REPORT OF THE
GENERAL PRESIDENT

Elmhurst, L. I., December 31, 1945.

During the last quarter your President got in circulation in time to attend the Middle Atlantic States Conference of Asbestos Workers held at Philadelphia, Pa.

Next came a meeting of Local No. 30, Syracuse, N. Y., followed the next day by attendance at a session of the New York State Conference of Asbestos Workers.

Then followed attendance at the New England States Conference of Asbestos Workers at Boston, Mass., at which Secretary-Treasurer Sickles was also present.

Next came the annual conference at Albany, N. Y., of all New York State Locals affiliated with the New York State Federation of Labor on the subject of proposed legislation for inclusion in the 1946 legislative program.

The minutes of these Conference sessions are printed elsewhere in this Journal issue.

Craft work still continues good with a few thousand "emergency Asbestos Workers", mostly Plasterers, at work. Reconversion contracts have been retarded and will not get into full swing until after all priorities are removed from building construction materials.

The War Labor Board that went out of existence on December 31 has been succeeded by the Wage Stabilization Board which is composed of W. Willard Wirtz, former general counsel of the WLB, and Sylvester Garrett, former chairman of the Philadelphia Regional Board, representing the Public.

Industry on the Board is represented by Earl Cannon, vice president of the American Trucking Association, and R. Randall Irwin, assistant to the president of the Lockheed Aviation Corporation.

Labor is represented by Robert J. Watt of the American Federation of Labor and Carl J. Shipley of the Congress of Industrial Organizations.

Mr. Wirtz will be chairman and Mr. Garrett, vice chairman of the new board.

One branch of this Board (Wage Adjustment Board) will continue to administer controls over wage adjustments in the building industry.

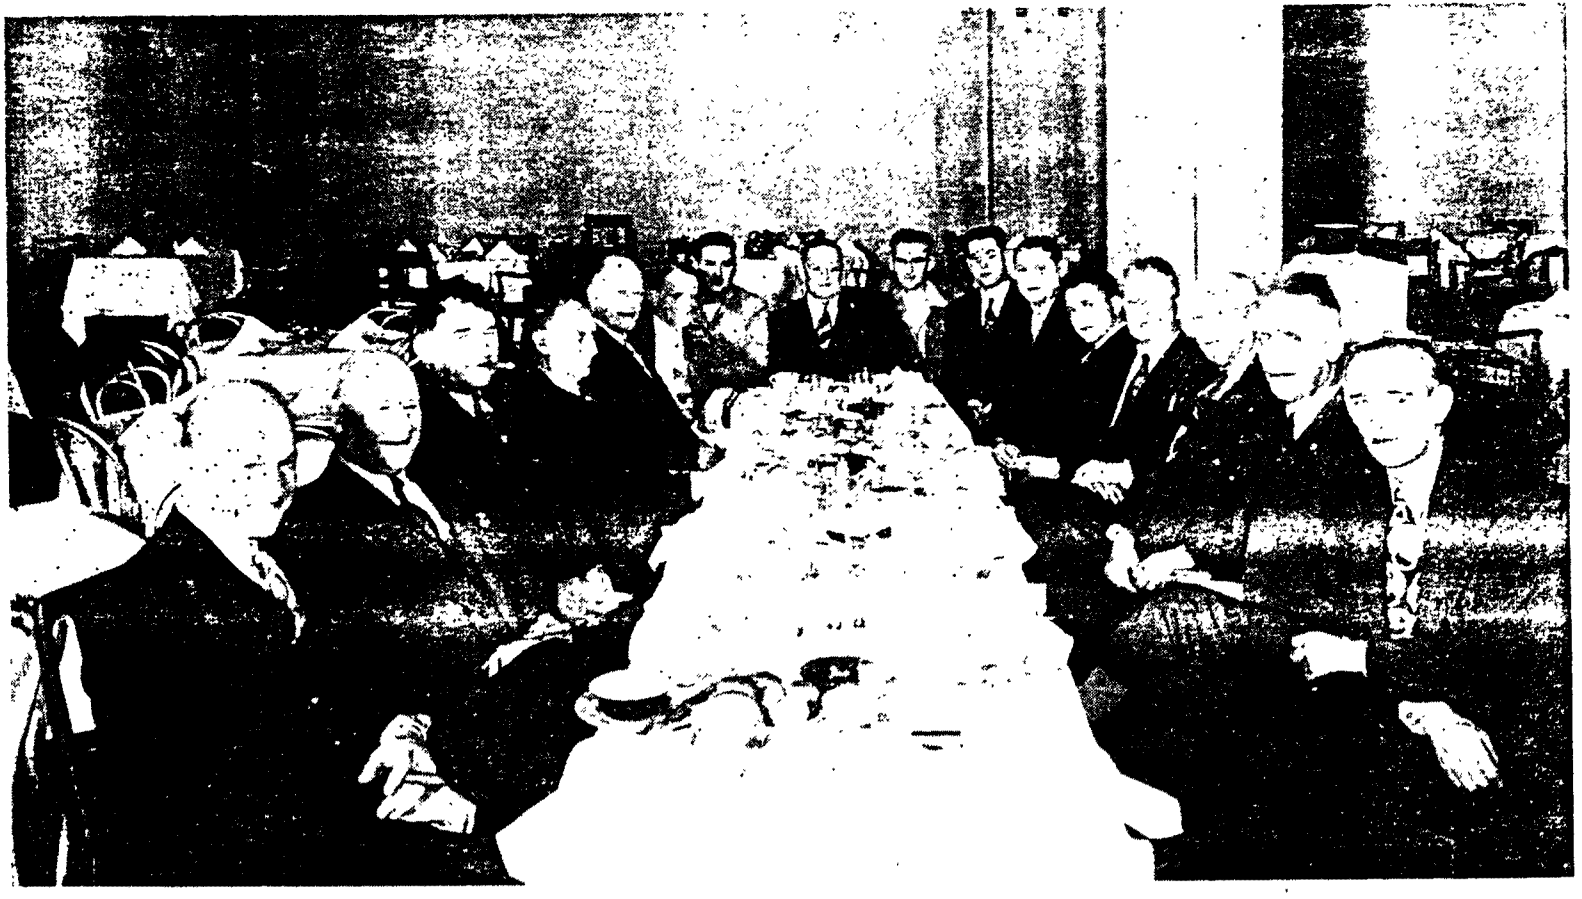

Wishing all a Happy and Prosperous New Year, I am

Fraternally,

Joseph A. Mullaney

President.

Gentlemen:

Enclosed is a copy of a ruling we have now received from the Treasury Department in the matter of withholding taxes under that section of your contract with the employers which provides for travel time and expenses while out of the city.

The ruling of the Department reverses its previous ruling and supports the arguments we made to the Treasury Department nearly two years ago. It has taken a long while to get the Department to see the fallacy of its former ruling and that has at last been accomplished.

The ruling of the Treasury Department which we enclose is, we believe, self-explanatory. You will observe that in the ruling the office adheres to its position that the payment of straight time while a person is traveling is wages and not expenses, otherwise the ruling allows the traveling expenses and the living expenses as provided for in your agreement.

Yours very truly,
JOSEPH A. PADWAY

Office of
Commissioner of Internal Revenue
IT:P:T:2
VSW-3
Joseph A. Padway, General Counsel
American Federation of Labor
736 Bowen Building
Washington, D. C.

Attention: Mr. Robert A. Wilson

Dear Mr. Padway:

Further reference is made to your letter of April 11, 1944, and the reply of this office thereto dated June 12, 1944, affirming Bureau ruling of February 19, 1944, addressed to The Philip Carey Manufacturing Co., Lockland 15, Cincinnati, Ohio, to the effect that certain payments made by an employer to employees under a union agreement constituted wages subject to withholding of income tax at the source under section 1622 of the Internal Revenue Code.

The agreement under consideration in Bureau ruling of February 19, 1944, was that between Local No. 2 of the International Association of Heat and Frost Insulators and Asbestos Workers and the Pittsburgh League of Heat and Cold Insulation (apparently a member of the Master Insulators' Association). The pertinent portion of the agreement (Article IX) provides as follows:

> "Members of Local No. 2 shall receive Three Dollars ($3.00) per day board outside of Allegheny County, and shall receive railroad transportation and local car fare or bus fare in excess of two city fares daily, figured from Pittsburgh City Hall to job and return to City Hall. Night

Published by AsbestosClaims.Law
asbestosclaims.law/library/21466/6

traveling shall be paid for at single time, except in cases where berth is provided, when no traveling time shall be paid. When boarding on out-of-town jobs they shall receive all transportation expenses expended. Should a holiday fall during the work week, board shall be paid."

Section 404.101(c) of Regulations 115 provides that amounts paid in advance, or reimbursements made, to employees specifically for traveling or other bona fide ordinary and necessary expenses incurred or reasonably expected to be incurred in the business of the employer are not subject to withholding. Any reasonable segregation of such expenses from the wages will be acceptable, as, for example, where an employer issues one check indicating thereon the amount thereof which represents wages and the amount which represents expenses, or issues a separate check for the expenses.

Section 405.101(c) of Regulations 116 relating to the collection of income tax at the source on wages paid on or after January 1, 1945, contains a provision similar to that set forth in the preceding paragraph.

The Bureau has given further consideration to the question presented in your letter of April 11, 1944. If such expense allowances are reasonably segregated from wages, it is now held that payments made to employees for daily transportation costs when in excess of two city fares, and for transportation expenses actually incurred in going to and returning from jobs located outside of Allegheny County are not subject to the income tax withholding provisions of Section 1622 of the Code. Based upon the further assumption that employees who receive the $3.00 per day board allowance are, generally speaking, employed in areas where it would be reasonably or economically impracticable to live at home, it is held that such board allowances should likewise be excluded from wages and from income tax withholding. This office is still of the opinion, however, that payments for traveling time, which are made on a straight time basis, constitute wages subject to withholding.

The ruling contained herein accordingly revokes Bureau letter of June 12, 1944, addressed to you, to the extent that it is inconsistent herewith.

Very truly yours,

WM. SHERWOOD s

Acting Commissioner.

The original decision against our Joint Trade Agreement was protested at the Internal Revenue office by a sub-committee of the General Executive Board then in session at General Office, March 1944. This committee consisted of President Mullaney, Vice Presidents Mulligan and Hennig, and your Secretary-Treasurer.

Those of our membership who had taxes withheld by their employers by reason of this decision now revoked can collect same for the year 1945 by properly showing on their Tax Return for 1945, to be filed on or before March 15, 1946, full credit for all taxes withheld during 1945 on board or transportation expense allowances and not including the amounts received by them for board or transportation expense allowances as wages.

In those cases where the employee has already been furnished by his employer Form W-2 showing wages (including board and transportation expense allowances) paid him during 1945 as well as amount of tax withheld, the employee should endeavor to obtain a corrected Form W-2 showing the exact wages paid (excluding board and transportation amounts) and tax withheld.

To recover taxes withheld on board or transportation allowances prior to 1945 it will be necessary for the member to obtain from his local office of the Bureau of Internal Revenue a Form No. 843 and fill same out as per instructions contained thereon.—EDITOR'S NOTE.

REPORT OF THE
SECRETARY - TREASURER

Washington, D. C., December 31, 1945.

To the Officers and Membership, Affiliated Locals,

Greetings:

The activities of your Secretary-Treasurer away from the General Office during the last quarter, other than in company with President Mullaney and covered in his report, began at Baltimore, Maryland, and a conference with Business Agent McGann and Financial Secretary Mohsberg, followed by meeting of Local No. 11 at which time several trade issues were discussed and advised upon, outstanding among which was the removal of "emergency Asbestos Workers" in which it was pointed out that the removal of "emergency Asbestos Workers" would be handled in the exact opposite of their employment, with the "Plasterers" engaged as "emergency Asbestos Workers" being the last to be released.

Next came a hop to Charleston, South Carolina, and meeting with those few members of Local No. 77 not working away from home on "Travelers". These members of Local No. 77 and your Secretary-Treasurer then attended a regular meeting of our Local No. 68, Charleston (Navy Yard) at which time several craft questions were disposed of, particularly as affected the inside (Navy Yard) and the outside (building trades) locals were concerned.

Then to Savannah, Georgia, and conference with President Mercier and Business Agent Hendricks, followed by special meeting of Local No. 96.

Then back to the General Office, arriving seventeen hours behind schedule as a consequence of plane flight cancellation due to inclement weather.

Next came Dallas, Texas, where I was met by Vice President Hullinghorst and together we attended regular scheduled meeting of the Southwest States Conference of Asbestos Workers and later a regular meeting of our Dallas Local No. 21—the first meeting of this Local your Secretary-Treasurer has ever been privileged to attend.

While in Dallas several conferences were held with employers, most of whom covered either the southwest territory as a whole or in part, with the result that on leaving Dallas I found our affiliated Local Unions in the southwest drafting new Joint Trade Agreements including wage increase in the amount of $1.00 daily for presentation to employers for signature as per understanding effected with the employers during these conferences. These agreements are now before the Wage Adjustment Board for approval.

Then with Vice President Hullinghorst to New Orleans and stopover on the way back to the General Office. While in New Orleans, together with Vice President Hullinghorst visited several shops in that city and discussed trade issues incidental to that territory.

Published by AsbestosClaims.Law
asbestosclaims.law/library/21466/8

While in New Orleans discussed in particular with the Reilly-Benton Company controversy existing on their Clinton, Tennessee, project between that company and our Local No. 46 which resulted in the eventual satisfactory adjustment of Local No. 46's complaint.

Next came New Haven, Connecticut, and testimonial dinner tendered General Organizer Archie A. Gillis of the United Association, who for over twenty years was the New England Organizer for the United Association of Journeymen Plumbers and Steam Fitters and has recently been transferred to their General Office at Washington as assistant to President Martin P. Durkin and Secretary-Treasurer Edward J. Hillock, both of whom, together with General Organizer William C. O'Neill, represented the United Association's General Office at this dinner.

Then to New York City where I met President Mullaney, and together we journeyed to Boston and attended the regular quarterly meeting of the New England States Conference of Asbestos Workers, minutes of which will be found printed elsewhere in this Journal issue.

Fraternally yours,

C. W. Sickles

Secretary-Treasurer

Correspondence

Dallas, Texas,
December 3, 1945.

Editor, The Asbestos Worker,
Washington, D. C.

Dear Sir and Brother:

Enclosed you will find picture of the Southwest States Conference of Asbestos Workers' luncheon, tendered by Local No. 21, at the Baker Hotel, Dallas, Texas, November 26, 1945, to Conference delegates and employers from Dallas and Houston, Texas. If you can find space, we would like for you to publish same in the next issue of "The Asbestos Worker".

The Conference was honored by the presence of C. W. Sickles, our International Secretary-Treasurer, who was instrumental in negotiating wage agreements for all of the Conference Locals, for a 12½c per hour wage increase. It was the first time several of the delegates had had the pleasure of meeting Brother Sickles, but he really sold himself to us. Without his assistance, we are sure we could not have obtained the agreement that he was able to secure for us.

Local No. 21 was also honored by the presence of Brother Sickles and A. L. Hullinghorst, our International Vice-President from New Orleans, La., at its regular meeting of November 27. Brother Sickles advised us on several questions that had not been clear to us. He brought a message that was enjoyed and appreciated by all of the members. Not many of our members had ever had the pleasure of meeting Brother Sickles and Brother Hullinghorst; however, after our regular meeting adjourned Local No. 21 entertained Brother Sickles and Brother Hullinghorst in the Labor Temple Club Room with a Dutch lunch and refreshments, where all of our members had a chance to really meet and know Carl, who again surpassed the expectations of our members by just being a jolly good fellow. Carl, we want you to know that you will always be a welcome visitor here.

Our Local would like to express our regrets that Brother Joseph A. Mullaney, our International President, was unable to be with us, and hope for a visit from him at an early date.

Fraternally yours,

A. J. ESSARY,

Secretary, Local No. 21.

Delegate Hunter of Local No. 14, Philadelphia, Pa., reported conditions still same as of last Conference meeting—still busy and in need of men. He again wishes to extend an invitation for any of our idle International membership to come to Philadelphia for employment. Approximately 150 "emergency Asbestos Workers", mostly Plasterers, are still at work.

Delegate Hoyle of Local No. 24, Washington, D. C., reported conditions have been a little slow for the past two months. Several jobs were held up due to lack of material. After the first of the year the outlook is very good. Work on the George Washington Hospital and the Georgetown Hospital is expected to break by early spring. New schools and hospitals are also expected to come along shortly.

Delegate Roche of Local No. 32, Essex and Hudson County, N. J., reported conditions good with 5 Travelers at work and 4 "emergency Asbestos Workers" (Plasterers) being used. A slight lull is being experienced due to the strike at the General Motors Linden, N. Delegate Wardell of Local No. 42, Wilmington, Del., reported conditions still the same, with no let up in sight. Eighteen "emergency Asbestos Workers", mostly Plasterers, are still being used and any idle International membership will be welcomed.

International Vice President Hunter, reporting for Local No. 71, Allentown, Pa., stated that all men are at work throughout Conference territory. Very little is going on there at the present time.

Delegate Kopp of Local No. 89, Trenton, N. J., reported conditions very good with some 40 "emergency Asbestos Workers", mostly Plasterers, being used. The strike at the General Motors, Fisher Body Division, Plant has resulted in a lull. Industrial expansion is expected to boom things for the coming year with any amount of large jobs coming along.

During the course of the reports of delegates, International President Mullaney gave his customary good advice wherever it was needed. MINUTES OF MEETING OF WESTERN STATES CONFERENCE OF ASBESTOS WORKERS

Portland, Ore., November 17, 1945.

The regular meeting of the Western States Conference of Asbestos Workers was held at the Hotel Multnomah, Portland, Ore., on November 15, 16 and 17, 1945.

The meeting was called to order on Thursday at 10:00 a.m. by Chairman MacIntosh and the following delegates were in attendance: Charles Patterson and Henry Thompson, Local No. 5, Los Angeles, Calif.; Gust Selander and Art Harrigel, Local No. 7, Seattle, Wash.; W. Mardilla and Don MacIntosh, Local No. 16, San Francisco, Calif.; J. W. Geisler and C. H. Roland, Local No. 36, Portland, Ore.; Glenn Carr and R. R. Culbertson, Local No. 50, Tacoma, Wash.; Harry L. Heaton, Local No. 62, Bremerton, Wash.; Ed. Monk, Local, 70, Vallejo, Calif.; and Ben Bradley, Local No. 82, Spokane, Wash.

Members of the Portland Local No. 36 visiting the Conference Meetings were Brothers Julius Gloss, C. R. Roland, Kenneth Gloss and B. B. Anderson.

Minutes of the previous meeting were approved as read.

Communications and bills were read, and, upon motion, ordered paid.

Delegates Patterson and Thompson of Local No. 5 reported that work on most jobs has been reduced to a forty-hour week. The Los Angeles Local has about 600 Mechanics employed of which 200 are members, 30 Travelers and the balance Plasterers and building tradesmen. Recently agreements have been signed between Local No. 5 and our employers requesting an increase of 25 cents per hour and one dollar a day increase in board and room allowance. The request has been approved by the General Office and is before the Wage Adjustment Board at this time. (This request has since been approved.)

Delegates Harrigel and Selander of Seattle reported that three wage increases have been granted Local No. 7 during the war period by reason of a building trades agreement effective prior to all emergency regulations and based on increased and decreased costs of living. Three 6½ cents wage increases have advanced the wages scale from $1.45 in 1941 to $1.645 as of today. An additional increase of 6½ cents per hour has been submitted for approval. Local No. 7 has 35 members, 25 Travelers and 140 "emergency Asbestos Workers", mostly Plasterers, at work.

Delegates MacIntosh and Mardilla of Local No. 16 stated that negotiations are underway for a wage increase. Recent shipyard strikes have caused much unemployment in the Bay area, but prospects for the future are very good. San Francisco has 155 members, 20 Travelers and several hundred "emergency Asbestos Workers", mostly Plasterers, at work in the area.

Delegates Geisler and Roland of Local No. 36 stated that at present, more than 300 mechanics are employed in the Portland area but expect these numbers to be greatly reduced in the near future due to curtailment of ship construction. During the emergency period Local No. 36 has increased its membership and now has 80 affiliates, 20 of whom are in the armed forces. The Portland Local is negotiating with its employers for a wage increase and reports indicate an early agreement.

Delegates Carr and Culbertson of Local No. 50 reported approximately 125 "emergency Asbestos Workers", mostly Plasterers, 20 members and 3

Published by AsbestosClaims.Law
asbestosclaims.law/library/21466/21

Travelers at work in the area. Tacoma not having exceeded the "Little Steel Formula" was granted two increases of 5 cents and 8 cents, respectively, during the emergency and is now negotiating for a wage scale of $1.84 per hour.

Delegate Harry Heaton of Local No. 62 states that 276 mechanics are at work in the Bremerton Navy Yard, 80 of whom are members of Local No. 62. During our last Conference at San Francisco a request was made by the Navy Yard Locals of the Secretary to submit letters to the Navy Department asking that the Asbestos Workers be classified as a trade and not be a subordinate part of a shop, associated with another craft. This request was fulfilled and to date no definite action has been taken.

Delegate Monk of Local No. 70 stated that 120 mechanics are at work in the Vallejo Navy Yard, 39 of whom are members of Local No. 70. Secretary Hackett has devoted much time and effort to establish our membership as a craft in the Navy Yard.

Delegate Bradley of Spokane reported work very slow at present with many of the 32 members of Local No. 82 on Travelers. Local No. 82 is negotiating with its employers for a $1.75 per hour wage scale.

A motion was made and passed that the present officers remain active until the next regular meeting, which will be held in Los Angeles on June 20, 21 and 22, 1946.

All the Delegates arrived in Portland in time to attend the regular meeting of Local No. 36, held Wednesday evening at 8:00 p. m. The meeting was well attended and all the Delegates were requested to say a few words for the good of the craft, as well as to answer many questions that arose at the meeting.

The Delegates were dinner guests of the Portland Local on Thursday evening and, thanks to Joe Geisler, a swell time was had by all. (Photo elsewhere in this Journal issue.)

A spirited meeting was held on Friday, devoted entirely to the all-important subject of increased wages for the entire Conference area. Friday evening the Conference Delegates were dinner guests of the Insulating Contractors of the West Coast who were holding their annual meeting at Portland. This get-together reviewed existing conditions and it was agreed by all that with the general information gained each Local would be able to adjust its differences in the form of a signed Joint Trade Agreement to be forwarded to Washington for the approval of the General Office and the Wage Adjustment Board.

Final adjournment was voted on Saturday, November 17.

Respectfully submitted,

HENRY THOMPSON,
Secretary.

These wage rates and subsistence are to become effective on all work within the territory of Local No. 21 on December 1, 1945.

Delegate Robertson, Local No. 22, Houston, Texas, reported that all members are working and could use 100 Travelers. Has 100 "emergency Asbestos Workers", mostly Plasterers, now employed in the shipyards. Delegate Sullivan, Local No. 94, Oklahoma City, Okla., reported work slow, some of the members out on Travelers, and future bright.

Meeting adjourned at 12:00 noon to attend a luncheon tendered by Local No. 21, Dallas, Texas, to Delegates and employers from Dallas and Houston, Texas.

Brother M. S. Epperson of Local No. 58, Great Falls, Mont., still wearing the uniform of Uncle Sam, was present and was extended an invitation to sit in the meeting.

International Secretary-Treasurer C. W. Sickles and International Vice President A. L. Hullinghorst were introduced. Brother Sickles advised that he had met with the various Local Unions affiliated with the Conference and the Employers, and had reached an agreement on wages and subsistence. The Employers agreed to a 12½ cents per hour increase, effective January 1, 1946, with the exception of Local Union No. 22, Houston, Texas, and Local Union No. 94, Oklahoma City, Okla., which had already negotiated wage contracts. Brother Sickles further explained to the Delegates that these wage increases would have to be approved by the Wage Adjustment Board before they would become established wage scales. He advised the Delegates to return to their respective Local Unions and get their Employers to join them in an application to the Wage Adjustment Board for these requested increases.

The Delegates thanked Brother Sickles and Brother Hullinghorst for their assistance in securing the cooperation of the contractors in agreeing to an increase in wages and subsistence. It was the first time many of the Delegates had ever met Brother Sickles, but he definitely sold himself to us as being very competent in the work which he is doing. Without his assistance we are certain we never would have been able to secure the agreements that we did with his help, and we extend our best wishes to him.

Secretary Sickles was requested to convey our sincere regrets to Brother Joseph A. Mullaney, our International President, who was unable to attend our Conference Meeting, and we expressed our hope that he would soon be back on the road and be able to meet with us at some future date.

The trustees reported that they had audited Secretary A. J. Essary's books and found them in perfect order and balance.

A motion was made, seconded, and carried that the Conference purchase a $1,000.00 Victory Bond.

Under election of officers the following Delegates were nominated and elected by acclamation:

President—George Majors, Local No. 64, Tulsa, Oklahoma

Secretary-Treasurer—A. J. Essary, Local No. 21, Dallas, Texas

The Business Agents of all other affiliated Locals were automatically declared Vice Presidents.

The selection of the next conference city was declared in order. Local No. 64, Tulsa, Okla., which was entitled to the next conference by the rule of rotation, withdrew its request and the City of Houston was chosen.

Adjournment was voted at 6:00 p.m.

Respectfully submitted,

A. J. ESSARY,
Secretary.
