OWENS-ILLINOIS ASBESTOS PERSONAL INJURY TRUST

NOTICE REGARDING INSTALLMENT PAYMENTS AND SOL DEADLINES

Pursuant to the provisions of the Owens-Illinois Asbestos Personal Injury Trust Distribution Procedures (the "TDP"), the Trustees, with the consent of the Trust Advisory Committee (the "TAC") and the Post-Effective Date Future Claimants' Representative (the "FCR"), have determined that the Trust shall issue a first installment payment to each holder of an approved Asbestos Claim in the amount of fifty percent (50%) of the liquidated value of such Asbestos Claim. The amount of any subsequent installment payment shall be determined when the Asbestos Trust completes a review of its Payment Percentage.

The Trustees have also, with the consent of the TAC and the FCR, amended Section 5.1(a)(2) of the TDP to provide that any Asbestos Claim that was first diagnosed prior to the Petition Date and tolled pursuant to the provisions of the TDP must be filed with the Asbestos Trust on or before November 30, 2024 in order to be treated as timely filed.
