ANNUAL REPORT, FINANCIAL STATEMENTS AND RESULTS OF OPERATIONS OF THE ABB LUMMUS GLOBAL INC. 524(g) ASBESTOS PI TRUST FOR FISCAL YEAR ENDED DECEMBER 31, 2010

The Honorable Dean M. Trafelet, Ret., Trustee of the ABB Lummus Global Inc. 524(g) Asbestos PI Trust (the "Trust"), created pursuant to ABB Lummus Global Inc.'s Plan of Reorganization, as Modified Through June 8, 2006 (the "Plan"), submits this Annual Report, Financial Statements and Results of Operations of the ABB Lummus Global Inc. 524(g) Asbestos PI Trust for Fiscal Year Ended December 31, 2010.

I. General

ABB Lummus Global Inc. filed a voluntary petition for relief under Chapter 11, Title 11 of the United States Code (the "Bankruptcy Code") on April 21, 2006. The hearing on confirmation of the Plan was held before the United States Bankruptcy Court for the District of Delaware (the "Court") on June 21, 2006. The Court entered the Order (A) Approving Disclosure Statement and Solicitation Procedures, (B) Confirming and Recommending Affirmance by the U.S. District Court of Debtor's Plan of Reorganization as Modified Through June 8, 2006 and (C) Setting Bar Dates to File Certain Claims in Paragraphs 51, 52, 53 and 74 on June 29, 2006. On July 19, 2006, the United States District Court for the District of Delaware entered its Order Affirming Confirmation Order and Issuing Injunctions.

The Effective Date of the Plan occurred on August 31, 2006.

Pursuant to the Plan, Steven Kazan, Russell W. Budd and Perry Weitz are the members of the Trust Advisory Committee ("TAC") and Richard B. Schiro is the Future Claimants' Representative ("FCR").

The Final Decree was entered and the bankruptcy case was closed on January 18, 2007. The Order of Final Decree provides that the Court retains jurisdiction with respect to all issues related to the Trust and directs that the Clerk of the Court shall not refuse to accept for filing any pleading or report submitted by the Trust on the grounds that the case has been closed.

The ABB Lummus Global Inc. 524(g) Asbestos PI Trust Agreement ("Trust Agreement") and the ABB Lummus Global Inc. 524(g) Trust Bylaws (the "Bylaws") require that the Trust have at least four regular meetings with the TAC and the FCR during 2010. The Trust held regular meetings during 2010 on February 3, 2010, June 23, 2010, September 15, 2010, and November 17, 2010. For each of these meetings, several persons attended by telephone, as authorized by the Bylaws and encouraged by the Trustee.

Pursuant to the Bylaws, the principal office of the Trust is located at 1105 Market Street, Suite 1300, P.O. Box 8985, Wilmington, Delaware 19899.

In 2010, the Trust entered and/or continued services agreements with Stutzman, Bromberg, Esserman & Plifka, a Professional Corporation (general counsel); ARPC (accountant and administrator); Verus Claims Services LLC (claims processing facility and claims administrator); Cray Kaiser Ltd. (auditor); Northern Trust Company (financial consultant and money manager); and AON Risk Services Central, Inc. (insurance agent).

In addition, the Trust retained local counsel, as needed, and continued consulting agreements with former employees of Connecticut Valley Claim Service Company, Inc., the Trust's claims administrator from Trust inception through 2007.

The Trust purchased liability insurance coverage for the Trustee, the members of the TAC and the FCR.

II. Asbestos PI Claims

The TDP, the Revised and Restated Procedures for Reviewing and Liquidating Lummus Asbestos PI Trust Claims, Lummus Claim Forms, an electronic filing agreement, the Lummus Release and other claims-related forms and instructions are available at www.ABBLummusTrust.org.

Since inception, the Trust has paid claims applying a Payment Percentage of 100%. However, the Trust is experiencing a larger number of claims with higher values than projected during the bankruptcy case of ABB Lummus Global Inc. In August 2010, the Trust published a notice that the processing of claims was temporarily suspended pending a review of the Payment Percentage. With substantial uncertainty regarding the Trust's liability for presently pending and future claims and with the Payment Percentage under review, the Trust did not set a Maximum Annual Payment for 2010. On December 13, 2010, the Trust published a notice that claims in the Payment Queue would not be paid in 2010.

Claims statistics for the fiscal year ending December 31, 2010, are as follows:

The Trust received 25,366 claims in 2010 (6,113 Feedwater Heater Claims and 19,253 non-Feedwater Heater Claims, as those terms are defined in the TDP). Of these, 21,917 were submitted for Expedited Review under the TDP and 3,449 were submitted

for Individual Review under the TDP. The Trust did not liquidate or pay any claims in 2010. The Trust did not allow 39,070 claims, including claims with un-cured deficiencies, and withdrawn and deferred claims, and also including claims filed in prior years and disallowed in 2010. The Trust had 811 outstanding settlement offers on December 31, 2010. Claims pending review on December 31, 2010 totaled 7,399.

III. Compensation and Expenses of Trustees

Under Section 5.5 (c) of the Trust Agreement, the Trust reports to the Court the amount of compensation and expenses paid to the Trustee. The Trustee received compensation in the amount of $68,400.00 and reimbursement of $233.78 for out-of-pocket costs and expenses during the fiscal year ending December 31, 2010.

The Delaware Trustee received compensation in the amount of $2,500 during the fiscal year ending December 31, 2010. The Delaware Trustee had no reimbursable out-of-pocket costs and expenses during the fiscal year ending December 31, 2010.

IV. Financial Statements

A copy of the Trust's audited financial statements for the fiscal year ending December 31, 2010 is attached as Exhibit "A."

Independent Auditors' Report

To the Trustee of the
ABB Lummus Global Inc. 524(g) Asbestos PI Trust

We have audited the accompanying special-purpose statements of assets, liabilities and net assets available for the payment of claims of the ABB Lummus Global Inc. 524(g) Asbestos PI Trust (the "Trust"), a Trust created under the laws the state of Delaware, as of December 31, 2010 and 2009 and the related special-purpose statements of changes in net assets available for the payments of claims and special-purpose statements of cash flows available for the payment of claims for the years then ended December 31, 2010 and 2009. These special-purpose financial statements are the responsibility of the Trust's management. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the special-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the special-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 2, the accompanying special-purpose financial statements have been prepared for the purpose of complying with the Trust Agreement dated August 30, 2006, and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been used in order to communicate the amount of net assets presently available for current and future claims.

In our opinion, the accompanying special-purpose financial statements of the Trust as of December 31, 2010 and 2009 and for the years then ended, present fairly, in all material respects, the information set forth therein on the special-purpose basis of accounting described in Note 2.

This report is intended solely for the information and use of the Trustee, beneficiaries of the Trust and the United States Bankruptcy Court for the District of Delaware and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

ABB LUMMUS GLOBAL INC. 524(g) ASBESTOS PI TRUST
NOTES TO THE SPECIAL-PURPOSE FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

NOTE 1 - DESCRIPTION OF THE TRUST

The ABB Lummus Global Inc. 524(g) Asbestos PI Trust ("Trust") is a Delaware statutory trust created to assume all Lummus Asbestos PI Trust Claims (whether now existing or arising at any time hereafter) and to use the Lummus Asbestos PI Trust Assets to pay holders of such Lummus Asbestos PI Trust Claims in accordance with the Lummus Trust Agreement Trust Distribution Procedures ("TDP"), and in such a way that all holders of Lummus Asbestos PI Trust Claims that involve similar claims are treated in substantially the same manner and to otherwise comply in all respects with the requirements of a trust set forth in Section 524(g)(2)(B)(i) of the Bankruptcy Code. The Trust was established pursuant to the Prepackaged Plan of Reorganization of ABB Lummus Global Inc. as confirmed by the United States Bankruptcy Court (the "Confirmed Plan"). The Confirmed Plan became effective on August 31, 2006 (the Effective Date or the Effective Date of the Plan of Reorganization). Capitalized terms have the meanings as defined in the Confirmed Plan.

At inception, the Trust was funded with $5,000,000 in an insurance settlement guaranty payment and $5,400,000 in cash proceeds from a promissory note dated August 31, 2006, in the principal sum of $33,000,000. On May 2, 2007, the Trust received payment of $28,711,562 from ABB Lummus Global, Inc. as final payment on the promissory note. The cash contributed on May 2, 2007 included $27,600,000 in full principal payment and $1,111,562 of interest. As of May 2, 2007, the promissory note of $33,000,000 has been paid in full.

The Trustee is responsible for supervising and administering the Lummus Asbestos PI Trust Claims resolution process. The Trust will use its funding for Trust operations and for settlement of the Lummus Asbestos PI Trust Claims as defined in the Confirmed Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Trust's financial statements are prepared using special-purpose accounting methods that differ from accounting principles generally accepted in the United States of America. The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the amount of equity available for payment of current and future claims. These special-purpose accounting methods are as follows:

The financial statements are prepared using the accrual basis of accounting.

Funding received from ABB Lummus Global, Inc. has been recorded directly to net claimants' equity. These funds do not represent income of the Trust. Settlement offers for asbestos personal injury claims are reported as deductions in net claimants' equity and do not represent expenses of the Trust.

Costs of non-income producing assets, which will be exhausted during the life of the Trust and are not available for satisfying claims, are expensed as they are incurred. These costs include acquisition costs of computer hardware, software, software development, office furniture and leasehold improvements.

Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum rental commitments outstanding at period end for non-cancelable operating leases, net of any sublease agreements, have been recorded as deductions to net claimants' equity.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

The liability for unpaid claims reflected in the statements of net claimants' equity represents settled but unpaid claims and outstanding settlement offers. Lummus Asbestos PI Trust Claims' liability is recorded once a settlement offer has been made to the claimant and accepted by the claimant by submission to the Trust of an executed release. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.

Use of Estimates

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates. The most significant estimates with regard to these financial statements relate to unpaid claims.

Cash and Cash Equivalents

The Trust considers cash on hand and all highly liquid debt instruments purchased with a maturity of one month or less to be cash equivalents.

The Trust places its cash with a high quality credit institution. At times, such cash may be in excess of the Federal Depository Insurance Corporation insurance limit. The Trust routinely assesses the financial strength of its banking institution and, as a consequence, believes that its cash credit risk exposure is limited. At December 31, 2010, the Trust maintained a bank account which held funds in excess of FDIC-insured limits.

Investment Securities

Investments securities stated at market value are based on quoted market prices at the date of the financial statements with the changes in unrealized gain and losses recorded in the current period. Investment income is recognized when earned. Gains and losses on sales are determined by specific identification.

The Trust classifies its marketable equity securities as available-for-sale. The investment securities are considered to be available-for-sale securities, as they are used to satisfy claims, and are reported at market. All interest and dividend income, as well as net realized gains/losses, are included in investment income on the statement of net assets available for the payment of claims. Realized gains and unrealized gains and losses are recorded as separate components on the statement of net assets available for the payment of claims.

Realized gains/losses are recorded based on the security's original cost. At the time a security is sold, all previously recorded unrealized holdings gains/losses are reversed and recorded net, as a component of other unrealized gains/losses in the accompanying statement of changes in net assets available for the payment of claims.

Thereafter	10,807,199
	$ 29,564,332

NOTE 4 - INCOME TAXES

According to the Internal Revenue Code, the Trust is classified as a Qualified Settlement Fund and is therefore subject to federal income taxes based on modified gross income, as defined by the Income Tax topic of the Financial Accounting Standards Board Accounting Standards Codification. In the opinion of management, the Trust is not subject to state income taxes and therefore, the financial statements do not include any provision or liability for state income taxes.

The Trust had available net operating losses and capital losses for the year ended December 31, 2009. During the year ended December 31, 2010, the Trust filed amended tax returns to apply these losses against the prior year's taxable income.

The net tax benefit from the carry backs are as follows for the years ended December 31:

2009 Net taxable loss	$ 225,221

NOTE 5 - CONTINGENT LIABILITIES

The Trust estimates the amount of potential exposure it may have with respect to claims, assessments and litigation as defined by the Contingencies Topic of the Financial Accounting Standards Board Accounting Standards Codification. All Lummus Asbestos PI Trust Claims as defined in the Confirmed Plan have been assumed by this Trust. If any other legal proceedings occur, it is not always possible to predict the outcome, as they are subject to many uncertainties. Additionally, it is not always possible for management to make a meaningful estimate of the potential loss or range of loss associated with such litigation.

NOTE 6 - LIABILITY FOR ASBESTOS CLAIMS

The Trust paid claims of $-0- and $4,988,090 during the years ended December 31, 2010 and 2009, respectively. As of December 31, 2010, there are approximately 2500 claims or $13.9 million waiting in a payable (offered and accepted) queue and approximately 800 claims or $6.5 million waiting in an offer made (offer only, not accepted) queue.

As of December 31, 2010, the Trust is evaluating an actuarial report to determine future payments to be made from the Trust. The amounts reported in these financial statements assume payment at the payment percentage of 100%.

NOTE 7 - TRUSTEES' LIABILITY INSURANCE

Directors and officers' insurance was purchased from Aon Risk Services Company for $35,260 and $37,050 during the years ended December 31, 2010 and December 31, 2009, respectively. The policy term is from December 7, 2010 through December 7, 2011.

NOTE 9 - FAIR VALUE MEASUREMENTS

The Broad Transactions topic of the Financial Accounting Standards Board Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Trust has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data or correlation by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009.

NOTES TO THE SPECIAL-PURPOSE FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

NOTE 9 - FAIR VALUE MEASUREMENTS (Continued)

Equity Securities: Valued at the net asset value ('NAV') of shares held by the Trust at year end.

Fixed Income Securities: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Trust believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Trust's assets at fair value at December 31, 2010 and December 31,2009, respectively:

	Assets at Fair Value at December 31, 2010			
	Level 1	Level 2	Level 3	Total
Equity Securities	$ 3,579,943	$ -0-	$ -0-	$ 3,579,943
Fixed Income Securities	29,564,332	-0-	-0-	29,564,332
Total Assets at Fair Value	$ 33,144,275	$ -0-	$ -0-	$ 33,144,275

	Assets at Fair Value at December 31, 2009			
	Level 1	Level 2	Level 3	Total
