals—one to have jurisdiction over the Navy Yard exclusively and the other outside Local to have jurisdiction on all work outside the Navy Yard.

Then, together with President Mullaney, to Dayton, Ohio, and conference with Supervisor Yount, followed by special meeting of Local No. 79 called by President Mullaney for the purpose of terminating the period of suspension and International supervision of this Local Union.

Next to New York City and together with President Mullaney represented our International Association at the funeral services and interment of Mrs. Annie Meany, mother of George Meany, Secretary-Treasurer of the American Federation of Labor.

Then came Boston and the regular quarterly session of the New England States Conference of Asbestos Workers, minutes of which appear elsewhere in this issue. The evening found your Secretary-Treasurer as guest of Local No. 6 at their annual pre-Christmas "smoke talk."

Next, together with President Mullaney, to Columbus, Ohio, and meeting of the Central States Conference of Asbestos Workers, after adjournment of which came conference with President Rooney and Secretary McDonough of the Plasterers' International.

With the Season's Greetings,

Fraternally yours,

NOTICE

All plasterers employed as "emergency Asbestos Workers" much "clear in" to the respective Plasterers' Local Union having jurisdiction over the project on which they are employed.

This will make sure that all plasterers secured in this manner are in good standing in their International Association.

This procedure is the adopted law of the Plasterers' International Association and should not be objected to by any of their membership or such of our employers seeking their services.

Shorter Work Hours Prolong Life

"What do workers do with the extra hours they have gained for themselves by reducing the work-week?" That question is frequently asked by cynical critics of the labor movement, some of whom have insisted that workers spend their free time in dissolute living. They got their answer from the International Typographical Union, a pioneer in the fight to shorten hours.

"We have added them to our lives," declared a report of the "Typos'" international officers just sent to the membership, and it proves the point in the most dramatic fashion.

The union's mortality records are perhaps the most reliable in the country. It has been paying death benefits ever since 1850—and, of course, it has noted the exact age of each member who died.

It is revealed that in 1850 printers worked 12 hours a day and their average age at death was 28 years.

In that year New York Typographical Union was founded by Horace Greeley, its first president, and the union cut the working hours to 11, and by 1868 printers were dying at the average age of 35.

By 1893 the working hours had been reduced to 10 and printers were living to the ripe old age of 38.78 years.

In 1905, after nearly six years of the nine-hour day, the union paid benefits to dependents of members who died at the average age of 46.48 years.

In 1920, after 14 years of the eight-hour day, which became effective in 1906, the average age at death of union printers was 53.17 years.

In 1932, after 11 years of the 44-hour week, the average age at death was 61.10 years.

In 1942, after nearly 10 years of the 40-hour week, the average age at death was 64.87 years.

"The boy of 1850 started to learn printing trade at 14 years of age and died at 28," the report says. "At 12 hours a day, he gave 50,400 hours of labor to his employer—and then he died. The boy of 1942 starts his trade at 16 and may look forward to giving 49 years of production before he dies at 65.

"At 40 hours a week, with two weeks' vacation with pay, the employer gets 98,000 hours of labor. In cutting the hours from 72 to 40 a week, the printer has gained 37 years of life for himself, and society has gained an increase of 47,600 hours of production from each of 80,000 union printers."

The report makes the flat claim that Americans are living longer (as well as better) largely as a result of the efforts of the labor movement to improve hours and working conditions. Its figures overwhelmingly support that claim.

Green Denounces NLRB Complaint Against Kaiser as "Axis Victory"

Charges Board's Unjustified Action Against Shipyard Owner Will Cause Bitterness and Hurt Production.

AFL President William Green denounced the action of the National Labor Relations Board in issuing a complaint against three Henry J. Kaiser shipyards on the West Coast as "the outstanding Axis victory of the month."

"Henry J. Kaiser," Mr. Green declared, "is unquestionably one of the most decent employers in America. He treats his employees and the trade unions that represent them with utmost fairness. Labor-management cooperation in the Kaiser shipyards constitutes one of the outstanding achievements in progressive industrial relations of this country. The result has been record-breaking production, the kind of production America needs to win this war.

"Now the National Labor Relations Board accuses Mr. Kaiser of unfair labor practices and threatens to destroy as fine a relationship between employer and employee as exists anywhere in the world.

"The basis of the NLRB complaint is the fact that Mr. Kaiser signed a closed shop contract with 16 AFL unions before any appreciable number of employees was hired in these three shipyards.

"If such a contract is illegal or reprehensible, then every construction firm in the United States and the Government itself stands indicted by the National Labor Relations Board.

"How were all our new Army camps, Naval training stations and airfields built? Government agencies or private contractors working for the Government signed agreements with AFL unions to supply the men to do the work. It was done efficiently and in record-breaking time.

"By signing a similar agreement with a group of metal and building trades unions affiliated with the American Federation of Labor, Mr. Kaiser followed an immemorial, efficient and completely legal trade practice. The results in his shipyards speak for themselves.

"But these considerations apparently were ignored by the National Labor Relations Board, just as it seems to have ignored the fact that there is a war on.

"If the board in its amazing detachment from reality and actuality finds its own complaint justified, it will then attempt to invalidate the American Federation of Labor's contract with Mr. Kaiser and call for an election among his employees.

"Thus union rivalry, bitterness and discord will be substituted for harmony and peaceful relations among the workers in these shipyards. Production will be detrimentally affected. Hitler will be the only gainer.

"The American Federation of Labor is determined not to let this happen for the protection of the nation's interests as well as the interests of its own unions. We will carry our protests to the highest officials of our Government, and if this is unavailing, we will go to Congress and ask for legislation which will throw the present incompetent, unfair and unrealistic administrators of the National Labor Relations Act out of office."

MINUTES OF MEETING OF NEW YORK STATE CONFERENCE OF ASBESTOS WORKERS

Syracuse, N. Y., December 12, 1942.

The regular quarterly meeting of the New York State Conference of Asbestos Workers was held in the Onondaga Hotel, Syracuse, N. Y., December 12, 1942.

The meeting was called to order at 10 a. m. by Vice President P. J. McCormick and the following delegates responded to the roll call:

J. H. Farrell, Local No. 4, Buffalo, N. Y.; Geo. Rider, Local No. 12, New York, N. Y.; Patrick O'Connor, Local No. 12, New York, N. Y.; Chas. Callahan, Local No. 30, Syracuse, N. Y.; P. J. McCormick, Local No. 30, Syracuse, N. Y.; J. C. Fallon, Local No. 40, Albany, N. Y.

International President Joseph A. Mullaney was also present at this meeting.

Bills were read and upon motion were ordered paid.

The minutes of the last meeting were read and upon motion ordered approved.

Delegate Farrell, of Local No. 4, Buffalo, N. Y., reported that conditions are very good in the Buffalo area with all men employed and a few additional Plasterers also working.

Local No. 4 had an election of officers recently and there being no opposition the present slate was reelected for the ensuing term.

Delegate Farrell also reported that he had some experience with a non-union pipe coverer from New York City by the name of John Belanich, a former member of Local No. 12, and a very brazen individual who usually claims to be a Union man but is unable to produce proper credentials.

Delegate Farrell also stated that it would be an excellent practice to ask all travelers to produce their Union Card.

Delegate O'Connor, of Local No. 12, New York City, reported that everyone is working and all are busy with a few Plasterers helping out during the rush.

He stated that activity in the construction field has slowed down considerably and the boat work remains about normal.

Delegate O'Connor wished to take this opportunity to thank the Conference for its support in the past and wished to extend the Season's Greetings to the Delegates and their Locals.

Delegate Farrell brought Season's Greetings from Delegate Beikirch, of Local No. 26, Rochester, N. Y., to the Delegates and their respective Locals.

MINUTES OF JOINT MEETING OF PACIFIC NORTHWEST AND CALIFORNIA STATE CONFERENCES OF ASBESTOS WORKERS

Klamath Falls, Oreg., November 8, 1942.

A joint meeting of the Pacific Northwest and California Conferences was held at Klamath Falls, Oreg., on November 8, 1942, for the purpose of consolidating the area.

This action resulted from a meeting held in Portland on August 16, 1942, when all Locals expressed their willingness to cooperate with each other for the betterment of conditions in general.

The Western Asbestos Locals have many times their membership at work on permit from the Plasterers, Cement Finishers, and Upholsterers, A. F. of L. trades.

Published by AsbestosClaims.Law
asbestosclaims.law/library/21454/24

Following the procedure of our previous joint meeting, Brother Joe Geisler, of Portland, was appointed temporary Chairman, with the following delegates in attendance: Henry C. Lee and Henry H. Thompson, of Los Angeles, Local No. 5; Oliver H. Gagner, of Seattle, Local No. 7; L. M. Russell and W. N. Mardilla, of San Francisco, Local No. 16; Jack Tuttle, of Denver, Local No. 28; J. W. Geisler and Walter Wetle, of Portland, Local No. 36; Z. L. Wade, of Tacoma, Local No. 50; A. M. Bullough, Salt Lake City, Local No. 69; Edgar J. Monk, of Vallejo, Local No. 70, and L. E. Kendrick, of Spokane, Local No. 82.

Each Delegate was called upon to speak in behalf of his Local concerning the forming of a Conference representing the entire area, and everyone spoke in wholehearted support of the plan and the need for this unity.

A motion was made that nominations were in order for the selection of officers. Motion carried, and the following officers were elected: President, Z. L. Wade, Tacoma, Local No. 50; Vice President, Henry C. Lee, Los Angeles, Local No. 5; Financial Secretary and Treasurer, Oliver H. Gagner, Seattle, Local No. 7; Recording Secretary, Henry H. Thompson, Los Angeles, Local No. 5.

Brother Wade, upon taking the Chair, appointed Committees to adopt rules governing the action of this Conference.

Upon report of the Committee on Constitution and By-laws the following was adopted: The new Conference, upon approval of the International, would be known as the Western States Conference.

Meetings would be held semi-annually, on the second Sunday in June and December, with regional meetings held on the second Sunday in March and September.

Designation of meeting place will be arranged in advance by Locals involved.

It was ruled that all officers would be elected annually.

Travelers will pay dues to the Local in whose territory they work, which Local shall pay their per capita tax.

Upon report of Committee on Finances, it was ruled that each member would be assessed 50 cents, and further assessments only when found necessary.

An assessment of $1 per member be levied to cover expenses of General Convention Delegate to Cleveland, Ohio.

The Financial Secretary was instructed to contact International Secretary Sickles and secure needed stationery, books, and seal.

For many years Don MacIntosh has taken an active part in all our Conference meetings, which is directly responsible for the good will that exists among our Locals today. Brother MacIntosh is well known and liked by the Western Delegates, and all expressed a wish for his speedy recovery.

Brother Tuttle, of Denver, and A. M. Bullough, of Salt Lake City, met for the first time, and worked out various problems that have caused each some concern in the past.

As a result of this meeting, each expressed a desire to form a Rocky Mountain Conference, and invite Great Falls, Albuquerque and Phoenix to affiliate.

The distance traveled by these Delegates to attend this meeting is ample proof that we are all willing to make sacrifices for the betterment of our craft.

A luncheon was served at 1:30 p. m.; dinner at 7 p. m., and final adjournment at 1:30 a. m.

Respectfully submitted.

HENRY THOMPSON,
Secretary.
