REPORT OF THE
GENERAL PRESIDENT

Elmhurst, N. Y., September 30, 1946

To the Officers and Membership, Affiliated Locals,

Greetings:

The activities of your President during the past quarter began at the General Office.

Then came a visit to New York City where your President furthered the interests of two of our affiliated Locals in a conference with the top officials of the firms interested. Then back to Washington and work at the General Office.

Then to a meeting of Local No. 12 where your President inducted the officers chosen at the last election.

The next trip was to Cleveland with Secretary Sickles and attendance at the session of the Central States Conference presided over by International Vice-President James Dalton. The reports on conditions prevailing in the Locals of the delegates who reported gave all present an up-to-the-minute picture of our craft work within the Conference territory. Following adjournment a steak dinner was served.

The next jump was to Rochester and the quarterly session of the New York State Conference, followed the next day by a meeting of Local No. 26 at which several questions were decided.

Next, in the same city, came the Convention of the New York State Federation of Labor at which your President again (since 1918) acted as Chairman of the Committee on Resolutions and once again (since 1912) was elected Vice-President. During the Convention stay Local No. 26 gave a dinner which the members and their families attended. The Employers and your President, who also attended, gave short talks.

The next trip was to Washington and work at the General Office during which week Mr. Mackey of the J-M Home Insulation Division, Mr. McMillan a Mobile, Ala., Insulating Contractor, Mr. Brought of the Owens-Corning Fiberglas Corporation and Mr. Barnes of the J-M office at St. Louis visited the General Office.

Next came Philadelphia and attendance at the regular quarterly session of the Middle Atlantic States Conference, followed by a meeting of a Committee of Local No. 14-B, your President and Vice-President Hunter.

Next, with Secretary Sickles, your President journeyed to Houston,

Texas, and a meeting of Local No. 22 that found Vice-President Hullinghorst in attendance.

The next day the Southwest States Conference held its meeting. After the morning session, a luncheon was served. The afternoon session was spent in conference with a Committee of three representatives of the Southwest Employers who appeared before the Conference to advocate a more uniform Joint Trade Agreement for the Locals affiliated with the Conference. It was considered and thoroughly discussed from all angles by all present (it has since been rejected by one of the Locals most interested). The evening following adjournment found the membership of Local No. 22 and their families, the Conference delegates, the Employers and your International Officers enjoying a steak dinner.

Your President's next jump was to St. Louis where he found Local No. 1-B on strike against the J-M shop. With Organizer Schmitter your President attended a special meeting of the Local and invited the J-M shop officials to attend. The representative of the St. Louis Central Body was also present. After an afternoon of discussion the questions of wages and working conditions were agreed to with the exception of the Local's demand for "vacation with pay" which the shop stoutly opposed, and the meeting adjourned.

The same evening your President met with the Executive Board of Local No. 1, after which he left for home. (Local No. 1-B continued its strike a few days after the special meeting and then returned to work after signing an agreement with J-M that waived the "vacation" clause.)

Next, with Secretary Sickles, came attendance at the New England States Conference meeting held at New Haven, Conn. This session, like all others, served to bring all present up-to-date on our craft work in all Locals within the Conference territory. The delegates to this Conference did justice to the steak dinner that followed adjournment.

Our membership should keep abreast of craft conditions by reading the minutes of all Conference sessions as printed in our "Journal".

Work is "spotty" with a few cities crying for men. Any of our idle membership, if interested, should get in touch with the General Office.

Fraternally,

Joseph D. Mullaney

President

OUTLAYS FOR CONSTRUCTION ARE ABOVE WAR-TIME PEAK

Washington, D. C.—Surpassing the first month of peak war construction in 1942, construction expenditures in June reached more than a billion dollars, with construction employment exceeding two million workers. The Bureau of Labor Statistics announced that a report on building activities for the first half of 1946 showed one million workers had been employed since V-J Day, nine-tenths of them being added this year and almost half in May and June alone.

The highest half-year figure in more than 10 years was reached in the first half of 1946 for expenditures on private construction, the BLS announced. Private construction during this period was about three and one-half times as large as in the same period last year and 50 per cent higher than in 1940.

War Department Honors Joseph D. Keenan For Services With WPB

Washington, D. C. — Joseph D. Keenan, head of the Chicago Federation of Labor, on leave for special services to the Government during the war and postwar periods, was presented with the Medal of Merit by Secretary of War Patterson for his assistance as a member of the War Production Board.

At a luncheon attended by Richmond B. Keech, administrative assistant to President Truman, and by high-ranking military and civilian government officials, Mr. Keenan received the citation, which said:

"To Joseph D. Keenan, for exceptionally meritorious conduct in the performance of outstanding services to the United States.

"Mr. Keenan, as labor relations counsellor and as vice chairman for labor production in the War Production Board, gave unstintingly of his efforts to procure the necessary labor requirements for the war effort.

"His ability to compromise differences and to foresee the demands of labor enabled him to aid in the continuation of war production without the usual setbacks that attended a nation totally geared to war work.

"By dint of his consummate perseverance, he overcame obstacles that might have hampered the war effort, and he displayed a capacity for knowledge of all difficult labor situations, and ably advised the board, according to the requirements of the issues, in order to prevent interruptions in work.

"He brought with him a full experience and vast knowledge in these fields, which were used to their full capacity, and through this important work he became a great asset in the continuation of full-time employment in relation to war production."

MINUTES OF MEETING OF NEW ENGLAND STATES CONFERENCE OF ASBESTOS WORKERS

New Haven, Conn., September 28, 1946.

The regular quarterly meeting of the New England States Conference was held Saturday, September 28, 1946, at the Taft Hotel, New Haven, Conn.

Meeting was called to order by International President Joseph A. Mullaney at 10:30 a. m.

Election of officers took place and Donald St. Clair was elected President of the Conference and John W. Hoff, Secretary.

Delegates present were John W. Hoff, Local No. 6, Boston; Ernest Carlson, Local No. 31, Providence, R. I.; Donald St. Clair and Marlin Recor of Local No. 33, Connecticut, and James J. Dunn, Local No. 43, Springfield, Mass.

International President Joseph A. Mullaney and Secretary-Treasurer C. W. Sickles were also in attendance.

Minutes of the previous meeting were read and approved.

Reports of Delegates:

Delegate James Dunn of Local No. 43 reported business is very good and they have recently taken in three Improvers. Agreement expires January 31, 1947, and present rate is $1.70 for Mechanics. Present work consists of a powerhouse, large college job along with industrial work.

Delegate Hoff of Local No. 6 reported business very good and the future excellent with all men working plus several Travelers from sister Locals. Just completed the signing of an agreement with the employers of an increase from $1.72½ per hour to $1.90 for Mechanics and a corresponding increase for Improvers. A joint petition is now in Washington awaiting approval of the Wage Adjustment Board.

Delegate Carlson of Local No. 31 reported work very good but the material situation is bad. Reported of two college jobs, Navy work and a large power plant. Delegate Carlson also stated that the present agreement expires November 1, 1946, and they are now meeting with their employers on a new agreement. Present rate for Mechanics is $1.65 per hour and the request to the employers is for $1.80 per hour, plus an increase on expenses.

Delegates St. Clair and Recor of Local No. 33 reported business fair at present but the future is very good with a powerhouse job coming along, Federal hospital and a large private hospital and some industrial work. Connecticut's new agreement provides $1.75 per hour for Mechanics and a $3.00 per working day board allowance.

A general discussion followed covering board allowance jobs, Travelers' status when working in a sister Local's territory in regard to depositing the Traveler and reporting to the Business Agent and traveling time on out-of-town operations.

President Mullaney and Secretary-Treasurer Sickles took up these questions and gave instructions and decisions covering the particular operations. A question of a former Union shop which has been operating non-Union requesting an agreement with one of our Locals was discussed and instructions given by President Mullaney advising Local to sign the employer to a Joint Trade Agreement.

President Mullaney and Secretary-Treasurer Sickles enumerated several large operations throughout the United States and advised that requests are being made to the General Office to man these operations and that the future looks very bright in the construction field.

On-the-job training for veterans was discussed and owing to the recent cut as of August 8 to $175.00 for single men and $200.00 for married men by an act of Congress, it was generally felt by all delegates that very few of our Improvers would receive any benefits, with the older Improvers being out so far as a Government check is concerned.

With no further business the Conference meeting was adjourned at 1:30 p. m.

Respectfully submitted,

JOHN W. HOFF,
Secretary.

MINUTES OF MEETING OF CENTRAL STATES CONFERENCE OF ASBESTOS WORKERS

(Continued from page 19)

W. M. Price and Oscar Poole were present representing the United States Department of Labor, and gave brief talks on apprentice training.

International President Joseph A. Mullaney made a very interesting talk and gave the delegates much needed advice, stressing particularly the importance of bringing their Improver ratio up to one Improver to three Mechanics.

International Secretary-Treasurer Sickles made a brief talk with regard to wage adjustments and his work with the Wage Adjustment Board. He counselled the delegates throughout the meeting on various questions.

With no further business the meeting adiourned at 1:00 p.m., and Local No. 3, Cleveland, gave a dinner to the delegates at the Hotel Carter, which proved to be an enjoyable affair.

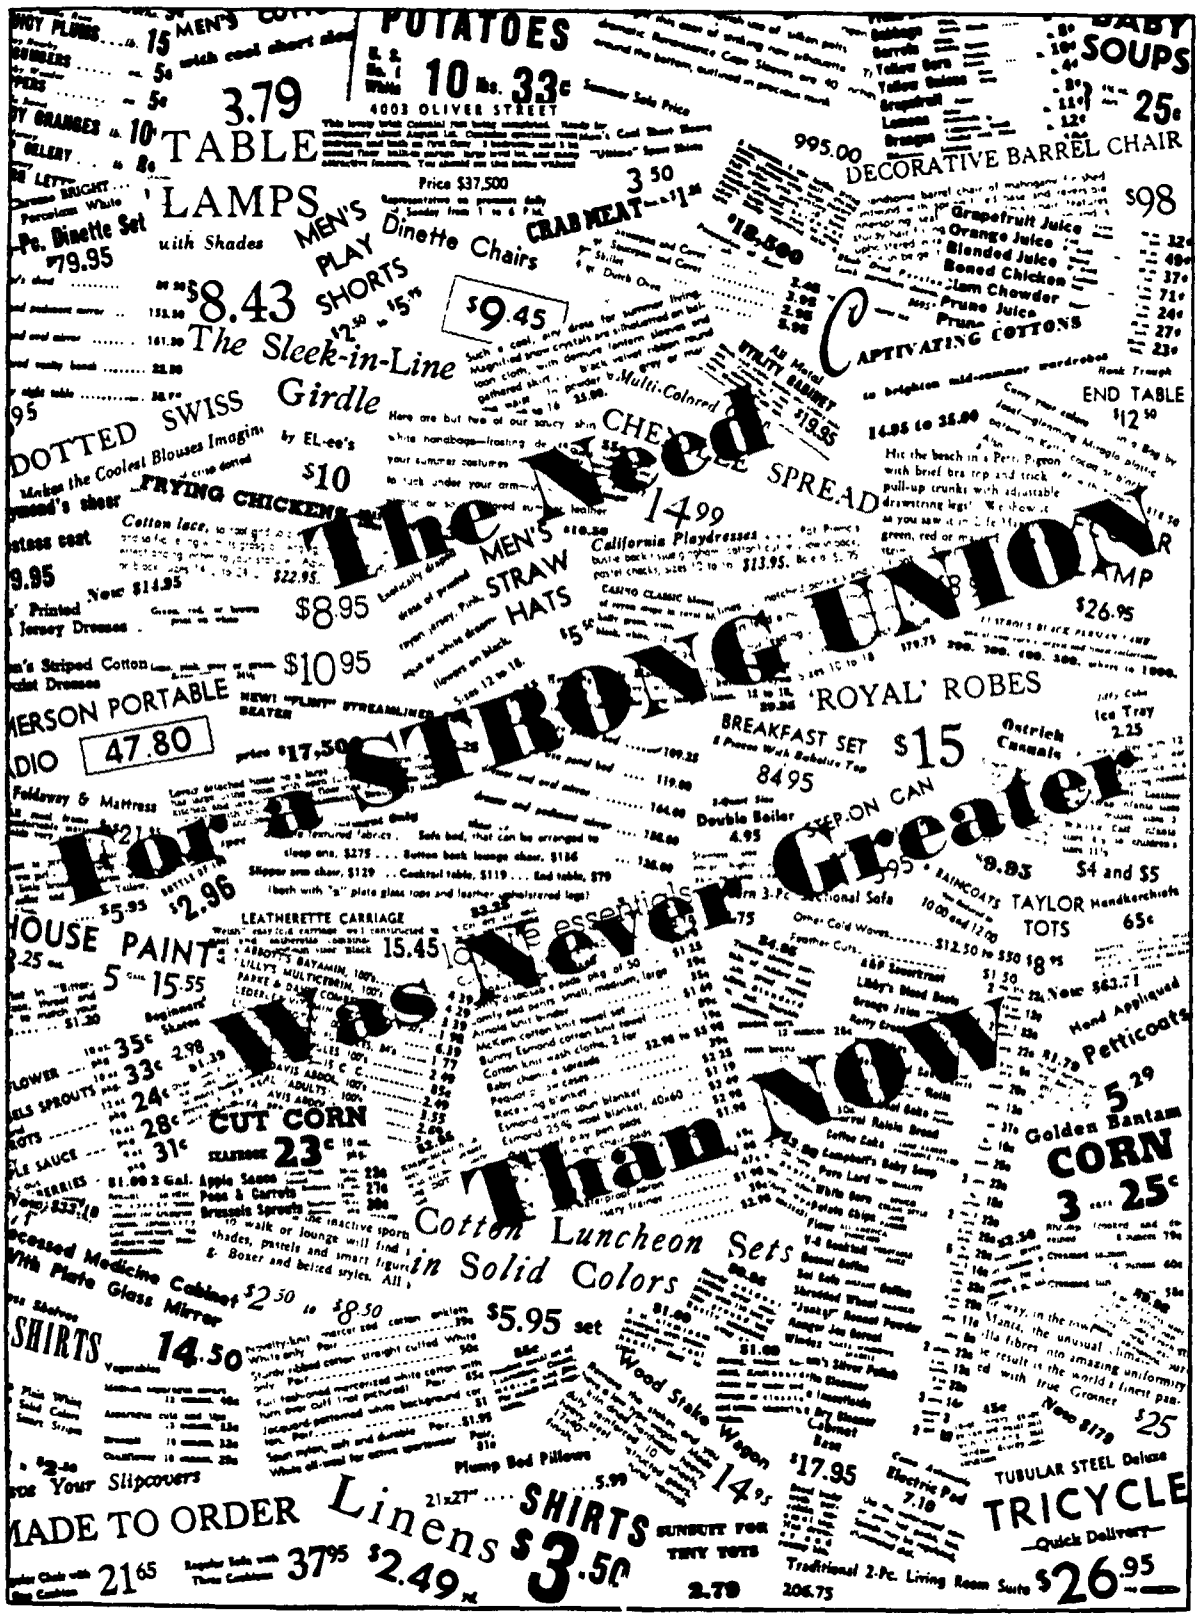

Respectfully submitted,

VERNON ADKINS,
Secretary.
