REPORT OF THE GENERAL PRESIDENT

Elmhurst, L. I., June 30, 1943.

To the Officers and Membership, Affiliated Locals,

Greetings:

The activities of your President during the past quarter began with work at the General Office.

Next with Secretary Sickles to Louisville, Ky., where a conference was held with our employers and the officers of Local No. 51, at which time it was mutually agreed to adopt the "collective form" of Joint Trade Agreement which provides for the adjudication of all trade disputes by a Joint Trade Board. Later a meeting of Local No. 51 attended by your officers ratified the action of the conference and unanimously adopted the "collective form" of Joint Trade Agreement.

Then to Washington and work at the General Office.

Then came Chicago with Secretary Sickles and a conference with Vice-President Mulligan.

Later came Evansville with Secretary Sickles and President Rooney of the Operative Plasterers' and Cement Finishers' International Association and an open meeting of our Local No. 37 membership and plasterers engaged in our craft work. This meeting resulted in your President suspending Business Agent Cravens from membership in Local No. 37 pending trial by the General Executive Board. Your President in taking this action did so under authority of the General Executive Board granted him preceding the meeting.

Next came an appearance before the Wage Adjustment Board accompanied by Secretary Sickles and Mr. Hector M. Aring, Johns-Manville Sales Corporation; Mr. W. S. Acuff, Sr., Keasby & Mattison Company; Mr. G. S. Mann and Mr. E. E. Tanguy, Armstrong Cork Company; Mr. S. L. Stokes, Philip-Carey Mfg. Company; Mr. T. C. Carter, Eagle-Picher Sales Company; and Mr. John P. DuBois, Ehret Magnesia Manufacturing Company. On this occasion your President explained the provisions, wage rates and

territorial rights of our affiliated Local Unions under the International form of Joint Trade Agreement as recognized by the employers represented who, conservatively speaking, operate 95 per cent of all insulation work throughout the country under signed agreement with our Locals and pay the wage rate "at the source"; i.e., that of the nearest Local to the job.

Next came the funeral of Thomas J. Lyons, President of the New York State Federation of Labor, at New York City, at which your President represented our International Association and which was the largest funeral of a labor representative he ever saw or attended.

The next jump was to Philadelphia where, with Vice-President Hunter, a conference was held with the officers of Local No. 14-B on a then-existing grievance later satisfactorily settled. Next came a meeting of Local No. 14.

The next jump was to Toronto, Canada, and a conference with Business Agent Nicols and later a meeting of Local No. 95.

A stop-off at Buffalo, N. Y., and a conference with Business Agent Farrell.

The next jump was to Youngstown with Secretary Sickles, where a conference was held with Vice-Presidents Hennig and Dalton, followed by a meeting of Local No. 35.

Then on to Washington and work at the General Office.

Next, with Secretary Sickles, to Providence, R. I., and attendance at the regular quarterly session of the New England States Conference. On this occasion your President, Secretary Sickles and Vice-President Hoff gave a hearing to a committee representing Local No. 6-B, Boston, Mass., now under International Supervision.

Your President regretfully calls the attention of our membership to the passing of former International Secretary-Treasurer "Pete" Jessen who was one of the old guard whose efforts in the early days helped greatly in the molding of the organization we have today. He had been inactive for some years. Brother Jessen is survived by a daughter, Kathryn, and a son, Charles W., who is in affiliation with our Local No. 1, St. Louis, Mo.

The Smith-Connally Law is in no way intended to encroach upon the individual liberties of the worker who can as he chooses work upon or quit any job without having to make excuses or apologies to anyone. Our Locals will, of course, strictly adhere to our "no-strike" policy as entered into by all Government agencies and the Building and Construction Trades Department.

Fraternally,

Joseph A. Mullaney

President

For the Duration

The International Association will discontinue mailing our Official Journal to the individual membership.

Beginning with the October issue all Journals will be mailed in bulk to the Local Union Secretaries for distribution to the Local membership.

This change of policy has been made necessary by postal regulation requiring zone numbers of addressees and the large number of our membership at present on Travelers with no permanent addresses.

To the Officers and Membership, Affiliated Locals

Baltimore, Md., and meeting of Local No. 11 at which several issues affecting the Local were discussed and future policy and procedure determined, as also attendance at the regular quarterly meeting of the Middle Atlantic States Conference at Philadelphia, Pa., constituted your Secretary's activities away from General Office, except such trips in company with and covered by President Mullaney's report published elsewhere in this issue.

Activities at the General Office have been such of late as to make it necessary for your Secretary to refrain from traveling whenever possible.

Fraternally yours,

C. W. Sickles
Secretary-Treasurer

Craft Notes

The Johns - Manville Pittsburgh Home Insulation Branch and Local No. 2-B recently jointly petitioned the Regional War Labor Board office in Philadelphia for an increased wage rate under the "Little Steel" formula. This was done under the "wage inequality" clause in order to raise the wages of the Local No. 2-B membership to the level of Local No. 14-B, Local No. 32-B and Local No. 6-B. This appeal was heard by the Philadelphia Regional War Labor Board and was denied without any wage increase. The case has been appealed for rehearing. In this instance the Local received no wage increase since January 1st, 1941.

Labor statistics now show increased cost of living of 24% since January 1st, 1941. This is 9% in excess of the 15% "Little Steel" formula. If the promised "Roll Back" in the cost of living fails to materialize in the very near future you may expect a crack up of the Stabilization Agreement right down the line.

The Smith-Connally Law is not intended to force the workers into involuntary servitude. You can work on any job or quit work on any job as you see fit if you act as an individual.

FDR HAILS LABOR RECORD IN MESSAGE TO CONGRESS

Washington, D. C.—In a message to Congress accompanying his veto of the Smith-Connally Bill, President Roosevelt paid the following high tribute to labor:

"American labor as well as American business gave their 'no strike, no lockout' pledge after the attack on Pearl Harbor.

"That pledge has been well kept except in the case of the leaders of the United Mine Workers. For the entire year of 1942 the time lost by strikes averaged only five one-hundredths of 1 per cent of the total man-hours worked. The American people should realize that fact—that ninety-nine and ninety-five one-hundredths per cent of the work went forward without strikes, and that only five one-hundredths of 1 per cent of the work was delayed by strikes. That record has never before been equaled in this country. It is as good or better than the record of any of our allies in wartime."

Washington, D. C.

Dear Sir and Brother:

In the regular meeting, June 8, 1943, this Local Union instructed me to formally express to you the appreciation, admiration and respect of this entire membership.

I have reported to this local union, to the best of my ability, the events, actions, and personalities involved in the recent joint meeting in Evansville, Indiana. The fairness and wisdom of your actions in that meeting, and your lifetime record in the behalf of organized labor have aroused the spontaneous and wholehearted admiration of our entire membership.

As a very small token of that admiration we are presenting you with the enclosed plait of the finest dark fired tobacco grown in Calloway County and Western Kentucky.

May we, of this generation, hope to be able to continue the successful fight for organized labor that you have so well fought.

Sincerely and fraternally yours,

JAMES E. STEWART,

Mr. C. W. Sickles,
Secretary-Treasurer,
International Association of Heat &
Frost Insulators & Asbestos Workers
211 Machinists Building
Washington, D. C.

Dear Mr. Sickles:

In these troublesome times we naturally expect many problems. Nevertheless we believe our industry is doing a worth-while job and making a valuable contribution to the War Program.

We feel that a great deal of credit for our performance to date is due to the fine spirit of cooperation shown by your organization and the men of your craft. We believe the large majority of men are conscious of their personal responsibility in this emergency and are willing and anxious to do their part in winning the war.

This attitude is no doubt due in large measure to wise counsel and good advice from you and other officials of your union.

When the war is won, I am sure we will all be proud of the fact that we did our part.

Assuring you of our desire to cooperate with you and labor in general, in attaining our common objective, we are

Very truly yours,

M. R. CARR,

TITLE 29—LABOR

PART 3—DETERMINATIONS RELATING TO OVERTIME, SUNDAY, AND HOLIDAY PAY

AMENDMENT OF DETERMINATION OF SEPTEMBER 30, 1942, ON PREMIUM COMPENSATION IN THE BUILDING AND CONSTRUCTION TRADES

On May 6, 1943, I requested the Building and Construction Trades Department of the American Federation of Labor, in the interest of the war effort, to agree to a limitation of the holiday provisions of the Wage Stabilization Agreement for the Building and Construction Industry in accordance with the principles of Executive Order 9210. This proposal was accepted on May 14, 1943, by the Building and Construction Trades Department which requested that my determination of September 30, 1942, be revised to make the holiday provisions of Executive Order 9240 applicable to the Building and Construction Industry and that Memorial Day be specified as the uniform sixth holiday in this industry.

NOW, THEREFORE, by virtue of the power vested in me by Executive Order 9248, it is ordered that the determination of September 30, 1942, on premium compensation in the Building and Construction Trades is amended to provide that, for the duration of the war, Paragraph I(B) of Executive Order 9240, which recognizes the following six holidays only: New Year's Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day, and Memorial Day and requires compensation at the rate of time and one-half for work performed on such holidays, shall apply to work on construction projects which is subject to the Wage Stabilization Agreement for the Building and Construction Industry provided that the clause in the Executive order permitting the substitution of one holiday of greater local importance than Memorial Day shall not apply to such work.

Dated: May 22, 1943.

(Signed) FRANCES PERKINS,
Secretary of Labor.
