ANNUAL REPORT AND ACCOUNT OF THE
DURABLA MAHUFACTURING COMPANY AND DURABLA CANADA LTD
ASBESTOS TRUST FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017

Edward D. Robertson, Jr., the Trustee of the Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust (the "Trust"), created pursuant to the Debtors' Joint Chapter 11 Plan (the "Plan") submits this Annual Report, Financial Statements, and Claims Summary for the fiscal year ending December 31, 2017.

I. INTRODUCTION

The purpose of this Annual Report is to fulfill the reporting requirements of the Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust Agreement (the "Trust Agreement") and to report to the Court on the actions taken by the Trustee on behalf of the Trust during the period January 1, 2017 to December 31, 2017 (the "Reporting Period").

Section 2.2(c) of the Trust Agreement provides:

The Trustee shall timely account to the Bankruptcy Court as follows:

> (i) The Trustee shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event within one hundred and twenty (120) days following the end of each fiscal year, an annual report (the "Annual Report") containing financial statements of the Asbestos Trust (including, without limitation, a balance sheet of the Asbestos Trust as of the end of such fiscal year and a statement of operations for such fiscal year) audited by a firm of independent certified public accountants

> selected by the Trustee and accompanied by an opinion of such firm as to the fairness of the financial statements' presentation of the cash and investments available for the payment of claims and as to the conformity of the financial statements with generally accepted accounting principles. The Trustee shall provide a copy of such Annual Report to the TAC and the Legal Representative when such reports are filed with the Bankruptcy Court.
>
> (ii) Simultaneously with the filing of the Annual Report, the Trustee shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of claims disposed of during the period covered by the financial statements. The Trustee shall provide a copy of such report to the TAC and the Legal Representative when such report is filed.
>
> (iii) All materials required to be filed with the Bankruptcy Court by this Section 2.2(c) shall be available for inspection by the public in accordance with procedures established by the Bankruptcy Court and shall be filed with the Office of the United States Trustee for the District of Delaware (the "U.S. Trustee").

The Trust Agreement further provides for the inclusion of a description of the amounts paid to the Trustee, TAC, and FCR in the accounts filed with the Bankruptcy Court. See Sections 4.5(c), 5.6, and 6.5.

II. BACKGROUND

On December 15, 2009, Durabla Manufacturing Company filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code, 11 U.S.C. § 101, *et seq.* in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). On November 8, 2010 Durabla Canada Ltd filed its petition for relief under chapter 11 in the Bankruptcy Court. On June 27, 2012, the Bankruptcy Court entered an order confirming the Plan. That order was affirmed by the United States District Court for the District of Delaware on August 2, 2012. On September 12, 2012 (the "Effective Date"), the Plan became effective and the Trustee began to operate the Trust.

Published by AsbestosClaims.Law
asbestosclaims.law/library/14325/4

The purpose of the Trust is to assume the liabilities of Durabla Manufacturing Company and Durabla Canada Ltd for all Channeled Asbestos Claims, as defined in the Plan, and to preserve, hold, manage, and maximize the assets of the Asbestos Trust for use in paying and satisfying Channeled Asbestos claims in accordance with the Trust Agreement and the Trust Distribution Procedures (the "Trust Documents") and in such a way that holders of Channeled Asbestos Claims are treated fairly, equitably, and reasonably in light of the finite assets available to satisfy such claims, and to otherwise comply in all respects with the requirements of a trust set forth in section 524(g)(2)(B) of the Bankruptcy Code.

On and after the Effective Date, the Trust was funded as provided for in Sections Sections 5.1, 5.2 and 11.1 of the Plan.

III. TRUST ADMINISTRATION

A. Trustees

Edward D. Robertson, Jr. served as the Trustee of the Trust during the Reporting Period. Wilmington Trust served as the Delaware Trustee.

1. Meetings

During the Reporting Period, the Trustee met and was in communication with the TAC and FCR regarding Trust matters. In some instances, the Trustee obtained waivers of the formal meeting requirement, in accordance with the requirements of the Trust Agreement. The Trustee met individually with Trust advisors and devoted time to Trust matters outside of scheduled meetings. Activities by the Trustee and his advisors included the investment of trust assets, ensuring compliance with the Trust Documents, review of Durabla records, review of claims processor proposals, and communicating with claimants. The Trustee and Counsel continued to communicate with the Centers for Medicare & Medicaid Services regarding the potential

reporting of trust claims under Section 111 of the Medicare Medicaid and SCHIP Extension Act of 2007.

2. Compensation

The compensation and expenses paid to the Trustee during the Reporting Period are set forth in the Trust's financial statements attached hereto as Exhibit "A." The inclusion of this information in the Trust's financial statements satisfies the requirements of Section 4.5 of the Trust Agreement. All distributions related to Trustee compensation and expense reimbursements were made in accordance with the Trust Agreement guidelines.

B. Trust Officers

B. Thomas Florence served as the Trust's Executive Director and John Brophy served as the Trust's Assistant Executive Director during the Reporting Period.

C. Trust Advisory Committee

Deirdre Pacheco, James Ferraro, John A. Baden, IV, and Benjamin Shein served as Members of the Trust Advisory Committee ("TAC Members") during the Reporting Period. The compensation and expenses paid to the TAC Members during the Reporting Period are set forth in the Trust's financial statements. The inclusion of this information in the Trust's financial statements satisfies the requirements of Section 5.6 of the Trust Agreement. All distributions related to TAC Member compensation and expense reimbursements were made in accordance with the Trust Agreement guidelines.

D. Future Claims Representative

Lawrence Fitzpatrick served as the Future Claim Representative (the "FCR") during the reporting period. The compensation paid to the FCR during the Reporting Period is set forth in the Trust's financial statements. The inclusion of this information in the Trust's financial

statements satisfies the requirements of Section 6.5 of the Trust Agreement. All distributions related to FCR compensation and expense reimbursements were made in accordance with the Trust Agreement guidelines.

E. Claims Processing

The Trustee issued an RFP to prospective claims processors and received proposals from a number of facilities. The Trustee anticipates finalizing the selection of a claims processor in 2018.

F. General Counsel

Campbell & Levine, LLC of Pittsburgh, Pennsylvania and Wilmington, Delaware served as general counsel to the Trust.

IV. ANNUAL REPORT AND ACCOUNT

A. Summary of Claims

No claims were accepted or processed by the Trust during the Report Period.

B. Financial Information

The Trust's audited financial statements for the Reporting Period are attached hereto as Exhibit "A." The financial statements were audited by BDO USA, LLC.

Independent Auditor's Report

Trustee
Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust
Wilmington, Delaware

Report on the Special-Purpose Financial Statements

We have audited the accompanying special-purpose financial statements of Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust (the Trust) (a statutory Trust created under the laws of the State of Delaware), which comprise the special-purpose statements of assets, liabilities, and net assets available for the payment of claims as of December 31, 2017 and 2016, and the related special-purpose statements of changes in net assets available for the payment of claims and the special-purpose statements of cash flows for the years then ended and the related notes to the special-purpose financial statements.

Management's Responsibility for the Special-Purpose Financial Statements

Management is responsible for the preparation and fair presentation of the special-purpose financial statements in accordance with the basis of accounting described in Note 2 to the Special-Purpose Financial Statements; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of special-purpose financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these special-purpose financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special-purpose financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the special-purpose financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the special-purpose financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the special-purpose financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the special-purpose financial statements.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the special-purpose financial statements referred to above present fairly, in all material respects, the assets and liabilities of Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust as of December 31, 2017 and 2016, and the additions, deductions, and its cash flows for the years then ended in conformity with the basis of accounting described in Note 2 to the Special-Purpose Financial Statements.

Basis of Accounting

We draw attention to Note 2 of the special-purpose financial statements, which describes the basis of accounting. As described in Note 2 these special-purpose financial statements were prepared on a special-purpose basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been used in order to communicate the amount of net assets presently available to fund current and future claimants. Our opinion is not modified with respect to this matter.

Restriction of Use

Our report is intended solely for the information and use of the Trust, and is not intended to be and should not be used by anyone other than the specified party. This restriction is not intended to limit the distribution of this report which, upon filing with the United States Bankruptcy Court for the District of Delaware, is a matter of public record.

Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust

Notes to the Special-Purpose Financial Statements

1. Description of the Trust

On June 27, 2012, the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court) entered an order (the Confirmation Order) confirming the Joint Chapter 11 Plan of Reorganization for Durabla Manufacturing Company and Durabla Canda Ltd. (the Plan). On August 2, 2012, the District Court entered an order affirming the Confirmation Order.

The essential elements of the Plan include, among other things, the creation of the Durabla Manufacturing Company and Durabla Canada Ltd. Asbestos Trust (the Trust) under Section 524(g) of Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code) in the Bankruptcy Court. The Confirmation order has become final and is no longer appealable, and the Plan became effective on September 12, 2012.

Pursuant to the Plan, the Trust assumed certain assets and the responsibility for all Channeled Asbestos Claims. The Trustee is responsible for supervising and administering the Trust and utilizing the Trust's assets and income to pay the holders of all Channeled Asbestos Claims in accordance with the Trust Agreement and the Trust Distribution Procedures (TDP) in such a way that holders of such claims are treated fairly, equitably and reasonably in light of the limited assets available to satisfy such claims, and to otherwise comply in all respects with the requirements of a trust set forth in section 524(g)(2)(B) of the Bankruptcy Code.

2. Significant Accounting Policies

Basis of presentation

The Trust's financial statements are prepared using special-purpose accounting methods adopted by the Trust, which differ from accounting principles generally accepted in the United States of America (GAAP). The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the net assets available for the payment of claims and the related operating expenses of the Trust. Since the accompanying special-purpose financial statements are not based upon GAAP, the accounting treatment by other parties for these same transactions may differ as to timing and amount. The special-purpose accounting methods include the following:

- Assets are recorded when they are received by the Trust and are available for the payment of asbestos claims.

- Future fixed liabilities under contractual obligations and other agreements entered into by the Trust are recorded as deductions in net assets available for the payment of claims in the same period that such contractual obligations or agreements are signed. Under GAAP, liabilities and contractual obligations are recorded over the period that is benefited by the underlying contract or agreement.

- The full amounts of claims will be expensed in the period in which the confirmed claims are settled. A settled claim is a claim that has been allowed by the Trust and accepted by the claimant, with an approved release. Under GAAP, a liability would be recorded for an estimate of the amount to be paid for claims that have been incurred but not yet reported, and for those claims that have been submitted but not yet approved for payment by the Trust. No claims were settled or paid during the years ended December 31, 2017 and 2016.

Published by AsbestosClaims.Law
asbestosclaims.law/library/14325/19

- Payments for services to be received over an extended period in the future are expensed as paid because these amounts are no longer available for the payment of claims. Under GAAP, an asset would be recorded and amortized over the period in which the related benefits are received.

- Payments for property and equipment are expensed as incurred. Under GAAP, payments for property and equipment are capitalized and depreciated over the useful lives of the assets. To date, the Trust has incurred no expense related to purchases of property and equipment.

- Income tax expense is estimated and recorded as incurred in the period in which certain income and expense items affect current federal income taxes payable. Under GAAP, the provision for income taxes is recorded based upon income reported for financial statement purposes, and federal and state income taxes both currently payable and changes in deferred taxes due to differences between financial reporting and tax bases of assets and liabilities. Under GAAP, deferred taxes include a provision for taxes attributable to changes in unrealized gains and losses on investments.

- Under GAAP, for financial statement disclosure purposes all investments would be categorized based on the priority of inputs used to measure fair value. Under GAAP, inputs used in measuring fair value are categorized into three levels. Level 1 includes inputs that are based upon quoted prices for identical instruments traded in active markets. Level 2 includes inputs that are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar investments in markets that are not active, or models based on valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the investment. Level 3 includes inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques. The accompanying special-purpose financial statements do not categorize all investments into these levels.

Use of estimates

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires the Trust to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and the disclosures of contingent assets and liabilities at the date of the special-purpose financial statements, as well as the reported amounts of additions and deductions to the net assets available for the payment of claims during the reporting period. Actual results could differ from those estimates and such differences could have a material effect on the net assets available for the payment of claims.

Cash equivalents

The Trust considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

Published by AsbestosClaims.Law
asbestosclaims.law/library/14325/20

Investments

Investment securities are stated at fair market value. Fair market values for investment securities, other than hedge funds, are based on quoted market prices for identical or similar instruments traded in active markets as of the date of the special-purpose financial statements. The fair market value for hedge funds is based on the Trust's proportionate share of each fund's net assets, as reported as of the date of the special-purpose financial statements. The net appreciation or depreciation in fair market value of investments in the accompanying special-purpose statements of changes in net assets available for the payment of claims consists of realized gains or losses on sales of investments and the changes in unrealized gains or losses on investments held. Investment income is recognized when earned. All interest and dividend income, net of investment expenses, are included in interest and dividend income in the accompanying special-purpose statements of changes in net assets available for the payment of claims. Gains and losses on sales of investment securities are determined using the average cost method.

Accrued expenses and accounts payable

Accrued expenses and accounts payable consist of accruals and outstanding invoices associated with managing and operating the Trust.

Operating expenses

Operating expenses of the Trust are paid from the net assets available for the payment of claims when invoices are received.

Income taxes

The Trust is classified as a Qualified Settlement Fund pursuant to the Internal Revenue Code and Regulations thereunder (the Code). The Trust is subject to federal income taxes based on modified gross income, as defined by the Code. In the opinion of the Trustee and advisors, the Trust is not subject to state income taxes and, therefore, the special-purpose financial statements do not include any provision or liability for state income taxes.

Income tax expense is estimated and includes amounts payable or receivable under current federal income taxes.

The Trust records income tax expense (or benefit) associated with amounts payable (or receivable) under current federal income taxes, and does not record a provision for (or benefit from) deferred taxes. Accordingly, there is no provision for deferred taxes associated with changes in cumulative unrealized gains and losses on investments (see Note 4). The income taxes associated with gains on investments will be recorded in the Trust's financial statements when the net gains are realized (i.e. the securities are sold) and the taxes become currently payable.

Published by AsbestosClaims.Law
asbestosclaims.law/library/14325/21

Risks and uncertainties

The Trust's assets that are exposed to credit risk consist primarily of cash. Cash balances are maintained at high-quality financial institutions and the Trust believes the credit risk related to these cash balances is minimal. The Trust has not experienced any losses related to these balances. There were no amounts on deposit in excess of federally insured limits at December 31, 2017.

3. Funding Under Joint Plan of Reorganization

Pursuant to the Plan, assets to be transferred to the Trust included cash, certain notes, rights to any future proceeds received pursuant to certain insurance policies, and the proceeds of settlement agreements with certain insurance companies, subject to the terms and conditions of the settlement agreements as approved by the Bankruptcy Court.

During the period from September 12, 2012 (inception) through December 31, 2012, the Trust received a total of $2,441,070 in cash. Additionally, during the period from September 12, 2012 (inception) through December 31, 2012, the Trust received a total of $6,360,554 in insurance settlement proceeds assigned to the Trust.

Finally, during the period from September 12, 2012 (inception) through December 31, 2012, the Trust received a total of $7,162,117 in principal payments and $179,612 in interest payments under the terms of three separate promissory notes that were issued to the Trust pursuant to the Plan. While the original terms called for future principal and interest payments through December 31, 2020 at an interest rate of 5% per annum, the promissory notes were paid in full during the year ended December 31, 2012 at a discount of 8%. Accordingly, there are no further amounts due to the Trust under these promissory notes.

All Asbestos Trust Assets, as defined by the Plan have been received. Under the terms of settlement agreements with certain insurance companies, or under the terms of future settlements negotiated by the Trust, the Trust may be entitled to future insurance recoveries. In accordance with the Trust's accounting policies, such insurance recoveries are recorded as an addition to net assets available for the payment of claims when the funds are received from the insurance companies.

4. Investments

Investment securities consist of the following at December 31, 2017:

Description	Amortized Cost	Gross Unrealized Gains	Gross Unrealized Losses	Fair Market Value
Equity securities	$ 2,400,675	$ 909,553	$ -	$ 3,310,228

5. Income Taxes

During years ended December 31, 2017 and 2016, the Trust paid no income taxes and recorded no income tax expense. Additionally, as of December 31, 2017 and 2016 there was no income tax payable or receivable.

The Trust has a net operating loss carry forward of approximately $361,000 that is available to offset future taxable income from operations. The Trust's net operating losses will expire, if not utilized, at various dates through December 31, 2035. If utilized, this net operating loss carryforward would result in a future deferred tax asset of $130,000. The Trust has a net capital loss carry forward of approximately $574,000 that is available to offset future taxable capital

income. Additionally, as of December 31, 2017, the estimated deferred tax liability associated with unrealized gains on investments is approximately $340,000. As disclosed in Note 2 to the financial statements, the Trust does not record a provision for (or benefit from) deferred taxes. Accordingly, there is no provision for deferred taxes associated with net operating loss carryforwards or cumulative unrealized gains and losses on investments.

6. Contingent Liabilities

The Plan Documents (as defined in the Confirmed Plan) subject the Trust to certain reimbursement and indemnification obligations that may result in future claims against the Trust.

The probability of such claims cannot be reasonably determined. Accordingly, no associated liability has been recorded in the accompanying special-purpose financial statements. Such claims, if any, are not expected to be material. The Trust has obtained insurance for purposes of supporting its obligation to indemnify the Trustee.

7. Liability for Asbestos Claims

The ultimate number of Asbestos Claims to be filed and the liability for such claims is not determinable at this time. Net assets available for the payment of claims represents funding available for all Asbestos Claims for which no fixed liability has yet been established.

8. Trust Liability Insurance

The Trust purchased liability insurance for a premium of $23,466 and $23,586 during the years ended December 31, 2017 and 2016, respectively. The current policy term is September 12, 2016 to September 12, 2017. The Trust's accounting policy is to expense in the current period any amounts that will not be available to pay future Channeled Asbestos Claims or expenses of the Trust. Accordingly, $23,466 and $23,586 was included in operating expenses and recorded as deduction in net assets available for the payment of claims for the year ended December 31, 2017 and 2016, respectively.

9. Subsequent Events

The Trust has evaluated its December 31, 2017 special-purpose financial statements for subsequent events through April 20, 2018, the date the special-purpose financial statements were available to be issued. The Trust is not aware of any subsequent events which would require recognition or disclosure in the special-purpose financial statements.
