Some Facts About YOUR COVER PICTURE

Probably the best known mountain in the United States, Pike's Peak was first made known to the civilized world by Capt. Zebulon M. Pike, of the United States Army who unsuccessfully attempted to climb it in 1806. Ill-equipped and lacking "mountain sense," fighting snow and wind, he concluded it to be a goal never to be attained by man. How wrong he was.

In 1820, Dr. Edwin James and two other men of Major Long's expedition made the first recorded ascent and reported no difficulty in doing so except the exertion required by the high altitude. Major Long gave the doctor's name to the famous front range summit but Pike's expedition had captured the popular fancy of the men of the mountains and plains and Pike's Peak soon became the official name, as shown by military maps of 1835.

Many military expeditions passed its base during the next thirty years and after the settlement of Colorado Springs in 1871, the trip up the Peak became quite popular. The first trail probably "just happened" as the climbers gradually evolved a good route.

During the years, travel up Pike's Peak has increased steadily, until today several hundred thousand make the trip each year.

The Garden of the Gods, next to the peak itself, probably ranks second in the list of scenic attractions in the Pike's Peak Region. The 370 acres in the historic spot are a part of the city park system of Colorado Springs. When Columbus was yet unborn, the Garden of the Gods was a tribal meeting place of Indians. Across the plains and down from the mountains they trekked, to hold religious ceremonies beneath the spires and minarets of this Cathedral of Nature. They called it Old Red Land. A unique and famous red sandstone formation, tilted perpendicular, and in cases extending hundreds of feet into the air. Wind and rain erosion, plus your imagination will enable you to see most anything you want—The Kissing Camels, the Indian Head, Mushrooms galore, Balanced Rock, the Steam Boat, the Washer Woman, the Cathedral Spires and many others.

Pike's Peak Region will lead you to picturesque gold mines, thundering waterfalls and placid lakes blue as sapphire, through winding canyons and deep virgin forests. Nature has been very lavish and surely the magic carpet could bring you no more wonders.

Published quarterly at Headquarters, 211 Machinists Building, Washington 1, D. C., by the International Association of Heat and Frost Insulators and Asbestos Workers. Entered as second class matter at Washington, D. C., June 28, 1934, under the Act of August 24, 1912.

Report of the GENERAL PRESIDENT

JOSEPH A. MULLANEY
General President

NEW YORK CITY, N. Y.
June 30, 1953.

To the Officers and Membership, Affiliated Locals.

GREETINGS:

The activities of your General President during the last quarter began with attendance together with Secretary-Treasurer Sickles as the guests of our New York City Local No. 12, at a testimonial dinner tendered President George Meany, at the Commodore Hotel, New York City, in honor of his recent appointment as President of the American Federation of Labor, succeeding President Green who passed away shortly after the last A. F. of L. annual convention.

Following the dinner an array of speakers of national repute extolled the virtues of President Meany from the dias and at one time between speakers the toastmaster called upon three old-timers, including your President, to stand up and take a bow in recognition of their having stood shoulder to shoulder with President Meany during the time he has served the labor movement in various official capacities, starting with Business Agent for the Plumbers local union in New York City—President of the New York State Federation of Labor—Secretary-Treasurer of the American Federation of Labor and now its President.

Your President's activities throughout the balance of the quarter were confined to visits to the General Office and together with Secretary-Treasurer Sickles to other labor and government offices furthering the interests of our general membership.

Work continues to be plentiful in our craft as we go to press, together with reports of substantial wage increases which have been negotiated by more than a third of our local unions and will be found recorded under the caption of "Wage Rates", page 2 of this JOURNAL issue.

Fraternally,

Joseph A. Mullaney

President.

Decision

Appeal of James B. Riley, Reg. No. 13567 and G. F. Martens, Reg. No. 10462, of Local No. 25, Detroit, Mich., against trial action and penalty. Referred to Vice President O'Neil for further investigation and decision. Furthering these instructions he conducted hearing on this appeal in the city of Detroit taking testimony from all interested including the two appellants. Appeal DENIED—penalty suspended pending future trade observance.

Senate Gives Durkin Vote Of Confidence

The Senate gave Secretary of Labor Martin Durkin a vote of confidence as it restored appropriations to the Department to levels near those set in the Eisenhower budget recommendations. Never in the history of the Department have so many amendments for restoration of funds been introduced on the floor.

The bill now goes to conference.

The vote for the restoration of the funds for the office of the secretary was unanimous, increasing it from the $1,250,000 recommended by the committee, to $1,448,000, as compared with $1,525,000 proposed in the Eisenhower budget estimate.

Two attempts to increase the committee-recommended $6,250,000 for the Wages and Hours Division to $7 million or $6,750,000 were voted down. The revised estimate for the division was $7,339,000.

Other restorations were as follows:

Office of the solicitor, $1,350,000 to $1,600,000.

Bureau of Labor Standards, $700,000 to $800,000.

Bureau of Employment Security, $5,225,000 to $5,435,000.

Mexican farm labor program, $1,250,000 to $1,420,000.

National Labor Relations Board, $9,250,000 from $9 million.

Senator William Langer (R., N. Dak.), proposed a $1,300,000 addition to the $5,725,000 recommended by committee for tuberculosis control. The final roll call was 39-38 in favor of the amendment.

President Eisenhower intervened in the fight for increased appropriations for the new Department of Health, Education and Welfare. As a result, the Department got $426,000 more for the Office of Education and $151,000 for expenses and salaries in the office of Secretary Oveta Culp Hobby.

Vote of Confidence?

The Eisenhower Administration's foreign aid bill—a crucial White House measure—passed the House of Representatives by a vote of 280 to 108. Representative Vorys, Ohio, Republican, hailed this as "a vote of confidence" for Dwight D. Eisenhower "to go out and make a record around the world."

In the light of this boast, it is interesting to see how the members of the two parties in the House voted on this all-important Administration bill.

Here is the division (the one Independent member voted for the bill):

	For Foreign Aid	Against Foreign Aid
Republicans	119	81
Democrats	160	27

The figures tell their own story. If the Democrats had supported President Eisenhower no better than did the Republicans, the outcome would have lacked a lot of being the "vote of confidence" that Vorys so proudly hails.—*St. Louis Post-Dispatch.*

Droughts and State's Rights

Drought-stricken states get and deserve deep sympathy and concern. It's because of that factor that one hesitates to say anything critical in connection with them.

Nevertheless, you remember the denunciations that came out of certain parts of the nation concerning what was called big government in Washington. You recall the loud cries for state's rights.

These persons said that the states and not the Federal government are the ones who should take care, if any, of social security, minimum wage laws, labor relations, utility regulations, education, et al.

They are still crying for state's rights on these issues.

But recently a drought hit the Southwest, and the same gentlemen who had been saying too much was being handled in Washington, asked for aid from the Federal Government.

They got the aid, millions of dollars of it. They should have got it.

Some things are the concern of the whole nation, and must be so handled.

Drought relief is not the only such matter.

Strong Unions Are 'Must' --Senator Smith

Senate Labor Chairman Alexander Smith (R., N. J.) asserted that "strong and responsible labor unions are a necessary and valuable part of our capitalist democracy," and declared that "labor's right to strike is a fundamental right in our democratic capitalist system."

He told Department of Labor employes, celebrating the Department's fortieth anniversary, that the right to strike should be protected by Federal regulation, but "should always be subject to restrictions when its exercise would unduly endanger public welfare."

Smith added that the Federal Government's major role in labor-management relations should be to encourage cooperation in improving working conditions and employment security and in developing fair practices codes.

Secretary of Labor Martin Durkin praised the patriotism, brains and fidelity of the Department's workers.

"All of us in the Department have jobs of great public trust," Durkin said, "and the trust the public has put in you should be repaid in full by faithful and honest work."

Smith also commended the agency. "The Department of Labor," he said, "has a history of which it can be justly proud. Through its enforcement of statutes, its programs of research and education, and the promotion and development of various labor standards it has contributed immeasurably to the welfare of the workingman and, indirectly, to the welfare of the nation as a whole."

McSorley for 100 Percent LLPE Backing

SAN FRANCISCO.—A forceful argument for 100 per cent cooperation with Labor's League for Political Education's $1 contribution drive was made by William McSorley, Jr., LLPE organization director, before representatives of Bay Area Central Labor Councils and local units of the LLPE.

McSorley explained that various internationals affiliated with the AFL are conducting contribution campaigns in conjunction with the national LLPE.

Under the present program, funds collected by affiliates of the international bodies are mailed to headquarters of the international union and are then transferred to the national LLPE treasury in Washington, D. C. Fifty per cent of monies collected in this fashion in any state will be returned later to the duly established state LLPE organization for use in Federal elections.

McSorley outlined the following major threats to the labor-liberal cause in the National Capital:

1. A drive to give state labor laws "paramount rights" in labor-management relations, thus permitting state laws to take precedence over national labor legislation.
2. Assaults on three protective wage laws — Wage-Hour, Davis-Bacon, and Walsh-Healey, to provide that these measures shall not apply in any state unless first approved by the respective state legislative body.
3. The attempt to impose a national sales tax on the wage earning public.
4. Abolition or crippling of the Federal social security law.
5. Extension of the "give-away" program to turn natural resources over to private power and land companies.
6. A hard money policy, forcing up interest rates on commercial loans, private and municipal bonds and home mortgages.
7. Destruction of the U. S. Labor Department through slashing of vital appropriations.

Brother William McSorley, Jr., has been a good standing member of our Cleveland, Ohio, Local Union No. 3 for 12 years and has been serving LLPE as assistant director for the last five years and doing a first-rate job. [EDITOR.]

Holding G. I. Insurance?

If you hold G. I. insurance, here's a tip that may be worth a lot to you. Very few veterans know it, but there is a bargain in disability insurance available to every veteran who has kept his G. I. insurance in force. It is a provision of the policy which enables the insured to pay a small premium which will entitle him to $5 a month on each $1,000 worth of insurance in case of disability. This means that a 30-year-old- vet with a $10,000 policy can pay an additional $10.70 per year and draw $50 a month in case he becomes disabled. Not enough to live on but quite a help in time of trouble. How do you find out about this disability provision of your G. I. insurance? Just make written application to your nearest Veterans Administration office and be able to furnish satisfactory proof of good health. It's disability insurance at a low cost.

U. S. DEPARTMENT OF LABOR
OFFICE OF THE UNDER SECRETARY
WASHINGTON

June 29, 1953

Mr. C. W. Sickles, Secretary
International Association of Heat and Frost
Insulators and Asbestos Workers
211 Machinists Building
Washington 1, D. C.

Dear Mr. Sickles:

It is of utmost importance that the records of the Wage Determination Division (Davis-Bacon) be kept current at all times. During the period of Wage Stabilization it was possible to do this because while the Construction Industry Stabilization Commission was in existence the Division received notification of all wage rate changes in the building and construction industry. Now that the Construction Industry Stabilization Commission has passed out of existence, it becomes necessary to maintain the records of the Wage Determination Division without the advantage of having notices of all rate changes furnished it by the Commission.

In some cases a wage survey is conducted or a public hearing is held in order to predetermine prevailing wages for a Federal project. However, the vast majority of cases are processed based upon wage information on file in the Solicitor's Office. If this information is not up-to-date, the result is that wages are predetermined which do not reflect wages actually prevailing in the locality in which the work is to be performed.

In order that the Wage Determination Division may be kept fully informed of all wage rate changes, your cooperation is solicited. It will be greatly appreciated if you will request your local unions to submit information to the Wage Determination Division regarding all wage rate changes, together with copies of collective bargaining agreements and evidence of payment of such rates.

Yours very truly,

Lloyd A. Mashburn
Under Secretary of Labor

Correspondence

TRENTON, N. J.
June 8, 1953.

Editor, THE ASBESTOS WORKER,
Washington 1, D. C.

DEAR SIR AND BROTHER:

On June 7, 1953, Local No. 89, Trenton, N. J., celebrated its 25th Anniversary of Charter issuance by holding a dinner-dance at the Italian-American Sportsmens Club honoring the three remaining charter members still active in local affairs, namely; Brothers John Baumgartner, Jacob Oswald and Anthony Theer.

On behalf of the local membership, its officers and the committee on arrangements we desire through the medium of our International publication THE ASBESTOS WORKER to thank all of the surrounding locals who had representation at the banquet, and also to International Secretary-Treasurer C. W. Sickles who served as toastmaster and main speaker.

It is also with profound regret that we were unfortunate in not being able to be honored by the presence of President Joseph A. Mullaney who advised that personal illness prevented his attendance.

Included among the honored guests were a delegation from Local No. 12, New York City, N. Y., headed by the "Dean" of Local No. 12 business agents, Patrick O'Connor; Busines Agent Charles W. Moore of Local No. 11, Baltimore, Md.; Business Agent George Jakob of Local No. 14, Philadelphia, Pa.; Business Agent Norman L. Hoyle of Local No. 24, Washington, D. C.; Secretary Terence McConnell of Local No. 32, Newark, N. J.; and Business Agent Nicholas Grello of Local No. 71, Allentown, Pa.

The highlight of the evening was the presentation of sterling silver pointing trowels to the three charter members by Toastmaster Sickles on behalf of Local No. 89, and also, as mementos of the occasion the acceptance of identical trowels by Toastmaster Sickles for President Mullaney and himself.

Fraternally yours,
STEPHEN J. KOPP,
Business Agent.

He Was the Last Man

Pfc. Hector A. Cafferata Jr.,
USMCR
Medal of Honor

IT WAS DURING the Chosin reservoir fighting. Against F Company's hill position. Reds were attacking in regimental strength. The last of Private Cafferata's fire team-mates had just become a casualty, leaving a gap in the defense line. If the enemy could exploit it, they could smash the entire perimeter.

Exposing himself to devastating fire. Private Cafferata maneuvered along the line. Alone, he killed fifteen Chinese, routed the rest, and held till reinforcements plugged the hole.

The Reds hit again. A grenade fell into a gully full of wounded. Private Cafferata hurled it back, saving the men but suffering severe wounds. Ignoring intense pain, he still fought on until a sniper got him.

"If we really want to protect ourselves from the Commies," says Private Cafferata, now retired because of wounds, "we've got to go all out. And one thing all of us at home can do—*should do*—is invest in our country's Defense Bonds. Sure, Bonds are our personal savings for a rainy day. But they're more—they're muscle behind our G.I.s' bayonets, too!"

★ ★ ★

Now E Bonds pay 3%! Now, improved Series E Bonds start paying interest after 6 months. And average 3% interest, compounded semiannually when held to maturity. Also, all *maturing* E Bonds automatically *go on* earning—at the new rate—for 10 *more* years. Today, start investing in Series E Bonds through the Payroll Savings Plan; you can sign up to save as little as $2.00 a payday if you wish.

Peace is for the strong! For peace and prosperity save with U. S. Defense Bonds!

MINUTES OF CONFERENCE MEETINGS

MIDDLE ATLANTIC STATES

ATLANTIC CITY, N. J.

June 6, 1953.

The regular quarterly meeting of the Middle Atlantic States Conference of Asbestos Workers was held on the above date at the Jefferson Hotel, Kentucky Ave., Atlantic City, N. J., and was called to order by Vice President George Jakob at 10:30 a. m. with the following delegates in attendance: Local No. 2, Pittsburgh, Pa., William C. Smith and Fred C. Rust; Local No. 11, Baltimore, Md., Gilbert Ball and Charles W. Moore; Local No. 14, Philadelphia, Pa., George Jakob and Andrew Haas; Local No. 24, Washington, D. C., Robert J. Needham and Norman L. Hoyle; Local No. 32, Newark, N. J., Terence McConnell and Henry Lundy; Local No. 38, Wilkes-Barre and Scranton, Pa., H. C. Bressler and H. C. Bressler, Jr.; Local No. 42, Wilmington, Del., Arvid O. Johnson and Harry E. Mahan; Local No. 65, York, Pa., Richard S. Liek and Alfred K. Gotwalt; Local No. 71, Allentown, Pa., Stanley Biddle and Nicholas Grello; Local No. 85, Atlantic City, N. J., William Hornburger, Sr., and Frank Magnacavallo; Local No. 88, Richmond, Va., Thomas A. Brooks and J. E. Parker; Local No. 89, Trenton, N. J., Stephen J. Kopp; representing the General Office, Secretary-Treasurer C. W. Sickles.

In attendance as visitors were: Brothers Herbert Tucker of Local No. 32, Carlton Sickles of Local No. 24 and Charles Lent of Local No. 91. International President Joseph A. Mullaney sent his personal regrets on his inability to attend this meeting.

Reading of the minutes of last meeting ordered dispensed with.

Credentials of Brothers Thomas A. Brooks and J. E. Parker of Local No. 88 were read and upon motion accepted and the delegates seated.

Bills as presented were ordered paid.

As instructed at the last quarterly meeting, Brother Carlton R. Sickles then submitted his report on a further study of Welfare Program possibilities which was well received. More detailed information shall be reported at our next regular meeting.

International Secretary-Treasurer C. W. Sickles then distributed radiused territorial maps for approval of the respective locals. These maps shall be printed and made available by the General Office as soon as possible.

Delegate Rust of Local No. 2, reported present conditions as being still busy. Twenty-five Travelers and 15 Referrals augment local membership. A continued increase in volume of work tends to make the future outlook very good, a peak will be reached during the autumn months.

Delegate Moore of Local No. 11, reported all of local membership plus 100 Referrals now employed throughout the territory. Majority of present work is of the marine type, however, with a steel plant, public utilities power plant, and schools coming along. Any of our idle International membership are invited to come into Baltimore for employment.

He also reported that agreement negotiations are now going on.

Delegate Jakob of Local No. 14, reported present conditions as very busy. Twenty-five Travelers together with 15 Referrals now being used. Plenty more work is coming along including several oil jobs, schools and hospitals.

He also reported that the present agreement expires on June 30th and as yet no negotiations have been started.

Delegate Hoyle of Local No. 24, reported the local is now over the slow period. Present conditions being busy with all types of work now coming along including schools and hospitals, this tends to make the future outlook very good.

He also reported that agreement negotiations are now going on but that there is nothing conclusive to report.

Delegate Lundy of Local No. 32, reported the local is on strike at the present time. One contractor however has been signed and that portion of work is proceeding. He requested the Conference locals to place any of Local No. 32 membership desirous of going to work.

(*Secretary's Footnote*—The Local No. 32 strike has been settled—New wage rate $3.25 per hour. New Board rate $5.00 per day worked).

Delegate McConnell supplemented the above report stating that Welfare benefits now include a $1,000 life insurance policy and also that everyone now at work shall be included in coverage following a six month waiting period.

Delegate Bressler of Local No. 38, reported present conditions are very busy. Entire local membership plus 12 Referrals now being used. An additional 12 to 15 of our idle International membership can be placed in the territory.

He also reported that agreement negotiations are pending.

Delegate Mahan of Local No. 42, reported that while there is plenty of work on hand the current building trades strike is forcing some of the membership to be idle. However, the local is attempting to place its membership on operations not effected by the strike.

He also reported that negotiations for a new agreement are now going on.

Delegate Gotwalt of Local No. 65, reported present conditions very good with enough work on hand and scheduled for the future to last at least a year. The Building Trades and General Contractors Association now are operating together 100 per cent.

He also reported agreement negotiations are now going on.

Delegate Grello of Local No. 71, reported that 25 Referrals augment local membership at the present time. Plenty of work on hand and considerable more coming along to greatly enhance the future. Negotiations also going on for a new agreement.

Delegate Hornburger of Local No. 85, reported very few of local membership working at home, balance of members working throughout Conference territory. Future prospects look fair.

ACL Doc 21496 · Page 12 of 20
Published by AsbestosClaims.Law
asbestosclaims.law/library/21496/12

Delegate Parker of Local No. 88, reported 6 Travelers and 45 Referrals augment local membership at the present time. Future prospects seem very good and any of our idle International membership can be placed.

The local is also negotiating for a new agreement.

Delegate Kopp of Local No. 89, reported conditions still booming. While the U. S. Steel job is slowly tapering off the slack will be alleviated with the Naval Laboratory and Ft. Dix jobs expanding. Future expansion in the Delaware River Valley is contingent on the deepening of the river channel to a 40-foot depth.

He also reported that negotiations on a new agreement will be started shortly. Present agreement expires June 30, 1953.

Affiliated locals of the Conference reported the following membership in service: Local No. 2, 6 men; Local No. 11, 12 men; Local No. 14, 9 men; Local No. 24, 9 men; Local No. 32, 8 men; Local No. 65, 2 men; Local No. 71, 1 man; Local No. 89, 1 man.

Secretary-Treasurer Sickles interspersed the above delegates reports with advice and instructions whenever necessary and also enlightened the delegates on procedures followed by the General Office.

He also gave a report on the activities of all Building Trades International Associations in connection with the reorganization necessary in localities where the local labor movement has slowly deteriorated. Baltimore, Md., being the first city to receive the attention of the International Organization. This program is being directed by the Building and Construction Trades Department of the A. F. of L.

The delegates unanimously voted expression of appreciation for the wonderful dinner tendered the delegates and their wives Friday evening preceding the Conference by host local Atlantic City, Local No. 85, at the world famous "Hackney's Restaurant" during their stay in the Conference City.

With all business at hand transacted, adjournment was voted at 4 p. m. until Saturday, September 5, 1953, at Plasterers Hall, 1324 Melon Street, Philadelphia, Pa.

Respectfully submitted,

STEPHEN J. KOPP,
Secretary.

NEW ENGLAND STATES

PROVIDENCE, R. I. - - - -
June 20, 1953.

The regular quarterly meeting of the New England States Conference of Asbestos Workers was called to order at the Sheraton-Biltmore Hotel, Providence, R. I., on Saturday, June 20, 1953 at 10 a. m. by President Henry Koziol.

The following delegates were present: John W. Hoff, Local No. 6, Boston, Mass.; Prescott Jentzel, and Oscar Nelson, Local No. 31, Providence, R. I.; Anthony Gaspic and John H. Johnson, Local No. 33, Connecticut; Henry Koziol and Warren Retzleff, Local No. 43, Springfield, Mass.

Also present was International Secretary-Treasurer C. W. Sickles.

Minutes of previous meeting were read and approved.

Delegates Jentzel and Nelson of Local No. 31, report work is very quiet at present and have about 10 men out on Travelers. Narragansett Power Plant coming along and will be manned very shortly and will absorb many men. Prospects for future work look good.

They report they have at present 7 members in the armed services.

Conditions in and around Providence were reported on, which showed an unsatisfactory situation and advice sought to remedy same. Corrective measures suggested and left to the individual members of Local No. 31 to adjust same.

The subject matter of a Business Agent not being a Trustee member of a Welfare Fund from his own union was taken up. Secretary-Treasurer Sickles advised that it is the position of our General Office that a Local Union Business Agent should at all times be one of the Local Union Trustees and in the event that a Business Agent resigns or for any other reason ceases to represent the local as a Business Agent, he should immediately resign as a Trustee of the Welfare Fund in order that the newly elected Business Agent may replace him in that capacity.

Delegates Gaspic and Johnson of Local No. 33, report conditions good and prospects are fine with a Statler Hotel in Hartford—power plant at Montville and good size job at Middleton.

They have a new shop, namely—Connecticut Insulation Co. of Hartford.

Have four men in the armed service and a few "emergency Asbestos Workers" currently employed.

Their agreement expires June 30, 1953, and seeking an increase in wage of 14 cents per hour.

Delegates Koziol and Retzleff of Local No. 43, report work very slow with a few men idle and 5 men out on Traveler. A large operation at Westover Field is coming along plus the Brightside Home project.

Agreement expires July 20, 1953 and asking employers for $2.85 per hour, $6.00 board and 6 cents per road mile expenses.

Industrial work has been keeping most of the local working.

Welfare Fund set up but no administrator appointed as yet.

Delegate Hoff of Local No. 6, reports work on the pick-up after a quiet two months. Several good projects coming along including power plants, housing projects, and a paper mill that will keep the membership busy.

Still negotiating with employers on new agreement. Present agreement expires July 1, 1953. Requesting increase of 12½c per hour and a step-up on board to $6.00 per day.

Also reports that Brother E. A. Johnson of Local No. 6 has been appointed Commissioner of Labor and Industries in Massachusetts for a term of three years.

Secretary-Treasurer Sickles then showed the delegates present a sample of the new territorial maps that are being drafted, which should be very helpful to both locals and employers in defining in whose territory a job is at a glance. They will be available to all including employers within a few weeks.

Reporting for the country in general, Secretary Sickles stated all goes well in most parts and work available to locals who are quiet if their membership desire to travel.

Also reported on locals who are out on strike and others who were out and have effected satisfactory settlement.

The delegates were then invited to dinner as the guests of Local No. 31 in the hotel dining room.

Upon motion and with no further business, meeting was adjourned at 1:15 p. m.

Respectfully submitted,

JOHN W. HOFF,
Secretary.

Social Security Benefits

Representative Carl Curtis (R., Nebr.), chairman of the House Ways and Means subcommittee which is studying the social security laws, promises to find out if the social security program has been exploited "as a racket."

What are Curtis' qualifications for studying the social security laws so that they may be improved?

They are definite.

Curtis voted against increasing old age benefits by $5 a month and to protect the insurance rights of those permanently disabled, voted to take 750,000 persons out from under social security coverage, and favored the Knowland amendment which destroyed Federal regulation of unemployment compensation.

Curtis might well ponder a recent statement by Oveta Culp Hobby, Secretary of the Health, Education and Welfare Department.

Mrs. Hobby reported that families of the victims of the May tornado in Waco, Tex., would receive about $1 million in social security benefits. Survivors of at least 70 of the victims, Mrs. Hobby said, were eligible for benefits.

She added that the 60 per cent social security coverage in Waco illustrated the extent of the government-sponsored program.

"The same protection illustrated in this community when disaster struck is now covering four out of five of the mothers and children in the country, in case the family breadwinner should die under any circumstances," she said.

Building Trades Exclusion From T-H Possibility

Senator Robert A. Taft (R., Ohio) said Congress should explore the possibility of excluding building trades unions and the construction industry from the Taft-Hartley law.

Taft made the statement during testimony by Richard J. Gray, president of the AFL Building Trades Department.

The Ohio Senator said it was not contemplated, when the law was enacted, that it would apply to the building trades since the Wagner Act, which T-H amended, did not apply to them.

He asked how Gray would feel about a congressional declaration that the construction industry is not in interstate commerce and hence not subject to the law.

"We certainly would welcome it," said Gray.

"At least the construction of homes and, I should think, the construction of buildings should be taken out of the field," Taft went on. "I think we should explore the possibility."

AMERICAN CANCER SOCIETY

Will you help them grow up in a safer world?

Ask a man if he loves his child, and you know the answer before he gives it. Yet no child today is safe from cancer—some time during his life.

Cancer can kill children—*no* age is free from this terrible scourge. Cancer can rob them of the love and care of a mother—a father—or both.

Won't you help us in the fight against this terrible scourge?

The American Cancer Society needs money. Money to aid doctors in problems of diagnosis and treatment, to provide for costly research, to ease the suffering of cancer victims.

Our weapons are your dollars and cents; the victory is a better world for all our children.

Send a contribution today to Cancer, c/o your Local Post Office. Thank you.

CANCER STRIKES 1 IN 5

STRIKE BACK—GIVE TO CONQUER CANCER!
