CELOTEX ASBESTOS SETTLEMENT TRUST

NOTICE

To: All Claimants and Claimants' Counsel

Date: April 1, 2026

Section 7.12(d) of the CRP, "Effect of Statutes of Limitations or Similar Limitations Periods," provides in pertinent part that for "all direct claims filed with the Trust on or after July 1, 2005, in order to be considered timely filed, a claimant must file an Asbestos Personal Injury Claim with the Trust within three (3) years after the first ***date of diagnosis*** of the asbestos-related injury of the Disease Category for which the claim qualifies for payment." (emphasis added).

For non-malignant (Category I–III) claims, the date of diagnosis under Section 7.12(d) of the CRP is the earliest of either (i) the date a radiology was taken (film date of a chest X-ray or CT scan) or (ii) the date of a pathology report providing a non-malignant diagnosis.

For malignant (Category IV–VII) claims, the date of diagnosis under Section 7.12(d) of the CRP is the earliest of the date of a pathology report or, if applicable, the date of the physical exam providing a malignant diagnosis.
