Report of Delegates:

Delegates Jentzel and Larson, of Local No. 31, reported all members working on industrial plants and maintenance with no new construction work ready at present and no Travelers or "emergency Asbestos Workers" working in the territory. Announced new rate in effect of $1.65 per hour retroactive to January 2, 1946.

Delegate Davis, of Local No. 43, reported work is plentiful and two Plasterers are being used as "emergency Asbestos Workers" and prospects good for the future. Also stated his Local has plans for a celebration for returning Local veterans. He also stated that his Local wishes to thank the General Office for assistance in procuring a new wage increase effective March 12, 1946, to $1.70 per hour.

Delegates St. Clair and Recor, of Local No. 33, reported a little slowdown on work since the last Conference meeting and all "emergency Asbestos Workers" laid off and at present affected by material shortage. Stated the future looks very good with plenty of prospects. The Local had 19 men in the Service—16 have reported back, one to come and two members lost their lives. A signed agreement with an increase in wages is expected shortly by the Local. The jurisdiction on certain Local jobs was brought up and President Mullaney and Secretary Sickles gave a decision.

The coming Testimonial Banquet for Brother John Gaspic on April 13, 1946, sponsored by Local No. 33, was taken up and all Delegates pledged their support to make it a success.

Delegate Hoff, of Local No. 6, reported work fair at present with a few Travelers in the territory and no "emergency" Plasterers. In some instances, jobs are held up due to our own material shortage and others by a lack of plumbing and heating material. Many large operations contemplated, including a $15,000,000 insurance building and a large General Motors Plant along with many Federal, State and City building programs contemplated. Reported also of an Improver Serviceman Training program affecting 20 Improvers in the Local in the making. A report then followed by President Mullaney and Secretary-Treasurer Sickles on the activities of the General Office and then a general discussion followed with many questions raised by the Delegates and decisions rendered by President Mullaney on same. The matter of our Code of Workmanship was brought up and all Delegates, now that the war is over, went on record to see that it is enforced.
