UNITED STATES PATENT OFFICE

JOHN W. LEDEBOER, OF AMBLER, PENNSYLVANIA, ASSIGNOR TO AMBLER ASBESTOS SHINGLE & SHEATHING COMPANY, A CORPORATION OF PENNSYLVANIA

DESIGN FOR A SHINGLE ROOFING

Application filed January 16, 1930. Serial No. 34,151. Term of patent 14 years.

To all whom it may concern:

Be it known that I, JOHN W. LEDEBOER, a citizen of the United States, residing at Ambler, in the county of Montgomery and State of Pennsylvania, have invented a certain new, original, and ornamental Design for Shingle Roofing, of which the following is a specification, reference being had to the accompanying drawing forming a part thereof and showing in perspective view a number of shingles applied as a roofing.

The salient feature of the design of the shingle roofing is that the exposed edges of the shingles are lighter in color than their central portions.

I claim:

The ornamental design for a shingle roofing as shown and described.

JOHN W. LEDEBOER.
