REPORT OF THE GENERAL PRESIDENT

Washington, D. C., April 3, 1945.

To the Officers and Membership Affiliated Locals,

Greetings:

The activities of your President away from the General Office during the past quarter began at Newark, where he attended a conference between our "B" Employers and Local No. 32-B, represented by Business Agent Williams and Financial Secretary Bethel.

Next came Philadelphia and a conference between our "B" Employers and Local No. 14-B, represented by Business Agent Dillman and a committee.

The next trip was to Columbus, Ohio, with Secretary Sickles and attendance at the session of the Central States Conference of Asbestos Workers with Vice President Dalton presiding.

Next came Philadelphia and attendance at the session of the Middle Atlantic States Conference of Asbestos Workers.

The next jump was to Syracuse and attendance at the regular quarterly session of the New York State Conference of Asbestos Workers.

Then came the annual session of the General Executive Board at Washington, which found your President, Secretary-Treasurer and all International Vice Presidents in attendance.

Then came a meeting of Local No. 24 that found your President and the General Executive Board Members in attendance.

Next in line was Providence with Secretary Sickles and attendance at the session of the New England States Conference of Asbestos Workers.

The adjournment of this session found the Conference delegates the luncheon guests of Mr. Swanson, of the Rhode Island Covering Company.

Next came a meeting of Local No. 32-B, which found President Reiss and Business Agent Roche of Local No. 32 in attendance.

Next with Secretary Sickles to Atlanta, Georgia, and attendance at the session of the Southeast States Conference of Asbestos Workers, followed next day (Easter Sunday) by a special meeting of Local No. 48.

Then to Washington and the General Office, from which this report is submitted.

The minutes of the General Executive Board session, as also the minutes of the Conference sessions mentioned in your President's report, are printed elsewhere in this Journal issue.

In these days of restricted railroad transportation, our Conferences more than justify their existence by giving your President an opportunity to feel the pulse of our affiliated Local membership, and do first-hand justice to many subjects that need special attention and advice.

The Conferences also give your Secretary-Treasurer the opportunity to personally consult the officials of our affiliated Local Unions on matters that would ordinarly entail a series of communications between the Locals and the General Office.

Just before going to press a copy of the International Form Joint Trade Agreement, signed by the United States Heat and Frost Company and Local No. 4, Buffalo, N. Y., was received at the General Office.

Our volume of work, though tapering off, still finds some thousands of Plasterers and other building crafts tradesmen employed throughout the Country as "emergency Asbestos Workers."

Fraternally,

Joseph A. Mullaney

President.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

Following the instructions given me by the General Executive Board, the session of which I attended in Washington, I first stopped off on my homeward journey at Seattle, Washington, where I met with Business Agent Gagner. With Business Agent Gagner I visited the shops of our Seattle employers.

I next attended a Trade Board meeting that lasted four hours and cleared up many misunderstandings that existed between the Local and the various shops.

I then attended a conference between representatives of Local No. 7, Seattle, Wash.; Local No. 36, Portland, Oreg.; Local No. 50, Tacoma, Wash.; and Local No. 82, Spokane, Wash., at which Deputy Organizer Rowland Watson of the Plasterers' International was in attendance.

I next attended a special meeting of Local No. 7, Seattle, Wash., at which Business Agent Gagner tendered his resignation and was succeeded as Business Agent by Brother Arthur Harrigel.

The next thing was a visit to the Headquarters of the Thirteenth Naval District where, with Business Agent Geisler of Local No. 36, Portland, Oreg., Mr. E. E. Saberhagen of Chas. Brower & Co., I had a conference with Lt. Commdr. Homer Bergren and staff, which proved very satisfactory to all concerned as attested by the communication from Commdr. Bergren to the General Office, a copy of which I have received.

I next attended a special meeting of Local No. 50, Tacoma, Wash., and advised the membership on certain craft questions brought to my attention.

I then went to Portland, Oreg., where I met with various local labor officials, followed by a meeting with the Executive Board of Local No. 36, during which many problems were ironed out and Local instructed as to future procedure.

I next met with the Secretary of the Building Trades and the Delegates of the Council.

Next came a Trade Board meeting at which many problems of the craft were discussed and settled to the satisfaction of all concerned.

I then visited San Francisco and attended the regular meeting of Local No. 16.

I spent the next two days in visiting our various shops in company with President Don MacIntosh and Business Agent Dwyer.

Fraternally yours,

HENRY H. THOMPSON,
Vice President.

Dear Sir and Brother:

Am enclosing herewith photograph of our Local No. 48 member Brother James U. North, which the members of Local No. 48 would like to see published in the next April issue of the Asbestos Worker, together with this short article.

of age, was reported "Killed in Action" in western Germany, February 28, 1945.

He had only been overseas three weeks in the infantry, having been inducted in the Service August 1, 1944. Survivors are his wife and three small children, Tom 3, Don 2, Ann 10 months; his parents, Mr. and Mrs. T. B. North; four brothers, Sam L. North (owner of North Brothers, Insulating Contractor of Atlanta); Thomas N.; Lt. (j.g.) John W. North (on Withdrawal Card from Local No. 48, now stationed in Washington, D. C.) and Joseph P. (also on Withdrawal Card from Local No. 48 and at present on submarine duty in the Pacific). In addition he is survived by three sisters, Mrs. Gregory Cole, Atlanta; Mrs. H. R. Mills, Phenix City, Ala., and Mrs. J. S. Brummette, Palatka, Fla.

The death of Brother North will leave a void in the ranks of Local No. 48 which can never be completely filled and the Local extends deepest sympathies to his wife and family.

Fraternally yours,
H. M. HOFFMAN,
Business Agent, Local No. 48.

Salt Lake City, Utah,

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

Earlier this month I advised you that we had been notified that our member, Pvt. Frank Calegory, Jr., had been reported "Missing in Action." We have since been much relieved to learn that he is now officially reported a prisoner of war in Germany.

Am quoting the following printed in our local paper—self explanatory:

" 'We were so happy, no one could do anything. Why, I guess it's just about the best news we've ever had,' said Mrs. Mary Ranck, sister of Pvt. Frank Calegory, Jr., reported a prisoner of war of Germany after being missing in action since Dec. 21.

" 'We feared he was dead, but just Friday we talked about the possibility of his being alive for the first time. We hadn't dared until then. We received a card directly from him this morning — in his handwriting—mailed Jan. 9'."

Am forwarding under separate cover picture of Brother Calegory, which, I trust, you will find room to publish, together with this article, in the next issue of our Journal.

All of the members of Local No. 69 are praying for the early release of Brother Calegory, and that he may, in the near future, again be among the ranks working with the tools at his trade.

Fraternally yours,
C. G. WALTERS,
Secretary, Local No. 69.

Dear Sir and Brother:

It is with deepest regrets that we inform you of the death of two brother members of Local No. 32:

William Fitzgerald, Seaman first class

John Szikora, Private first class

This makes a total of three members of Local No. 32 who have been "Killed in Action" to date (including Brother James J. Mangin, Jr., whose picture was published in the July, 1943, Journal issue) and we sincerely trust there will be no further casualties among our members in the Armed Forces.

Brother Fitzgerald's wife was notified December 6 that he had been "Killed in Action" when his ship was hit off the Island of Formosa.

Brother Szikora's mother was notified January 10 that he had been "Killed in Action" in Germany.

Dear Sir and Brother:

Am enclosing herewith picture of Brother Howard E. Madison, who has been reported "Killed in Action" on the Western front, December 21, 1944.

The following is a quotation from the Norfolk Navy Yard publication "Speed Victory" which gives a brief history of Technical Sergeant Madison's affiliation with the Armed Forces:

> "Word has just been received that one of the first pipe coverers to be called in the Army back in 1941, was killed in action on the Western front on Dec. 21. Ts Howard E. Madison, formerly 37-709, was very well known in the repair "gang", and even though his stay in the Yard and shop was to be short lived, he made a great many friends, who regret his death. Employed exactly one year before being called in the Army, Madison was at the time of his death a Technical Sergeant in the Infantry, attached to an Ordnance outfit. He fell near Sarralbe, France."

The loss of Brother Madison to Local No. 9 will be keenly felt by his many friends and associates over the years during which we were employed together.

MINUTES OF MEETING OF NEW ENGLAND STATES CONFERENCE OF ASBESTOS WORKERS

Providence, R. I., March 24, 1945.

The regular quarterly meeting of the New England States Conference of Asbestos Workers was held Saturday, March 24, 1945, at the Biltmore Hotel, Providence, R. I.

Meeting was called to order at 10:30 a. m. by International Vice President John W. Hoff, Chairman pro tem.

Delegates present were International Vice President John W. Hoff, Local No. 6, Boston, Mass; Oscar Nelson and Axel Johnson, Local No. 31, Providence, R. I., James Dunn and Charles Hill, Local No. 43, Springfield, Mass., Marlin Recor and John A. Gaspic, Local No. 33, Connecticut.

President Joseph A. Mullaney and Secretary-Treasurer C. W. Sickles were also in attendance.

Brothers Patrick O'Connor and William Drislane, Local No. 43, Springfield, Mass., were also present.

Minutes of the previous meeting held in Boston, Mass., December 16, 1944, were read and approved.

The resignation of Brother Ernest Carlson as Conference President was read and accepted.

The matter of election of a new President was, ofter some discussion, laid over to the next meeting.

Secretary advised on receipt of, and compliance with, a Massachusetts Department of Labor questionnaire pertaining to organization listing in the Department directory. Hearing no objection, Chairman instructed same be noted in the minutes.

Business Agent Dunn, Local No. 43, Springfield, Mass., reported business for the past quarter as good, with the next quarter predicted the same. All members working steady, with but one permit man working in the territory.

He then enumerated the jobs throughout the Local jurisdiction which the membership had to look forward to.

Business Agent Dunn then reported on the up-to-date efforts of Local No. 43, Springfield, Mass., in securing a favorable joint wage increase petition signed by their Employers. Secretary Sickles then advised on the procedure to be employed in having the General Office assist toward the desired result.

Business Agent Gaspic, Local No. 33, Connecticut, reported business had been very good during the past quarter, with a majority of the membership working the 6-day week. Some shifting of men from shop to shop was necessary to give full employment, with both Employers and members cooperating to the fullest extent. A definite letup in work volume is noted, inasmuch as very little private work is available.

He then reported that several projects financed by the Defense Plant Corporation were in the offing, and requested advice on a question pertaining to a D.P.C. contract. Secretary Sickles instructed that all information be forwarded the General Office for further investigation.

He then reported that the Local Agreement expires within the next few months, and brought up the question of advisability of seeking a wage

increase. Secretary Sickles advised of the impossibility of consideration by the Wage Adjustment Board of an adjustment beyond the 15 per cent limitation as set by the "Little Steel Formula", which, in the case of Local No. 33, would be 1.5 cents per hour.

Business Agent Hoff, Local No. 6, Boston, Mass., reported there was still a large amount of work in the territory, although some 30-odd "emergency Asbestos Workers" were let go upon completion of a large hospital ship. Marine work is still on top of the list, although some other work, government and privately financed, is available.

He closed his report by advising that a request for wage increase of 7.5 cents had been denied by the Wage Adjustment Board. An appeal from the decision was taken, and the Board then granted 2.5 cents per hour increase, to bring the wage rate of the Boston Asbestos Worker in line with the existing wage rates of the "mechanical" crafts of that city.

Business Agent Nelson, Local No. 31, Providence, R. I., reported business as very good, with the outlook for the near future the same. The Walsh-Kaiser Shipyard was again the top item, with 257 "emergency Asbestos Workers", all allied building tradesmen, employed there.

He then reported on a question that had arisen in regard to the men employed at the yard. President Mullaney interrogated the delegates at great length, and then instructed them as to future procedure. He further advised all delegates, stressing the importance of close contact with the General Office on all questions pertaining to the Craft.

The question of Fibreglas products was brought forth, and the General Officers advised delegates on the matter.

As always, President Mullaney and Secretary Sickles were called upon throughout the session for advice and counsel on varied questions, which they answered ably and well.

Adjournment was taken at 1:45 p. m., after which the delegates were the luncheon guests of Mr. Walter B. Swanson, of the Rhode Island Covering Company, at the Narragansett Hotel.

Respectfully submitted,

JOHN A. GASPIC,
Secretary.

Minutes of the December, 1944, meeting were read and approved.

A communication from Delegate George R. Hennig, of Local No. 2, Pittsburgh, Pa., stating his inability to attend, due to transportation difficulties, was received.

Reports of Delegates:

Delegate McGann, of Local No. 11, Baltimore, Md., reported that industrial work in that territory is petering out; however, marine work is still going strong in all shipyards. Sunday work has been practically eliminated in most yards. Approximately 450 "emergency Asbestos Workers," mostly Plasterers and other members of the building trades crafts, are at work. He also stressed the need for more canvas men, and welcomed any of our idle International membership to come to Baltimore for employment.

Delegate Hunter, of Local No. 14, Philadelphia, Pa., reported conditions still same as of our last meeting. Plenty of industrial and marine work, and Local can use any of our International membership desirous of coming to Philadelphia for employment. Approximately 200 "emergency Asbestos Workers", mostly Plasterers, are at work.

He concluded his report by advising of the death of Brothers Dan Frederickson and John Pfeiffer, who will be remembered as two of Philadelphia's "Old Timers".

Delegate Hoyle, of Local No. 24, Washington, D. C., reported no change in craft conditions. Still can use men, especially those with canvas sewing experience. A large percentage of work is now outside the city. This is practically all of the 6-day per week type. Cantonment work is petering out and all future work is of the permanent variety, in which additions to hospitals are included. His entire membership is at work, together with 65 Plasterers as "emergency Asbestos Workers".

Delegate Roche, of Local No. 32, Essex and Hudson Counties, N. J., reported not much change in craft conditions. One shipyard is closing, with the Bethlehem and Hoboken yards getting all of the marine work. Industrial work is still booming, and a post-war construction program already set up is expected to keep the membership steadily employed for sometime into the future. Approximately 85 "emergency Asbestos Workers", mostly Plasterers, are at work.

Delegate Bressler, of Local No. 38, Wilkes-Barre and Scranton, Pa., reported that the bottom has dropped out in construction work. The Avoca Airport Job has been postponed, and will be included in the post-war program in that locality. Only a few small jobs will be available for the future. All idle members, however, will be placed at work throughout the "Conference" territory.

Delegate Wardell, of Local No. 42, Wilmington, Del., reported that during the last quarter a slack spell had been experienced, but this has already been eliminated and there again is an abundance of work, especially the marine type, which is on a 6-day basis.

Delegate Long, of Local No. 65, York, Pa., reported that things had been slow, with some jobs being held up due to a material shortage. This has, however, been cleared up, and there again is a goodly amount of work which will keep the membership employed for sometime into the future.

International Vice President Hunter, reporting for Local No. 71, Allentown, Pa., reported not much work in the territory, with most all of the membership being employed throughout the "Conference" territory.

Delegate Kopp, of Local No. 89, Trenton, N. J., reported that all members are at work. A post-war program, together with the present industrial boom, is expected to keep things moving along at a brisk pace for the immediate future.

During the course of Delegates' reports, President Mullaney gave his customary good advice, and also gave an enlightening talk on craft conditions.

There being no further business to come before the body, adjournment was voted at 3:00 p. m. till Saturday, June 2, 1945, at 1807 Spring Garden Street, Philadelphia, Pa.

Respectfully submitted,

STEPHEN J. KOPP,
Secretary.

Labor Does Its Share

The Red Cross clubmobile ground to a stop in the dust and heat just outside the medical aid station. The corporal, exhausted and a little dazed after hours of front line fighting, emerged from the tent where he had gone to inquire after a couple of his buddies. "Hot coffee and doughnuts!" called the Red Cross girl. "Sounds good," murmured the corporal, and in the next instant, "Golly! From my union at home . . . imagine that!"

The door of the clubmobile bore an inscription that told him the van was donated to the American Red Cross by his local union, back home in Detroit.

In a West Coast city, the Red Cross Blood Donor Service needed volunteer donors badly. It looked as if the week's quota would not be filled, and few appointments were booked. "Let's see what the labor union council can do for us," said the Director, reaching for the phone. Within a few days the council rounded up several hundred donors, enough to meet the quota.

When an 18-ton shipment of cotton was received by the Red Cross chapter in a large eastern city to be made into surgical pads for the Army, union volunteers were called on to help. Using the power tools of their trade and the techniques they know so well, garment workers responded in a large body and in one evening completed the job.

These are but a few examples of the manner in which union men and women the country over are putting their organized strength into full support of the American Red Cross, giving their time, energy and skill, as well as their dollars to its work.

Labor Aids Victims of War

THE greatest collection drive for used clothing ever attempted in the United States, according to the Labor League for Human Rights, began on April 1.

The drive is under the auspices of the United Nations Relief and Rehabilitation Administration, with the active support of the Labor League for Human Rights.

The league is the official relief agency of the American Federation of Labor. It will throw the resources of the AFL unions behind the clothing drive.

The goal sought is 150 million pounds of clothing for the destitute people of nations freed from German rule. These people are suffering from years of German brutality which has left them ragged and hungry, many of them faced with actual starvation.

Part of the tremendous task of feeding them has been undertaken by the Red Cross. The task of partially clothing them has been taken over by the United Nations Relief.

Among those to benefit from the clothing drive are 30 million children. They are the children of the countries conquered by the Germans in the early days of the war. Many of them are children of the underground resistance movement whose refusal to accept slavery greatly aided the Allies in their final victory.

The resistance movements in the occupied countries cost thousands of Dutch, Belgian, Norwegian and French lives.

The patriots died by thousands in German torture camps. But the underground movement continued and tied up hundreds of thousands of German troops badly needed to fight the Allied armies.

The Germans exacted a terrible toll of vengeance. They left these countries in ruins, stripped of most of their possessions.

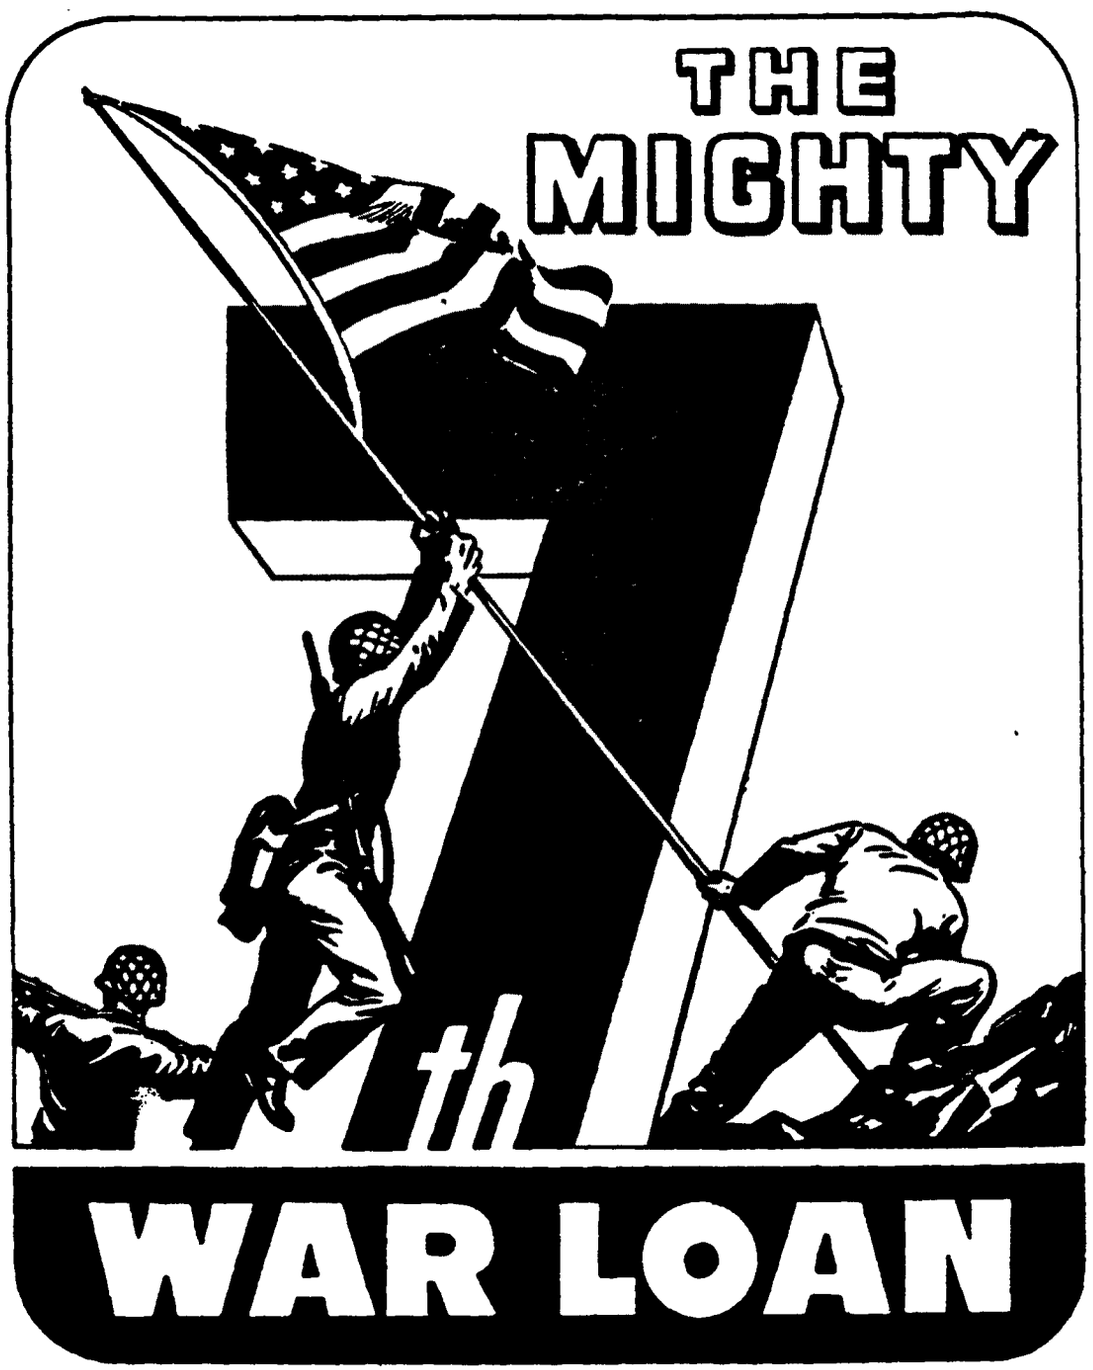

It is to help them along the road to rehabilitation that the Labor League for Human Rights is urging all labor unions to support the clothing drive this month.

This clothing is to help people who have endured far more for freedom than any of us in this country have been called on to endure. Thanks to them, we have been spared much suffering.

They were our Allies in war. Of course we will help them.
